MYSTERIOUS URBAN MYTHS

Urban myths are stories that are passed on from person to person. They are often scary or mysterious. Some people believe in them, while others think they are just stories. Urban myths can be found in many cultures and countries. They are often based on real events or people, but they are usually exaggerated or changed over time. Urban myths can be fun to hear, but they can also be scary. It's important to remember that they are just stories and not real.
