Leuba, 2013-11-05 First Published in 1999 This is Volume III of six of a series on the Psychology of Religion Written around 1925 this book is a psychological study of human nature It includes a philosophical chapter and also one in which are set forth the practical consequences to religion of some of its conclusions But whatever may be the importance of these two chapters the book is to be judged primarily as a psychological study of aspects of human nature conspicuous in mystical religion *God's Dog: Memories, Confessions, Dreams & Revelations of a Modern Mystic* William Schindler, 2016-02-13 This is the extraordinary true tale of a middle class gay American's path to encounters with the Great Mystery that is God/dess Self The way to the Great Unknown was intricately intertwined with his humanity with all its foibles and with human relationships Therefore this story has to include those relationships revealing ultimately how a one's personal identity and relationships become vehicles for enlightenment This inspiring account of struggle travel to exotic lands suffering and transcendence holds out hope for anyone who has ever felt outcaste broken or unworthy demonstrating for our modern times that enlightenment lies within reach of us all **Mystical Experience of Reality - Volume II** Keith Michael Hancock, 2024-05-05 Is MER The Mystical Experience of Reality What Humans Are All About The Mystical Experience of Reality book and blog series by Keith Michael Hancock is a uniquely serious case history of newly emerging facts about the mystical experience of Reality MER It is presented here to add to the growing scientific and academic literature being produced around the world today what human existence is really all about Does God exist or is much more revealing itself in our evolutionary progress Many scientists and scholars are experiencing the answer Yes Mystical Experience of Reality Volume I and now Volume II are compiled of posts from Keith's Blog Mystic Experiences Volume II was thought necessary because Keith's latest revelations have brought these historically important messages to a concluding realisation of what the human condition is all about See Summing Up at the end of the book Scholars scientists and spiritual Seekers around the world who visit and follow his blog will appreciate Summing Up as a uniquely new complete understanding of why we're here In this book Keith has aimed to keep each topic shorter and on point always leaving you with a new thought to ponder always encouraging you to dig deeper and recall your own experiences thus far WHY KEITH He doesn't know He says he is not aware of any qualification he had or has for receiving the mystical experiences of Reality MER the truth of Reality's existence He says he wasn't religious or spiritual and didn't even know the word mystic when they started The Mystical Experience of Reality as Keith calls it is a well known historical non biological non human historical

phenomena that engulfed him as a 14 year old several times every year until his late thirties filling him with the experience of a Reality in which all things known and unknown exist at Its behest guarding guiding accepting everything that exists separately personally individually It is benign and uninterested in human wants or constructs such as religions politics ideologies It only deals with individuals The experiences bring profound joy and love with a knowledge beyond all human experience Keith insists the experience of Reality is caught not taught The books are filled with posts from Keith s blog mysticexperiences net for the author to examine himself and his existence in accordance with the way of Reality Accordingly he says he found by comparison that there is nothing in humanity worth studying The first book Mystic Experiences of Reality Volume I and this one Volume II are summations of years of using writing to explore the awareness given Keith by his mystical experiences in the hope it will add to the literature on the subject which is now being more seriously studied around the world than it has ever been Keith s writing also seeks to pass on Reality s personal message to him All Is Well **Seeing**
