Mysticism Of The East And West Studies In Mystica:

The Mysticism of the Cloud of Unknowing William Johnston, 2024-10-22 Available in a new digital edition with reflowable text suitable for e readers In this comparative work Jesuit priest and Zen meditation advocate William Johnston offers a contemporary reading of the fourteenth century Christian mystical work *The Cloud of Unknowing* and its powerful message of God's unconditional love in the face of despair

Mysticisms East and West Christopher Hugh Partridge, Theodore P. C. Gabriel, 2003 Mysticism is proving to be the chosen type of religion for future generations of believers in the West As traditional institutional religion continues to decline mystical thought is celebrated as a vital subversive alternative Evidence for this religious cultural shift towards the mystical the experiential and indeed the creation centered can be found in bookstores most of which devote a large amount of shelf space to mystical themes and writers from the world religions While this shift is not new an increasing number of westerners are turning east because they find the fundamentally mystical thought of Asian religious traditions appealing Furthermore numerous westerners have actually become gurus and mystics within Eastern traditions *Mysticisms East and West* examines the worldwide phenomenon of mystical experience across the world religions In examining both Christian and non Christian expressions of mysticism this unique volume brings together a number of prominent evangelical scholars to analyze the central historical cultural and theological issues Beginning in the East these studies in mystical experience gradually move to the West and to Christian mysticism before concluding with a number of philosophically reflective essays examining the implications and nature of mysticism

Handbook of Medieval Studies Albrecht Classen, 2010-11-29 This interdisciplinary handbook provides extensive information about research in medieval studies and its most important results over the last decades The handbook is a reference work which enables the readers to quickly and purposely gain insight into the important research discussions and to inform themselves about the current status of research in the field The handbook consists of four parts The first large section offers articles on all of the main disciplines and discussions of the field The second section presents articles on the key concepts of modern medieval studies and the debates therein The third section is a lexicon of the most important text genres of the Middle Ages The fourth section provides an international bio bibliographical lexicon of the most prominent medievalists in all disciplines A comprehensive bibliography rounds off the compendium The result is a reference work which exhaustively documents the current status of research in medieval studies and brings the disciplines and experts of the field together

Mystics William Harmless, 2008 In *Mystics* William Harmless S J introduces readers to the scholarly study of mysticism He explores both mystics extraordinary lives and their no less extraordinary writings using a unique case study method centered on detailed examinations of six major Christian mystics Thomas Merton Bernard of Clairvaux Hildegard of Bingen Bonaventure Meister Eckhart and Evagrius Ponticus Rather than presenting mysticism as a subtle web of psychological or theological abstractions Harless's case study approach brings things down to earth restoring mystics to their historical context

Between East and West Müge Galin,1997-01-01 Considers how Lessing s exposure to a particular aspect of tasawwuf the classical Sufi Way has shaped her work Impresses upon the reader the degree to which Lessing is seriously offering her space fiction utopias as plausible and even necessary alternatives to our present Western ways of life Studia Mystica Robert Boenig,Kate Greenspan,Mary E. Giles,1995-08 Studia Mystica ,1980 Practical Mysticism in Islam and Christianity Saeed Zarrabi-Zadeh,2016-01-29 Practical Mysticism in Islam and Christianity offers a comparative study of the works of the Sufi poet Jalal al Din Rumi 1207 1273 and the practical teachings of the German Dominican Meister Eckhart c1260 1327 8 Rumi has remained an influential figure in Islamic mystical discourse since the thirteenth century while also extending his impact to the Western spiritual arena However his ideas have frequently been interpreted within the framework of other mystical philosophical or religious systems Through its novel approach this book aims to reformulate Rumi s practical mysticism by employing four methodological principles a mysticism is a coherent structure with mutual interconnection between its parts b the imposition of alien structures to interpret any particular mysticism damages its inward coherency c practical mysticism consists of two main parts namely practices and stages and d the proper use of comparative methodology enables a deeper understanding of each juxtaposed system Eckhart s speculative mysticism which differs from and enjoys similarities with the love based mysticism of Rumi provides a mirror that highlights the special features of Rumi s practical mysticism Such comparison also allows a deeper comprehension of Eckhart s practical thought Offering a critical examination of practical mysticism this book is a valuable resource for students and scholars of Islamic studies comparative mysticism and the intellectual history of Islam **Studying Christian Spirituality** David B. Perrin,2024-04-23 Studying Christian Spirituality proposes a framework to discover how spirituality can be understood beyond the conventional boundaries that religions have established Its nine chapters discuss a wide variety of issues and questions which include definitions of spirituality the impact of models of God human spiritual development the importance of context historical criticism anthropology interpretation of texts and art and examples of spiritual practice David B Perrin clearly explains the traditional relationships between Christian spirituality and theology and history He also proposes greater connections with the human sciences such as philosophy psychology phenomenology and sociology and reshapes the classical approaches to Christian spirituality its texts practices and experience This interdisciplinary volume is an essential reference for scholars and students at all levels who desire to develop a deeper understanding of Christian spirituality s research methods and its relevance to the world today **Jacques Maritain and the Many Ways of Knowing** Douglas A. Ollivant,2002 Drawing on the writings of Jacques Maritain and by extension those of Thomas Aquinas the essays in this volume examine the effects of theories of knowledge on individuals culture and entire schools of philosophical thought The contributors challenge contemporary epistemologies which are largely based on writings of Descartes Locke and Kant They critique these theories internally and demonstrate their incompatibility with other goods such as liberty human dignity and

