The Dog Rescuers Book II Joni Wilson, 2019-08-13 The much anticipated book two of The Dog Rescuers series ushers in more dogs needing to be rescued like Romeo the trash addicted bulldog and Chanel the misplaced trapeze artist with a French accent We also meet an existentialist cat much to the annoyance of Kiddo that saunters in on his action forcing Kiddo to deal with his own long dark history of hating cats Thus the title Purrfectly Unleashed The Master Plan is sidetracked when a trip to Hollywood brings the pack face to face with a night in a dog shelter After a brave escape they make it back smack dab in the middle of America where it is no surprise that more dogs answer Kiddo's call and show up in Abby's yard to be rescued Time to get back on track and keep Abby and Luke focused on the Master Plan which is to ultimately find homes for all the dogs lost and confused sad and abused so they can get rescued through the Plan B Mode of Operation In the meantime so much good is happening around the colliding of the two worlds of man and beast as they discover their hidden talents and that anything is possible with the love of a great dog The reader is brought into two parallel worlds as both human and canine deal with life challenges They learn they are not that different after all In the end we ask are the humans really doing the rescuing or does this secret world of doggie communication expose that all along it was a ruse to rescue humans Every character has their own song written by Joni and some of Nashville's top songwriters on the interactive website www.thedogrescuers.net Facebook.com/thedogrescuersonline
