desert then left to meet with Hitler Now Sharon Hoyt with her seductive Western ways finds herself attracted to an Arab police chief and mixed up in the ex Nazis search for Rommel s gold Will she be able to get out of the crossfire of a brewing Middle East conflict

Chasing Gold George M Taber,2014-12-15 For the entire history of human civilization gold has enraptured people around the globe The Nazis was no less enthralled by it and felt that gold was the solution to funding Hitler s war machine Gold was also on the mind of FDR across the Atlantic as he worked with Europe s other leaders to bring the United States and the rest of the world out of a severe depression FDR was hardly the first head of state to turn to gold in difficult times Throughout history it has been the refuge of both nations and people in trouble working at times when nothing else does Desperate people can buy a loaf of bread or bribe a border guard Gold can get desperate nations oil to keep tanks running or munitions to fight a war If the price is right there is always someone somewhere willing to buy or sell gold And it was to become the Nazi s most important medium of exchange during the war Chasing Gold is the story of how the Nazis attempted to grab Europe s gold to finance history s bloodiest war It is filled with high drama and close escapes laying bare the palate of human emotions Walking through the tale are giants of world history as well as ordinary people called upon to undertake heroic action in an extraordinary time

Churchill's German Special Forces Paul Moorcraft,2023-02-22 The existence of German speaking units fighting for the Allied cause during WW2 has remained largely a well kept secret But seventy five years on these units contribution to victory needs to be fully acknowledged Prime Minister Winston Churchill had no qualms about using native German speakers from Austria Poland Czechoslovakia and of course Germany itself The majority were Jews who had fled persecution Two examples of these secret units were X Troop Commandos and the Special Interrogation Group The SIG men deserve their legendary status They fought and often died wearing Wehrmacht uniform As this superbly researched book reveals that after infiltrating Field Marshal Rommel s Afrika Korps one detachment even drew Nazi pay Inevitably once the existence of SIG units became known their immediate execution on capture was ordered unless their temporary reprieve would reveal intelligence under torture We learn how Churchill s initiative was copied by both the Americans and the Russians Post war SIG and X Troop survivors joined British special forces or were used to hunt down Nazi war criminals All this and more is covered in this ground breaking book by a writer who is both a leading historian and foreign correspondent
