Mystery Of Mysteries:

Unity, 1916 **The Prayers of the New Missal** Anscar J. Chupungco, 2013-05-01 After the publication of The Roman Missal Third Edition much attention was given to the catechesis of the clergy and the faithful on the Order of Mass which contains the chief theological and spiritual elements of the eucharistic celebration In The Prayers of the New Missal Anscar J Chupungco expands the reader's focus to the other parts of the Mass namely the orations or the Collect Prayer over the Offerings Prayer after Communion and Prayer over the People He demonstrates that these elements too are a rich source of doctrine and spirituality waiting to be shared with others through homily and catechesis Preachers and catechists will especially appreciate Father Chupungco's recommendations for approaching the difficult and sometimes vexing structure and vocabulary of the new Missal He offers helpful exercises for analyzing the Latin texts comparing the original and the English versions and crafting provisional literal translations that will aid in easier comprehension Finally he concludes with an ample sampling of homiletic and catechetical notes that will serve as a rich source of nourishment for preaching and catechesis Anscar J Chupungco OSB who passed away in 2013 was a member of the Abbey of Our Lady of Montserrat in the Philippines He was president of the Pontifical Liturgical Institute in Rome and is currently director of Paul VI Institute of Liturgy in the Philippines In 2011 the Federation of Diocesan Liturgical Commissions presented to him the Frederick R McManus Award for his contribution to pastoral liturgy He authored many books including What Then Is Liturgy Musings and Memoir Liturgical Press 2010 Richard's Bible Commentary Richard Hirsch, 2020-04-14 This is a Layman's compilation of what the scripture literally says apart from modification by denominational doctrine theological views or historical interpretations It is intended as an aid to other lay persons to obtain a better and truer understanding of scriptures as contained in contemporary translations of the Bible Special emphasis is given to the unfolding of God's endtimes scenario as foretold by Jesus Christ in His Olivet Discourse and as further outlined in the Book of Revelation A special 8 page recap of this prophecy is provided Library of Congress Subject Headings Library of Congress, Library of Congress. Wenell, 2024-08-22 This book offers a new multidisciplinary way of thinking about the Kingdom of God which fully recognises its sociological and spatial significance in performing boundaries of the sacred Though spatial critical perspectives have been increasingly recognised as important across many disciplines the significance of non physical religious spaces and their correspondence

to boundaries of the sacred has not been explored fully and never using the specific example of the Kingdom of God Wenell considers the diverse and sometimes contradictory articulation of the Kingdom in the gospels as well as the ways that Kingdom language frames contemporary ethical debates Her study of the Kingdom is located within the wider study of religion affording the opportunity to investigate connections between space belonging and the sacred Wenell structures her investigation in four key areas that engage with the Kingdom in different but theoretically interconnected ways She begins by setting out a theory of sacred space that is capable of including the Kingdom and establishing key concepts such as boundary performance physical non physical spatiality spokespersons and controversy Wenell then focuses on the synoptic gospels and the origins of the Kingdom noting aspects of uncertainty as well as areas of agreement and controversy over boundaries of the sacred in these uniquely interrelated texts The third and fourth areas of investigation move into cultural reception considering instances where the Kingdom is formative for identity and ethical relationships both in individual and wider group belonging terms Specific reference is made to issues of ethical consuming and displacement placing the Kingdom in dialogue with Bauman s discussion of a society of consumers and Arendt s notion of equitable co habitation of the earth