access to the transcendent In stark contrast to modernity's dubious and fragmented opinions and belief systems Maritain in works like *The Degrees of Knowledge* and *Creative Intuition in Art and Poetry* proposed a theory of knowledge that permits real if limited knowledge of substances wholes Some contributors use these works as a springboard from which to examine aspects or applications of knowledge that Maritain left unexplored Others challenge or question aspects of Maritain's analysis seeking to improve upon his work Still others compare Maritain with other neo-Thomistic philosophers most notably Etienne Gilson Alasdair MacIntyre and Pope John Paul II Maritain's works on human knowledge and the implicit critique of modernity contained within provide an alternative for those seeking to engage the various deficiencies of the culture of death These essays demonstrate the continuing relevance and timeliness of Maritain's thought Douglas A Ollivant is assistant professor of politics at the United States Military Academy Contributors George Anastaplo James Arraj Joseph M de Torre Robert Delfino Raymond Dennehy John M Dunaway Robert Fallon Desmond Fitzgerald William J Fossati W Matthews Grant Catherine Green James G Hanink Gregory J Kerr John F X Knasas John F Morris Ralph Nelson Douglas A Ollivant Matthew S Pugh Steven J Schloeder Christopher H Toner John G Trapani Jr Henk E S Woldring and Thomas F Woods This is a valuable collection of articles on an important individual who is still influencing contemporary political thought Lucien J Richard OMI Catholic Library World

Shamanic Wisdom in the Pyramid Texts Jeremy Naydler, 2004-12-09 A radical reinterpretation of the Pyramid Texts as shamanic mystical wisdom rather than funerary rituals Reveals the mystical nature of Egyptian civilization denied by orthodox Egyptologists Examines the similarity between the pharaoh's afterlife voyage and shamanic journeying Shows shamanism to be the foundation of the Egyptian mystical tradition To the Greek philosophers and other peoples of the ancient world Egypt was regarded as the home of a profound mystical wisdom While there are many today who still share that view the consensus of most Egyptologists is that no evidence exists that Egypt possessed any mystical tradition whatsoever Jeremy Naydler's radical reinterpretation of the Pyramid Texts the earliest body of religious literature to have survived from ancient Egypt places these documents into the ritual context in which they belong Until now the Pyramid Texts have been viewed primarily as royal funerary texts that were used in the liturgy of the dead pharaoh or to aid him in his afterlife journey This emphasis on funerary interpretation has served only to externalize what were actually experiences of the living not the dead king In order to understand the character and significance of the extreme psychological states the pharaoh experienced states often involving perilous encounters with alternate realities we need to approach them as spiritual and religious phenomena that reveal the extraordinary possibilities of human consciousness It is the shamanic spiritual tradition argues Naydler that is the undercurrent of the Pyramid Texts and that holds the key to understanding both the true

nature of these experiences and the basis of ancient Egyptian mysticism **The Cambridge Companion to Medieval English Mysticism** Samuel Fanous, Vincent Gillespie, 2011-05-12 The widespread view that mystical activity in the Middle Ages was a rarefied enterprise of a privileged spiritual elite has led to isolation of the medieval mystics into a separate narrowly defined category Taking the opposite view this book shows how individual mystical experience such as those recorded by Julian of Norwich and Margery Kempe is rooted in nourished and framed by the richly distinctive spiritual contexts of the period Arranged by sections corresponding to historical developments it explores the primary vernacular texts their authors and the contexts that formed the expression and exploration of mystical experiences in medieval England This is an excellent insightful introduction to medieval English mystical texts their authors readers and communities Featuring a guide to further reading and a chronology the Companion offers an accessible overview for students of literature history and theology Varieties of Mystic Experience Elmer O'Brien, 1964 As modern man has lost faith in a world from which God seems excluded many have turned with hope to the writings of the mystics the men and women who drowned their egos in the experience of the divine In Varieties of Mystic Experience Professor Elmer O'Brien guides the reader through fourteen centuries of mysticism he distinguishes the authentic from the inauthentic and in brilliant selections from the mystics themselves enables the reader to judge for himself the glorious variety of ways in which men have confronted the Divine **Angelic Spirituality** Steven Chase, 2002 Explores the extensive landscape of angels in medieval Christian devotion and retrieves a very rich vein in the Christian spiritual tradition **Mystics Quarterly**, 1987 **The Journal of Transpersonal Psychology**, 2000 **Mysticism of the East and West** William Loftus Hare, J. Estlin Carpenter, 2013-10 This is a new release of the original 1923 edition **The Quest**, 1929 **Newsletter on the Fourteenth-century English Mystics**, 1978
