The Mystery Teaching of the Bible Daisy E. Grove, 2005-12-01 A symbol for the evolving spirit in man which recurs frequently in the Bible is that of the Builder It is mind that moulds matter on every plane of existence From the womb of Infinite Mind issues the creative thought or word Logos which fashions the universe The Great Architect conceives the plan and through the operation of his will his wisdom his activity it ultimately takes form and substance from Chapter III The Builder This inner interpretation of the Christian Bible first published in 1925 looks at Scripture through a theosophical eye shifting the mystical meaning of one of the world's great works of classical literature through the pan religious philosophy that was immensely popular in the early 20th century From the occult meaning of numbers sacred nomenclature and symbology of women in the Bible to their connection to Hinduism Buddhism and the religion of ancient Egypt this unusual work of comparative mythology will intrigue those seeking an uncommon spiritual path DAISY E GROVE is also the author of *The Apocalypse and Initiation* 1926 [The Rosicrucian Mysteries: An Elementary Exposition of Their Secret Teachings](#) Max Heindel, 2022-07-20 In *The Rosicrucian Mysteries An Elementary Exposition of Their Secret Teachings* Max Heindel presents a thorough exploration of the esoteric principles and spiritual philosophies attributed to the Rosicrucian order This work is characterized by its accessible prose and structured approach to complex mystical concepts making it a pivotal text in the modern esoteric tradition Heindel delves into the traditions of alchemy astrology and symbolic spirituality situating them within the broader context of Western occultism and mysticism Through illuminating discussions he elucidates the path of the seeker toward higher knowledge and spiritual awakening Max Heindel an influential figure in the early 20th century spiritual movement was deeply influenced by his own mystical experiences including a profound revelation about the nature of human existence His background in philosophy and theosophy fueled his quest to distill the intricate teachings of the Rosicrucians into a framework accessible to the layperson Heindel founded the Rosicrucian Fellowship aiming to preserve and disseminate this ancient wisdom thus highlighting his commitment to spiritual enlightenment for all This book serves as an essential guide for anyone interested in esoteric traditions and the quest for spiritual understanding Heindel's clear and engaging style coupled with his profound insights makes it a valuable resource for both novices and experienced practitioners I highly recommend *The Rosicrucian Mysteries* as not only a scholarly examination of secret teachings but also as a practical handbook for personal transformation [The Mystery-Teaching of the Bible, Etc](#) Daisy E. Teaching the Bible in the Church John Bracke, Karen Tye, 2003-01-01 This interdisciplinary conversation combines educational theory with Bible scholarship to help teachers of the Bible move beyond conveying information to revealing the transformative power of the scripture **Teaching the Mystery of God to Children** Judy Gattis Smith, 2005 This is a book of clues clues to the awe and immensity of God that will lead children to think about rather than learn about God Instead of teaching in the traditional sense it provides clues for a shared journey toward discovering the Divine Mystery at the core of

the universe The recent trend in Christian education has been to emphasize knowledge and to make church school more fun and entertaining But in our zeal to pass on the basics of the faith we have often neglected to guide children into truly experiencing the full wonder of the almighty We have taught them about religion but we have not always helped them to establish a deep and meaningful relationship with God This book approaches the mission from a different perspective one that identifies and reaffirms the spiritual experiences young people are already having Each chapter suggest numerous ideas for use in classes as well as a Time to Reflect section for adults to recall and meditate on their own spiritual life as children Teaching The Mystery Of God To Children is an essential resource for any parent or church school teacher who is interested in the spiritual development of their children Subjects discussed include The Bible Art Symbols Music Sounds Movement Words Poetry Nature Sacred Space Koans and Miracles Death Judy Gattis Smith is the author of more than a dozen books including Teaching to Wonder Planting Spiritual Seeds and Developing a Child s Spiritual Growth through the Senses Abingdon She has also written three books for grandmothers and she is a regular contributor to Episcopal Teacher magazine Smith has led more than 200 workshops and seminars and has been a keynote speaker at conferences throughout the United States

