MYSTIC CHRISTIANITY Or, The Inner Teachings of the Master YOGI RAMACHARAKA, **Mystic Christianity** Yogi Ramacharaka, 2019-09-25 Reproduction of the original Mystic Christianity by Yogi Ramacharaka Mystic Christianity: Or, The Inner Teachings of the Master William Walker Atkinson, 2020-09-28 **Mystic Christianity; Or, The Inner Teachings of the Master** William Walker Atkinson, 2019-11-25 In Mystic Christianity Or The Inner Teachings of the Master William Walker Atkinson ventures into the profound spiritual insights of Christianity reframing traditional dogma through an esoteric lens Employing a straightforward yet contemplative literary style Atkinson elaborates on the mystical dimensions of Christian teachings focusing on personal transformation and the inner experiences that lead to spiritual awakening This work is positioned within the broader context of the New Thought movement reflecting an era that sought to reconcile religion with emerging psychological and metaphysical ideas thereby inviting readers to explore deeper truths beyond conventional scriptural interpretations William Walker Atkinson was a prolific writer and a pivotal figure in the New Thought movement known for his exploration of metaphysics self help and spiritual philosophy His background in law coupled with deep interests in philosophy and mysticism uniquely equipped him to challenge the orthodox perspectives of his time Atkinson s journey through various spiritual practices including yoga and Eastern philosophies profoundly influenced his writings and propelled him to delve into the mystical essence of Christianity offering alternative viewpoints to Western religious thought I highly recommend Mystic Christianity to those who seek a richer understanding of Christ s teachings beyond the dogmatic boundaries of organized religion Atkinson s insights encourage readers to embark on a personal quest for spiritual authenticity making this book an essential read for anyone interested in the intersections of faith mysticism and personal growth **Mystic Christianity Or the Inner Teachings of the Master** Atkinson, 1907 Mystic Christianity the Inner Teachings of the Master Yogi Ramacharaka, Summit Classic Press, G. Edward Bandy, 2014-07-03 For over 100 years western students have been aided by the teachings of Yogi Ramacharaka Generations of students have found the study of the Ramacharaka texts and the practice of his teachings to be a valuable step in the attainment of wisdom awareness and improved health of mind body and spirit This collector quality edition includes the complete text of this enduring classic in a freshly edited and newly typeset edition With a generous 6x9 page size this Summit Classic edition is printed on heavyweight bright white paper with a fully laminated cover featuring an original full color design Also included is an original detailed biographical sketch discussing the life and work of the secretive author Mystic Christianity is a comprehensive study of the influence and impact of the beliefs concepts principles and philosophy of ancient Judaic and eastern mysticism and the Kabbalah on the religion of Christianity Presented in a straightforward manner in plain language the text guides the reader through a study of the ancient mystic and occult doctrines which form the basis of much of the Christian Doctrine as presented in the New Testament of the Christian Bible Drawing on both ancient and more modern sources the text sheds

light on many of the most confusing mysterious and paradoxical episodes in the life teaching and philosophy of Jesus Christ revealing Him not as the creator of an entirely new belief system but as the master and teacher of an ancient system of knowledge and beliefs comprising the Inner Teachings previously known only to a handful of initiates Whether as an introduction for beginners or a self study guide for more advanced readers the systematic straightforward style of the work makes the often abstract and mysterious concepts accessible to all readers as it explores the role of ancient wisdom and knowledge in the teachings of Jesus and the later entry through various means of concepts which distorted and confused the original message of the Master a message of the oneness of the universe and the place of man collectively and individually in that universe a universe where there are universal laws at work and universal truths at the heart of existence Like much of the author s work the text teaches that the discovery and understanding of these universal laws and truths can be applied to improve the life of the individual and that humankind s growth and development is an ongoing process which should be directed at the discovery and application of these principles But the message is also directed to each individual for each individual is capable of understanding some part of the universal truth and the application of that part which is within the grasp of the individual will further the mental and spiritual growth and development of that individual This book is most emphatically NOT an overt rejection of Jesus or his teachings or the central message of Christianity But it strips away layers of misleading information added to that message in the ensuing years by often well meaning disciples and believers who confused and obscured the real teachings of Jesus teachings grounded in an ancient and mysterious wisdom

 Most Christians think of words like meditation and mysticism as words related merely to Eastern Religions and philosophies
 However as this volume asserts concepts such as mysticism was and is a vital part of Christian spirituality The author William
