Mystic Sojourn:

The Letters Saint Basil the Great, Aeterna Press, 2015-06-22 THE Letters of St Basil fittingly continue the series of Patristic writings in the Loeb Classical Library which has already published some of the works of Clement of Alexandria St Augustine and the Apostolic Fathers Apart from their historical significance these Letters are interesting as expressions of a striking personality There is so much in the man himself and so rich a variety in his experience that even in an age remarkable for men of force and character he is an outstanding figure Withdrawn for a time from contact with worldly affairs he is again in the very midst of them as bishop and theologian With a vigilant eye to the spiritual needs of his own diocese he is none the less deeply concerned for the preservation of the Faith against the attack open or insidious of Arianism Here and there in the Letters he gives us descriptions that are exquisite Occasionally in extolling the beauty of Christian virtue he becomes eloquent And when duty compels him to upbraid those in high places episcopal or imperial he is outspoken and fearless

From Mormon to Mystic Erin Jensen, 2014-11-26 *From Mormon to Mystic* Journey from Religious Disillusionment to Soulful Liberation chronicles the journey of a sixth generation Mormon woman She travels a path that takes her from a tightly knit and theologically strict religious community to the open expanses of a mystical understanding of reality Erin Jensen weaves together the account of her transformation and the strands of insight that come from James Fowlers Stages of Faith By rooting her narrative in the vivid details of the steps she takes along the way the author tells how she weathers her lifes challenges including a federal court witch trial and emerges from the depths of several dark nights of the soul While *From Mormon to Mystic* immerses itself in the details of one life it simultaneously offers guidance for anyone seeking to overcome the strictures of rigid systems of belief and behavior In its pages the reader will learn how to make his or her way toward freedom and wholeness by understanding how faith develops learning to work with shadow qualities practicing non attachment taking personal responsibility trusting ones ability to choose appreciating the power of total forgiveness connecting to inner sources of wisdom and embracing a state of consciousness filled with hope love and peace *From Mormon to Mystic* Journey from Religious Disillusionment to Soulful Liberation offers both a narrative of one womans path to spiritual freedom and a guide for others who seek their own way from the confines of their current circumstances to the liberation they desire to envision for the own futures

Lamb, 2001-07 Most of our lives are experienced in a conventional way We all have experienced those moments when events collide with our concepts of existence We usually dismiss them There are some events however not so easily dismissed When they occur they can be disconcerting This book tells a fascinating story of the co-existence of two worlds on a collision course Their existence and interaction is treated uniquely by the author It is a book you will not want to end **Modern Day Mystic** Thomas Lyons, 2005-04 Can we really bend spoons with our minds Do regular people have prophetic dreams Can spirits speak to us from beyond What does it really mean to be enlightened How you can develop healing hands Author Thomas Lyons has seen it all and shares hundreds of stories of mystical experience **A Shamanic Pneumatology in a Mystical Age of Sacred Sustainability** Jojo M.