Mysteries of the Bible Glenn Ahrens,2022-07-06 There are so many stories and rumors about the Bible that it really frustrates me From the lost books of the Bible to interpretations that are not even close to the real thing As Christians we profess to believe in one God and one Bible The million dollar question is how do we get well over nine thousand different religions that all claim to believe in the same thing After fifteen years of research and scholastic training I wrote this book with the purpose of getting out the truth about the Bible going back to the original Greek and Hebrew and eyewitness accounts from people that lived in the time of Jesus I categorically prove step by step how despite the diverse sources and writers of the Bible all the books of the Bible belong where they are and are divinely inspired or divinely written Also that every book chapter and verse belongs exactly where it is and fits together like a puzzle There is an intricate web of mysteries that tie it all together I thoroughly explain seven of these mysteries and how they hold the Bible together It is time that the truth be known about the Bible and have the stories and rumors put to rest for once and for all I spent over fifteen years of my life dedicated to that This book is based solely on fact and history with no interpretations added unless I say it s my opinion

Christianity and the Secret Teachings of the Masonic Lodge John Ankerberg,John Weldon,2011-09-30 Is there anything wrong with a Christian being a member of the Lodge Are you a Christian pastor who has studied Masonry found nothing wrong with it and so you have not warned your members and possibly even joined the Lodge yourself Does your church allow Masons to serve on your boards to teach the Bible in Sunday School and serve in other positions of influence and leadership In this book we will document from the Masonic Ritual the authoritative book given to a person who enters and becomes a member of the Lodge how Masonry conflicts and denies foundational Christian truths Masons are promised that nothing in Masonry s teachings will ever conflict with their own Christian belief Has Masonry lied to or deceived

The Secret Teachings of the Masonic Lodge John Ankerberg, John Weldon, 1990-04-08 Is Masonry nothing more than a harmless brotherhood a club for men Or is there more behind the camaraderie This in depth book probes the secret teachings and oaths revealing how Masonry conflicts with the very foundations of Christianity **Nuggets of Truth: A Bible Student's Devotional and A Bible Teacher's Resource Handbook** Dr. John Mannion, 2020-11-17 Inspirational writing meets Bible commentary Nuggets of Truth stands as a different kind of devotional It is perhaps more in

keeping with Oswald Chamber's *My Utmost for His Highest* in that it is meant to teach more than it is meant to simply inspire. Not that each Nugget of Truth does not inspire. On the contrary, it stands as a very inspirational book even as the Scriptures themselves never fail to inspire. Indeed, the content of each individual devotional is full of Scripture. Each Nugget of Truth is designed to provide the reader with a short Bible study. Hence, the reader is more of a student than simply a reader. The considerable content of each day's study digs deep enough with a pointed focus that the student effectively goes through a mini Bible college program once having gone through the entire year. The sub-title of *Nuggets of Truth: A Bible Student's Devotional and A Bible Teacher's Resource Handbook* reveals the two-fold purpose and use of this book. It is meant to be a devotional for Bible students and for Bible teachers. In keeping with this second purpose, the devotional is exhaustively indexed. With its indexes, *Nuggets of Truth* can be used by Bible teachers as a resource for their teaching ministries. 80 pages of downloadable indices provided with purchase. *The Theosophist*, 1899. *The Book of Mysteries* Jonathan Cahn, 2016. A traveler goes on a year-long journey with a man known only as The Teacher and absorbs a new teaching on spiritual truths for every day of the year. *Studies in the Scriptures: The finished mystery*. 1918 Charles Taze Russell, 1917. **The Rosicrucian Mysteries** Max Heindel, 1916. **Mystery and Meaning** Gebre Menfes Kidus, 2011-08-05. MYSTERY and MEANING is a compilation of inspirational quotes, mystical prose, philosophical polemics, and poetic verse from the mind and heart of GEBRE MENFES KIDUS, Servant of the Holy Spirit. The author's words provide a unique and valuable perspective on many of the vital religious, social, and moral issues of our time. Gebre Menfes Kidus balances contemplative reflections with impassioned argument, leaving the reader both challenged and inspired. These essays and aphorisms provide edification for the philosopher, the theologian, the spiritual seeker, and the lay Christian. The author addresses a variety of topics such as Orthodox Theology, Spiritual Warfare, Mysticism, Social Justice, Metaphysics, Christian Pacifism, Biblical Commentary, Human Rights, The Teachings of the Ethiopian Orthodox Church. This book was written with the permission and blessing of the author's Priest Tsebate YemaneBrhane Asrat GebreMariam. All opinions and views contained within are subject to the scrutiny and correction of the Ethiopian Orthodox Tewahedo Church. **THE CANON IN RESIDENCE (British Mystery Classic)** Victor L.
