## **Mystic Rebel:**

**Mystic, Rebel, Saint** : José C. Nieto, 1979      *A Rebel Chick Mystic's Guide* Lisa Marie Selow, 2012-11-26 This is a book for brave nonconformist women or for those who aspire to be written from the heart and soul of a spiritual rocker chick. Lifelong psychic Lisa Marie Selow leads you to uncover your true self, reveal your life purpose, and carve out your spiritual path. She invites you to engage in positive rebellion by subverting your good girl persona, letting go of limiting beliefs that you've inherited, and creating your own definition of perfect. Lisa encourages you to be a different type of rebel, one that defies the stereotype of a misfit loner without a cause. Instead, you're called to make a difference, rocking the world with your unique gifts and talents. Through enjoyable, engaging exercises, you'll create your very own manual for living according to your own rules. You can, as a modern mystic, drop out of the School of Hard Knocks. For instance, Lisa shares compelling stories from her own life, as well as those of other women, including mentors from history, to illustrate how you can radically rewrite your life story. Starting your journey from the premise that you already are perfect, *A Rebel Chick Mystic's Guide* will help you excavate the real you, and in the process, you'll be guided to design action plans to move forward with the dreams and goals that make you the unique and amazing person you are.

**The Mystic's Map** Rev. Carol Bodeau PhD, 2017-03-27 Many of us today are on a quest for deeper meaning, for greater peace, and for a steady connection to a source of well-being. But we aren't sure how to find these things. How do we know which path is right for us, or if we're in the right place on the way? How do we assess our own progress, or know what next step to take? *The Mystic's Map* is an outline for the spiritual journey. No matter where you are on your own spiritual quest—just starting out well on your way, or perhaps feeling stalled in your progress—*The Mystic's Map* offers you insight and inspiration for charting your own unique course. Through the author's personal stories and stories from her clients and companions, you will be inspired to move forward. And through numerous practical exercises and bits of wisdom from many spiritual traditions, *The Mystic's Map* gives you the tools you need to take the next step.
