The Mystic Masters Speak Richard Dale Lode,

Reverend, 2017-01-21 The words of the Mystic Masters will enlighten the readers life What you want also wants you If you seek the celestial the celestial also seeks you There are no unanswered requests in the universe If we do not like what we are receiving we can learn to ask for something different A man feared that truth wished to destroy something of value within him So day and night he battled and evaded truth He even tried to twist truth into being what he wanted it to be which left him defeated But he finally saw that truth wished only to end everything worthless and anxious within him As a new man he said to truth Thank you for not giving in to my immaturity
