Mystery Of Metropolisville:

The Mystery of Metropolisville Edward Eggleston, 2000-01-01 No leader of a cavalry charge ever put more authority into his tones than did Whisky Jim as he drew the lines over his four bay horses in the streets of Red Owl Landing a village two years old boasting three thousand inhabitants and a certain prospect of having four thousand a month later Even ministers poets and writers of unworldly romances are sometimes influenced by mercenary considerations But stage drivers are entirely consecrated to their high calling Here was Whisky Jim in the very streets of Red Owl in the spring of the year 1856 when money was worth five and six per cent a month on bond and mortgage when corner lots doubled in value over night when everybody was frantically trying to swindle everybody else here was Whisky Jim with the infatuation of a life long devotion to horse flesh utterly oblivious to the chances of robbing green emigrants which a season of speculation affords He was secure from the infection You might have shown him a gold mine under the very feet of his wheel horses and he could not have worked it twenty four hours He had an itching palm which could be satisfied with nothing but the ribbons drawn over the backs of a four in hand The coach moved away slowly at first from the front door of the large rectangular unpainted Red Owl Hotel dragging its wheels heavily through the soft turf of a Main street from which the cotton wood trees had been cut down but in which the stumps were still standing and which remained as innocent of all pavement as when three years before the chief whose name it bore loaded his worldly goods upon the back of his oldest and ugliest wife slung his gun over his shoulder and started mournfully away from the home of his fathers which he shiftless fellow had bargained away to the white man for an annuity of powder and blankets and a little money to be quickly spent for whisky And yet I might add digressively there is comfort in the saddest situations Even the venerable Red Owl bidding adieu to the home of his ancestors found solace in the sweet hope of returning under favorable circumstances to scalp the white man s wife and children Git up thair G lang The long whip swung round and cracked threateningly over the haunches of the leaders making them start suddenly as the coach went round a corner and dipped into a hole at the same instant nearly throwing the driver and the passenger who was enjoying the outride with him from their seats What a hole said the passenger a studious looking young man with an entomologist s tin collecting box slung over his shoulders
