

A photograph of a small, bright orange fire burning in a pile of dry, brown leaves on a forest floor. The fire is the central focus, with its flames rising from the leaf litter. In the upper left corner, the lower legs and feet of several people are visible, suggesting they are observing the fire. The ground is covered with a thick layer of dry leaves and some small twigs. The overall scene is dimly lit, with the fire providing the primary light source.

Young Men and Fire Norman MacLean,2017-05-01 National Book Critics Circle Award Winner The terrifying story of the worst disaster in the history of the US Forest Service s elite Smokejumpers Kirkus Reviews A devastating and lyrical work of nonfiction Young Men and Fire describes the events of August 5 1949 when a crew of fifteen of the US Forest Service s elite airborne firefighters the Smokejumpers stepped into the sky above a remote forest fire in the Montana wilderness Two hours after their jump all but three of the men were dead or mortally burned

Haunted by these deaths for forty years Norman Maclean puts together the scattered pieces of the Mann Gulch tragedy in this extraordinary book. Alongside Maclean's now canonical *A River Runs Through It* and *Other Stories*, *Young Men and Fire* is recognized today as a classic of the American West. This edition of Maclean's later triumph, the last book he would write, includes a powerful new foreword by Timothy Egan, author of *The Big Burn* and *The Worst Hard Time*. As moving and profound as when it was first published, *Young Men and Fire* honors the literary legacy of a man who gave voice to an essential corner of the American soul. A moving account of humanity, nature, and the perseverance of the human spirit. Library Journal, Haunting The Wall Street Journal, Engrossing Publishers Weekly. **House on Fire!** Ken Jennings, Michael J. McCormick, 2019-09-03. A tale of leadership in a class of its own, *House on Fire*, winner of the 2020 Next Generation Indie Book Award, moves past tips and techniques to uncover the heart of leadership transformation that occurs when people see differently and serve differently. *House on Fire* follows Sophie, a young investigative journalist searching for answers whose sources for a story on leadership principles in a high purpose organization get mixed up in a series of mysterious fires around Pittsburgh. Along the way, Sophie meets Jeb, a handsome firefighter and leadership partner at The House who is working to determine who is behind the mysterious fires targeting local Christians. Despite herself, Sophie finds herself falling for Jeb, and tension mounts as she comes face to face with her past. Will Sophie confront her fear of fire and help solve the arsons before Jeb gets hurt or worse? Based on the conviction that leadership transformation in the real world is more caught in the context of community than taught by a single textbook, Ken Jennings and Mike McCormick brilliantly bring leadership development to life through an integrated team of characters, each contributing to the personal growth of the others. Fit for the new landscape of leadership, *House on Fire* specifically helps those navigating the shift from leading a company to leading a cause, from command and control to team empowerment, or from leading an organization to transforming a community. Readers follow Sophie as she explores the intersection of faith and Servant Leadership in high purpose organizations and discover how to put Serving Leadership to work in their own high purpose organization today.
