The Dark Canyon Micah S. Hackler, Author of Legend of the Dead Coyote Returns and The Shadow Catcher IN A RUGGED LAND STEEPED IN THE BLOOD OF HISTORY A KILLER HAS COME BACK FOR REVENGE NEW BLOOD ON AN ANCIENT GROUND In an air conditioned university office a man lies dead brutally bludgeoned A hundred miles away in the high arid New Mexico mountain country that Sheriff Cliff Lansing is sworn to protect an animal is devastating ranchers livestock and is now turning to human prey For Lansing the two cases are linked The murder vic tim was part of an archaeological dig and a local Indian believes that the animal killings have been unleashed by the excavations Struggling to put together the jagged pieces of a puzzle Lansing unearths a mystery of a missing emerald carving a one hundred year old diary and a man accused of a crime he did not commit To stop the bloodshed Lansing must throw out every thing he has ever believed about police work evidence and reason Because between an archaeologist s ambi tions and the secrets still hidden in the land Lansing must follow his own trail of myth legend and intuition to find a very real killer stalking the night **Tewa Worlds** Samuel Duwe,2020-04-21 Tewa Worlds tells a history of eight centuries of the Tewa people set among their ancestral homeland in northern New Mexico Bounded by four sacred peaks and bisected by the Rio Grande this is where the Tewa after centuries of living across a vast territory reunited and forged a unique type of village life It later became an epicenter of colonialism for within its boundaries are both the ruins of the first Spanish colonial capital and the birthplace of the atomic bomb Yet through this dramatic change the Tewa have endured and today maintain deep connections with their villages and a landscape imbued with memory and meaning Anthropologists have long trekked through Tewa country but the literature remains deeply fractured among the present and the past nuanced ethnographic description and a growing body of archaeological research Samuel Duwe bridges this divide by drawing from contemporary Pueblo philosophical and historical discourse to view the long arc of Tewa history as a continuous journey The result is a unique history that gives weight to the deep past colonial encounters and modern challenges with the understanding that the same concepts of continuity and

change have guided the people in the past and present and will continue to do so in the future Focusing on a decade of fieldwork in the northern portion of the Tewa world the Rio Chama Valley Duwe explores how incorporating Pueblo concepts of time and space in archaeological interpretation critically reframes ideas of origins ethnogenesis and abandonment It also allows archaeologists to appreciate something that the Tewa have always known that there are strong and deep ties that extend beyond modern reservation boundaries **Trinity Fields** Bradford Morrow,2011-02-15 DIVTwo Los Alamos boys forge a friendship in the shadow of their parents history changing work developing nuclear weapons div DIVIn many ways Los Alamos is an ideal place for best friends Brice McCarthy and Kip Calder to grow up There s wilderness to explore brilliant and fascinating people including their own parents and neighbors and a booming wartime economy Still the town was built for one purpose to manufacture a weapon capable of total annihilation As the two boys grow and the United States enters the Vietnam War the psychic fallout of their parents deeds pushes Brice and Kip toward opposite sides in the conflict one a soldier the other an antiwar activist even as they come to love the same woman divDIV divDIVTrinity Fields is a sweeping saga of American life in the atomic age that brilliantly illuminates the soul of a nation div **Book Review Index**

,2004 Every 3rd issue is a quarterly cumulation In Search of the Old Ones David Roberts,2010-05-11 An exuberant hands on fly on the wall account that combines the thrill of canyoneering and rock climbing with the intellectual sleuthing of archaeology to explore the Anasazi David Roberts describes the culture of the Anasazi the name means enemy ancestors in Navajo who once inhabited the Colorado Plateau and whose modern descendants are the Hopi Indians of Arizona Archaeologists Roberts writes have been puzzling over the Anasazi for more than a century trying to determine the environmental and cultural stresses that caused their society to collapse 700 years ago He guides us through controversies in the historical record among them the haunting question of whether the Anasazi committed acts of cannibalism Roberts s book is full of up to date thinking on the culture of the ancient people who lived in the harsh desert country of the Southwest
