Religion is not enough Culture is not enough Both religion and culture are important even crucial to living a full life but they are not enough Choosing authenticity is the only thing that is enough Our deepest desire is for our active lives to actually become more and more an authentic expression of who we are and who we are called to be by that Mysterious Other we call God We long for a No BS Spirituality that changes the way we actually experience and live our lives We need spiritual practice that facilitates that growth and transformation and conversion of heart It is my prayer that these reflections will respond to that longing Read reflect and enjoy Abba's Child Brennan Manning, 2015-04-10 Are you struggling to accept God's love We've bought into the lie that we are worthy of God's love only when our lives are going well But when life begins to fall through the cracks and things become less than perfect we scramble to present a good front to the world and to God God longs for us to deeply believe and know that He loves us and accepts us as we are He calls for us to remove our masks and establish honest deep and trusting relationships with Him When we are our true selves we can finally claim our authentic identities as His own Abba's children Brennan Manning author of *The Ragamuffin Gospel* soulfully encourages you to let go of the pressure of an impostor lifestyle and lean into the life changing wonder of a truly loving relationship with God With a gentle wisdom and tender style this book addresses Developing deeper intimacy with God Overcoming your inner pharisee Resting in your true identity as God's child Abba's Child will light the way to freely accepting your belovedness and being renewed by the reassurance of our Father's deep care for you regardless of how perfect your life isn't Honest Genuine Creative God hungry These words surface when I think of the writings of Brennan Manning Read him for yourself you'll see what I mean Max Lucado New York Times bestselling author I pray that Brennan Manning and the timeless voices in this book might offer you hope May they remind you that you are loved by the Father Creator Himself May they sing and speak into your life against the voices that tell you otherwise Jon Foreman lead singer of Switchfoot **A Cloud of Witnesses** Joan S. Hickey, 2013-05-07 This is a book of true stories stories about people who have had extraordinary experiences of God These events have not occurred as going to heaven in the course of Near Death Experiences as have been chronicled in some best selling books of recent years Rather they have happened here in this world unexpectedly and in the middle of the everyday lives of almost half of present day Americans according to some studies Here you will find in their own words accounts of such experiences from fifty eight of those people some of them sharing their experiences for the first time

Whole and Holy Sexuality William F. Kraft, 1998-12-17 Two exaggerations threaten a wholesome understanding of human sexuality today The first is represented by the ceaseless value free quest for pleasure the second focuses on rules and spiritual cliches that offer little practical counsel or support *Whole and Holy Sexuality* is an insightful and enlightening handbook with concrete suggestions and support It will help married single and vowed celibate people to cope with grow from and enjoy sexuality How to be a Bad Christian Dave Tomlinson, 2012-08-16 In the course of his work as a vicar Dave Tomlinson meets lots of people who describe themselves as not good enough to be a Christian thinking that faith involves

going to church a lot or believing in a list of strange things or following certain rules But being a Christian isn't about any of that and actually following Jesus is a lot easier and more fun than most people think In this handbook to Christianity for people who describe themselves as spiritual but not necessarily religious Dave sketches out some key practices for how to be a bad Christian including how to talk to God without worrying about prayer how to read the Bible without turning off your brain and how to think with your soul rather than trying to follow rules With beautiful illustrations from artist Rob Pepper this is an accessible light hearted book but one with a powerful invitation to be the person you've always wanted to be following a God you've always hoped is on your side

Same Old, Same New Mike Mason, 2024-04-10 Why is so much of our existence so ordinary Why this immense tract of stuff in our lives that seems to have no lofty purpose In ninety short devotional chapters Mike Mason meditates on this question concluding that in fact everydayness to the extent we embrace it is a source of deep consolation Far from being meaningless the humdrum and the commonplace may actually hold the secret of life Same Old Same New beautifully and provocatively written and full of arresting insights will take your old tired world stand it on end and spin it like a top Mike Mason straddles two worlds the quotidian and the eternal Of course those two worlds aren't separate worlds at all and the reality of that intermingling that co-existence of the mundane and the mystical is perhaps the recurrent theme of Mason's writing Ron Reed Founding Artistic Director of Pacific Theatre
