Mystic Way A Spiritual Autobiography:

A Mystic Way Nicholas Hagger,1994-01-01 The Mystic Way in Postmodernity Sue Yore,2009 This book challenges experiential esoteric and colloquial understandings of mysticism by bringing a fresh relevance to the term through an interdisciplinary dialogue between literature mysticism and theology in the context of postmodernity In order to achieve this the author takes selected writings of Iris Murdoch Denise Levertov and Annie Dillard and incorporates them into various stages of a redesigned mystic way The fourteenth century mystic Julian of Norwich is invoked throughout as a role model whom these three writers seek to emulate as popular writers contemplatives and theologians As theologians who are concerned with the pressing issues of our age Grace Jantzen Dorothee Soelle and Sallie McFague are drawn on as conversation partners to complete the three way discussion The author maintains that understanding the writing and reading of creative texts in the context of practical mysticism facilitates an integrated approach to the use of literature for theological expression The Mystic Way of Evangelism Elaine A. Heath,2017-11-07 Elaine Heath brings a fresh perspective to the theory and practice of evangelism by approaching it through contemplative spirituality This thoroughly revised edition includes a new study guide Praise for the First Edition Outreach Resource of the Year Award Winner Heath s biographies of the mystics are inspiring and her emphases on suffering and spiritual depth as the antidote to a prepackaged method obsessed consumer oriented evangelistic approach are refreshing Outreach **Spirituality** Kees Waaijman,2002 This textbook is a systematic guide to the extensive field of spirituality Kees Waaijman charts the multiform phenomenon of spirituality the spirituality of ordinary people the great spiritual traditions and the force of counter movements From the foundation of this survey he answers questions like What exactly is spirituality What forms can a scholarly approach take Finally the book provides methodic access to the study of spirituality focusing on the following questions Which are the different forms of spirituality and how can we describe them How can spiritual texts be given a reliable reading Which themes can be distinguished in the field of spirituality and what would be a meaningful way to address them What do we mean by spiritual guidance and what can we learn from it This textbook has no equal It is indispensable to scholars wishing to study the subject but also to others who want to learn about spirituality **Collected Prefaces** Nicholas Hagger,2022-04-29 Nicholas Hagger s 55 books include innovatory works on literature history philosophy and international politics In his first published literary work he revived the Preface which had fallen into disuse after Wordsworth and Shelley He went on to write Prefaces sometimes called Prologues Introductions or Introductory Notes for all his subsequent books Collected Prefaces a collection of 55 Prefaces excluding the Preface to this book sets out his thinking and the reader can follow the development of his philosophy of Universalism of which he is the main exponent his literary approach particularly his combination of Romanticism and Classicism which he calls neo Baroque and his metaphysical thinking His Prefaces can be read as essays and as in T S Eliot s Selected Essays there is an interaction between adjacent Prefaces that brings an

entirely new perspective to Hagger's works. These Prefaces cover an enormous range. Nicholas Hagger is a Renaissance man at home in many disciplines. His Universalism focuses on humankind's relationship to the whole universe as reflected in seven key disciplines: seen as wholes, the whole of literature, history, philosophy, and the sciences, mysticism, religion, international politics, and statecraft, and world culture. Behind all the Prefaces is Hagger's fundamental perception of the unity of the universe as the One and of humankind's position in it. These Prefaces complement his *Selected Letters*, a companion volume also published by O Books, and contain startling insights that illumine and send readers to the works the Prefaces introduce.

The Promised Land Nicholas Hagger, 2023-09-27. During a visit to Jordan, Nicholas Hagger stood on Mount Nebo where the prophet Moses stood and looked down on the Promised Land of Canaan that Moses saw shortly before he died. It seemed as if all the kingdoms of the earth were spread out below him: a new Promised Land, a coming World State called for by Dante and Kant, and more recently by Truman, Einstein, Churchill, Eisenhower, Gandhi, Russell, J. F. Kennedy, and Gorbachev, and Hagger himself in *World State* and *World Constitution*. Combining travelogue and historical reflection, Nicholas Hagger draws on previous visits to the Biblical Middle East and traces the development of his Universalism in his formative years and then in his wilderness years when, like Moses, he spent 40 years in the wilderness setting out Universalism in 60 books and arriving at its ten commandments. He reflects on a remarkable life and its pattern and reaches some conclusions on the Providential nature of its direction and on the European civilisation. Weaving together his wanderings in Arabia and Egypt, his past travels, and his writings, he presents a coming democratic, partly federal World State with sufficient authority to abolish war, enforce disarmament, combat famine, disease, and poverty, and solve the world's financial, environmental, and virological problems. And in a closing vision, a coming Promised Land that like Moses he will not live to see. This is a stunning work with a prophetic vision of the future.

