said I am the keeper of secrets and wonders and you are the chosen one Barbie and Stardust accepted their fate and set out to find the lost unicorn as the Tree sang In the depths of this forest lies a hidden realm and within it resides a unicorn who has lost its wand On their journey they will face both difficult situations and breathtakingly beautiful scenes They crossed interesting suspended bridges talked to animals that were full of wisdom and even found a singing grove of flowers whose harmonies led them to a beautiful waterfall To find the lost unicorn so rare seek the waterfall pure and fair where moonbeams dance and stars alight your friend awaits bathed in silver light the flowers said Barbie gave Luna a sweet smile and said Don t worry Let us help you get back to your realm With Luna by their side Barbie Stardust and Luna s magic worked together to make a portal that led them back to the village Thank you for finding me dear friends When I was following a shooting star I got lost My name is Luna I ve been here ever since unable to find my way back home the voice of the Enchanted Tree told them As soon as they stepped through the portal they were back in their familiar village When the lost unicorn was found everyone was thrilled and there was a lot of laughter Barbie was additionally thrilled to learn that Luna had returned home The unicorn Stardust had a beautiful horn that sparkled like the night sky and a mane that shimmered like silver His hooves left a trail of stardust wherever he went and his laughter sounded like bells He and Barbie had been together since Barbie was a little girl Barbie and Stardust were very close She met him when she saw him as a little boy with big eyes Their love was stronger than words and wen
