Moore,1986 While accompanying their father to Wyalusing Pennsylvania to do research on a French refugee settlement of 200 years ago twins Sam and Sara become involved in a search for the valuable stolen pendant of an Indian princess      *Reading Mennonite Writing* Robert Zacharias,2022-05-12 Mennonite literature has long been viewed as an expression of community identity However scholars in Mennonite literary studies have urged a reconsideration of the field s past and a reconceptualization of its future This is exactly what *Reading Mennonite Writing* does Drawing on the transnational turn in literary studies Robert Zacharias positions Mennonite literature in North America as a mode of circulation and reading rather than an expression of a distinct community He tests this reframing with a series of methodological experiments that open new avenues of critical engagement with the field s unique configuration of faith based intercultural difference These include cross sectional readings in nonnarrative literary history archival readings of transatlantic life writing Canadian rewritings of Mexican film s deployment of Mennonite theology as fantasy an examination of the fetishistic structure of ethnicity as a thing that has enabled Mennonite identity to function in a post identity age and finally a tentative reinvestment in ideals of Mennonite community via the surprising routes of queerness and speculative fiction In so doing Zacharias reads Mennonite writing in North America as a useful case study in the shifting position of minor literatures in the wake of the transnational turn Theoretically sophisticated this study of minor transnationalism will appeal to specialists in Mennonite literature and to scholars working in the broader field of transnational literary studies      *The Christmas Surprise* Ruth Nulton Moore,2007-04-09 When Indians burn her home kill her parents and take her young brother captive Kate Stewart has no one to turn to but Uncle Josh a circuit rider in the back country of Pennsylvania Her uncle takes Kate to the Moravian town of Bethlehem where he thinks she will be safe during the fall of 1775 While staying in Bethlehem Kate tries to understand the Moravians love of peace and their friendship with all people friends and enemies alike But her hatred of Indians grows as she watches the endless stream of frightened refugees come to the town for shelter from Delaware and Shawnee raids in the French and Indian War Word reaches Bethlehem that the Indians plan to attack the town on Christmas Eve Kate wonders at the peace loving Moravians who calmly go about their work and continue their plans for the Christmas surprise for the children During that fateful Christmas Eve Kate discovers that true strength lies in peace with all people and in trusting God
