The Mystery of Christ and His Church Erich P. McCandless, 2012 The Bible is full of self-proclaimed mysteries While most mysteries are clearly resolved through in the written word of God others will only be completely brought to light when we step into eternity The mystery of the relationship between Christ and His local churches is a perfect example This book uses a lot of Scripture to bring to sharp focus what modern Christendom has made nebulous or fuzzy Dr McCandless takes an honest look at the Hebrew cultural wedding traditions and sheds much light on this mystery If you are a student of Scripture who holds that the work of the Lord is to be accomplished through His New Testament churches put this book on your Must Read list

The Mystery of Christ . . . and Why We Don't Get It Robert Farrar Capon, 1993-10-19 Widely recognized as a creative insightful writer Robert Farrar Capon offers still more of his uniquely provocative fare in The Mystery of Christ and Why We Don't Get It This engaging book probes the meaning of salvation peace forgiveness grace reconciliation spoken of in the New Testament as a mystery Reminding his readers sometimes in startling ways that salvation is a gift rather than a transaction Capon uses a variety of dialogues to drive home the truth that there is therefore now no condemnation for those who are in Christ Jesus Along the

way he explores guilt forgiveness love anger romance grief spiritual contentment the Incarnation reincarnation resurrection and more and manages to make salvation something fresh and new in the process *The Mystery of Jesus* Savinien Louismet,1922 **The Mystery of Jesus** Dom Louismet,2013-03-16 The treatise is divided into three distinct parts thus 1 Preliminaries 2 The amazing human life of Christ on earth 3 Mighty sequels in time and eternity to the human life of Christ on earth Mysteries both natural and supernatural surround us press us and penetrate us on all sides We are simply steeped in mysteries We are to our very selves and each one of the brethren is to us a mystery or rather a sheaf of mysteries The material universe we are in is an enormous congeries of mysteries in the inscrutable depths of the firmament in the atmosphere which envelops our planet above and beneath the surface of the earth in the oceans are found mysteries upon mysteries and mysteries within mysteries Indeed when we meditate on these truths we realize just how awesome God really is Let us consider the outline of the contemplation of this work I N the great mystery of Jesus we can consider three distinct sets of mysteries namely 1 The mysteries of His sacred Flesh and Blood 2 Those of His blessed human soul and 3 Those of His pure Godhead It is the contemplation of the sacred humanity of Our Lord that is to say of His human body and soul which will engross our attention in these pages And let us return WHOSOEVER pays loving reverence to the person of our Lord Jesus Christ the Word made flesh pays also loving reverence to His most Sacred Heart It does not matter whether he realizes this or not or actually think of it or not This consideration is very sweet and comforting It shows that the devotion to the Sacred Heart has been at least implicitly practised by the Church and all her children from the very beginning Even heretics when pious and in good faith as is the case with a certain number of them practise this devotion in spite of themselves and at the very time that they are condemning it in the Catholic Church Indeed the Worship of the Sacred Heart is most appropriate for these times God loves us and the Sacred Heart is a great demonstration of this love He devotes a chapter to other works on our Lord Jesus Christ The order I follow is this beginning with contemporary books on Our Lord I work my way up through the centuries to the very first where we reach at last the bedrock foundation of the four Gospels and the rest of the Scriptures I could not use the word Christology in this connection because it is too learned a word for many of my readers and also because the words at the head of this chapter allow of a larger scope in the choice of books to be recommended The second part of this work explores the amazing life of Jesus Christ Let us consider Jesus at four years old a bit At the age of four the Child Jesus was growing wholly gracious Still small enough to be taken up and carried in arms an action which Mary and Joseph would do with unspeakable rapture yet big enough to walk alone and to make much happy stir in the house and round about it The Child Jesus began to smile to laugh and prattle and to enter upon an innocent and happy life like other dear little children of that age I cannot imagine the Child Jesus frowning No doubt from time to time His sweet Mother and His foster father had suddenly come upon Him and found Him rapt in a state of prayer infinitely beyond His age but as a rule His appearance and conduct were those of the most beautiful perfect natural and loving little child that ever existed The

Mystery of Christ Keith Ward, 2018-03-15 Keith Ward makes complex matters readily accessible Rowan Williams At the heart of Christian faith lies a vision of Christ present at the beginning of creation in the crucified and risen Jesus and at the end of all things This vision retains its ancient power and gains new depth as it is reshaped in the light of our advanced understanding of a vast and evolving cosmos To help us form a truly contemporary Christian spirituality Keith Ward writing in our own time and place rather than the fourteenth century of Julian of Norwich or the twentieth of Thomas Merton offers a set of reflections on what he believes to be the unique and life transforming revelation of God in the person of Jesus Christ And as we explore the spiritual truths relating to this mystery expressed in the Gospels meditation leads naturally to prayer

The Experience of Christ Witness Lee, 1978 **The Mystery of Jesus Christ** F. Ocariz, 1994 The Holy Word for Morning Revival - Experiencing, Enjoying, and Expressing Christ (2), Vol. 4 Witness Lee, Watchman Nee, 2025-03-31 This book is intended as an aid to believers in developing a daily time of morning revival with the Lord in His word At the same time it provides a limited review of the semiannual training held December 23-28, 2024 in Anaheim California on Experiencing Enjoying and Expressing Christ 2 Through intimate contact with the Lord in His word the believers can be constituted with life and truth and thereby equipped to prophesy in the meetings of the church unto the building up of the Body of Christ **The Mystery of Christ** John Behr, 2006 By returning to the methodology of the early Church Fr John Behr a renowned patristics scholar invites readers to approach the mystery of Christ in the same way that the first disciples of Jesus Christ learned theology His vision of Christian theology written in a systematic manner offers a way out of the problems that have beset theology and scriptural study in recent centuries BOOK JACKET The Christian Mystery Louis Bouyer, 2004-07-10 Mysticism has a place in all the major world religions This book begins with the assertion that Christian Mysticism in its most essential state is the mystery of Christ's union with God Certain major theologians including Albert Ritschl and Karl Barth have stood in opposition to the concept of mysticism and have even suggested that it is opposite to the heart of the Gospel and indeed the whole Bible Yet Bouyer here makes a strong argument for understanding Mysticism as central to the Christian faith This analysis of mysticism is contrasted with its place in pagan religions and its role throughout Christian history In so doing Bouyer reveals the significance of mysticism for understanding the meaning of life
