Eaton,2023-05-01 Susan thought her life would be as wonderful as a fairy tale when she married the man of her dreams Shawn Daniels was a successful business owner a self made millionaire The local media recognized his natural charm and exploited his camera ready features to propel him to celebrity status When Susan accepted his marriage proposal it made him the happiest man in the world The magic of the new chapter of their lives held true for a while but Shawn had a past that gave cause for alarm Susan of course knew nothing about it and unfortunately neither did most others in his life No one could warn Susan and she had no way of knowing the dangers that lie ahead for her Shawn s reputation was that of a ruthless business executive His management staff both feared and revered him No one knew however that away from the office as a man he was a whimpering coward His strength at work came from copious amounts of heroin Away from those close to him he harbored an insatiable appetite for deviant sexual gratification The drugs kept those desires in check to a point It was a cause of frustration Shawn found increasingly difficult to control Eventually Susan became an unwilling target of some of his most troubling desires Shawn s inability to deal with his personal life led to poor business decisions Those decisions affected his company s bottom line which led to increased pressure from investors His investors mostly local mob figures became increasingly unhappy with Shawn and demanded results Unfortunately Shawn s cowardice put his wife in the direct line of sight for the mob s pressure tactics Susan endured ungodly amounts of physical and mental abuse from both Shawn and his unsavory associates When Shawn got in trouble with the mob he never took the beatings himself He volunteered his wife instead At what point would Susan say enough How long would it take before her torment became unbearable Shawn took on a mistress A very public relationship ensued which triggered the beginning of the

end He flaunted her around town as if he was no longer married to Susan She filled a void that Susan could not and he needed her more than he needed his wife He thought she just wanted his money but he was wrong She had a much more sinister agenda An agenda that would put an unsuspecting Susan in even further in danger The way Shawn flaunted his mistress drew constant media scrutiny Susan s public humiliation and shame were insufferable But things were about to change Susan s suffering had taken its toll and she vowed to fight back She vowed revenge The plan she came up with was genius in its simplicity but things went off the rails early At the trial the prosecution painted Susan as a cold blooded killer a murderer a savage for the way she had mutilated her husband s body But he would have to prove that she did it The District Attorney was a seasoned well respected prosecutor He saw the case as open and shut His arrogance was on full display as he openly mocked his opponent a young inexperienced recent law school grad Would the prosecutor be up to the task Or would his young adversary prove to be more of a challenge than he thought Susan no longer cared what happened to her In the courtroom she was like a stone She showed no emotion which led jurors to loathe her Her young attorney had his work cut out for him Would he have a chance against the seasoned prosecutor Could he convince an already tainted jury that Susan was innocent This is Susan Daniels story of pain suffering humiliation and an extreme appetite for revenge As Susan fights for her life in court Would the truth come out Did she kill her husband Her demeanor suggested to the jury that she did Could her young attorney convince them otherwise Would Susan get the retribution she deserved