My Double Life 2 Nicholas Hagger, 2015-06-07. In *My Double Life 1*, Nicholas Hagger told of his four years' service and double life as an undercover British intelligence agent during the Cold War, there revealed for the first time. Lost in a dark wood like Dante, following his encounters with Gaddafi's Libya and the African liberation movements, he found Reality on a Mystic Way of loss, purgation, and illumination, perceived the universe as a unity, and had 16 experiences of the metaphysical Light. In *My Double Life 2*, he continues the story. He received new powers, coped with fresh ordeals, acquired three schools, renovated a historic house, and had 76 further experiences of the metaphysical Light. He founded a new philosophy of Universalism and new approaches to contemporary history, international statecraft, and world literature. He produced nearly 1,500 poems, over 300 classical odes, five verse plays, two poetic epics, over a thousand short stories, and 40 books that include innovative literary, historical, and philosophical works. His vision of Universalism in seven disciplines is like a rainbow with seven bands overarching seven hills. He produced nearly 1,500 poems, over 300 classical odes, five verse plays,

two poetic epics over a thousand short stories and 40 books that include innovative literary historical and philosophical works His vision of Universalism in seven disciplines is like a rainbow with seven bands overarching seven hills *The Essentials of Universalism* Nicholas Hagger,2024-10-29 In *A Baroque Vision* Nicholas Hagger chose key passages from his verse that convey the thread of his Baroque vision In its companion volume *The Essentials of Universalism* he chooses key passages from his prose works that convey the thread of his Universalism which grew out of his Baroque perspective Hagger's literary mystical religious philosophical historical cultural and political Universalist writings are innovatory In 60 books he has set out a new approach to literature and identified its fundamental theme as a quest for the One an infinite Reality perceived as Light that alternates with condemnation of social follies and vices presented many mystics illuminations seen the Light as the common essence of all religions created a new philosophy of Universalism that restates the unity of the universe and challenges modern philosophy charted the history of the rise and fall of civilisations reconciled the divisions within world culture and proposed a democratic World State with limited supranational power to abolish war and bring in a Golden Age of peace and prosperity *The Essentials of Universalism* is a stunning anthology of his writings that covers all aspects of his thinking and range Chosen by the author himself the excerpts include the most important passages in the Hagger canon and are representative of his vast output Since the book was completed Hagger has brought out *The Algorithm of Creation* the first ever statement of a Theory of Everything and a further development of his Universalism This anthology makes clear the main thrust of his life's work and is required reading for all interested in seeing how his many innovations connect

Maria Petyt - A Carmelite Mystic in Wartime ,2015-07-28 Based on the discovery of an unknown Latin manuscript Maria Petyt A Carmelite Mystic in Wartime provides surprising new information about the seventeenth century Flemish mystic Maria Petyt 1623 1677 who wrote many letters to her spiritual director Michael of St Augustine The book contains a transcription of the unfortunately partly damaged manuscript an English translation of it and several articles opening up new horizons concerning the life and spirituality of Maria Petyt and her historical and religious backgrounds The authors characterize Maria Petyt as a self confident spiritual daughter with a strong political mission a zealous figure fighting side by side with Louis XIV for the catholic victory during the Dutch War and as one who lived and profoundly understood the spirituality of Teresa of Avila

The Logic of Evangelism Michael J. Gehring,Andrew D. Kinsey,Vaughn W. Baker,2019-02-14 The publication of William J Abraham s The Logic of Evangelism in 1989 marked a turning point in the field and practice of evangelism Almost thirty years later the book still provokes discussion as it stimulates both theorists and practitioners to comprehend evangelism as initiation into God s reign Combining theological insight and historical analysis Abraham s groundbreaking work remains the primary text to set the stage for how evangelism may be conceived In these timely essays written by both theologians and church leaders The Logic of Evangelism Revisited takes a critical and yet appreciative look into the ways Abraham s work still speaks to the church in today s world The authors coming from a wide array of backgrounds show how The Logic of Evangelism remains a key text into the twenty first century

scripture tradition and reason at the heart of every major issue confronting the life and thought of all the Christian Churches today in honour of R P C Hanson *Mystics of the Christian Tradition* Steven Fanning,2005-06-29 From divine visions to self tortures some strange mystical experiences have shaped the Christian tradition as we know it Full of colourful detail Mystics of the Christian Tradition examines the mystical experiences that have determined the history of Christianity over two thousand years and reveals the often sexual nature of these encounters with the divine In this fascinating account Fanning reveals how God's direct revelation to St Francis of Assisi led to his living with lepers and kissing their sores and describes the mystical life of Margery Kempe who took weeping to new decibel levels Through presenting the lives of almost a hundred mystics this broad survey invites us to consider what it means to be a mystic and to explore how people such as Joan of Arc had their lives determined by divine visions Mystics of the Christian Tradition is a comprehensive guide to discovering what

mysticism means and who the mystics of the Christian tradition actually were **Desmond Tutu** Michael Battle, 2021-03-16

The first biography of its kind about Desmond Tutu this book introduces readers to Tutu's spiritual life and examines how it shaped his commitment to restorative justice and reconciliation Desmond Tutu was a pivotal leader of the anti-apartheid movement in South Africa and remains a beloved and important emblem of peace and justice around the world Even those who do not know the major events of Tutu's life receiving the Nobel Peace Prize in 1984 serving as the first black archbishop of Cape Town and primate of Southern Africa from 1986-1996 and chairing the Truth and Reconciliation Commission from 1995-1998 recognize him as a charismatic political and religious leader who helped facilitate the liberation of oppressed peoples from the ravages of colonialism But the inner landscape of Tutu's spirituality the mystical grounding that spurred his outward accomplishments often goes unseen Rather than recount his entire life story this book explores Tutu's spiritual life and contemplative practices particularly Tutu's understanding of Ubuntu theology which emphasizes finding one's identity in community and traces the powerful role they played in subverting the theological and spiritual underpinnings of apartheid Michael Battle's personal relationship with Tutu grants readers an inside view of how Tutu's spiritual agency cast a vision that both upheld the demands of justice and created space to synthesize the stark differences of a diverse society Battle also suggests that North Americans have much to learn from Tutu's leadership model as they confront religious and political polarization in their own context
