Relitz,2012-06-01 The Legends of many cultures claim that the world was once destroyed in a cataclysmic flood Many
cultures also claim that someday the world will again be destroyed in a similar fashion In the Bible we are told that the
disciples once asked Jesus if there would be a warning sign prior to this destructive event He said that there would indeed a
sign Jesus said that whatever was happening in the Days of Noah will happen again before the end of this age The Bible has
only a few verses about Noah s Flood So we are forced to turn to the ancient flood legends of over 350 other cultures to learn
more about this prophecy But Noah s days did not end with the flood he lived for many years afterward He saw the creation
of a tower in Babylon This is interesting because the Freemasons claim that their Order originated here Here is the most
thorough examination of Freemasonry ever undertaken using their own texts to solve the Days of Noah prophecy
