Mystique Of Dreams:

The Mystique of Dreams G. William Domhoff, 1985 Dreams and Professional Personhood Mary Dombeck, 1991-07-03 Two community mental health centers in the Northeastern United States form the setting for this ethnographic study of dreams dream telling and dream interpretation To gather information about American attitudes toward dreams and dream telling the author observed and interviewed employees of these centers social workers psychologists nurses psychiatrists secretaries and medical technicians The issues that emerge from the interviews are analyzed and clarified by exploring Western understandings of the concepts of person and self and of professional personhood the capacities and responsibilities ascribed to you by yourself and others in your milieu as professionals The book also contains a comprehensive literature review of the research on dreams and an appendix of narrative statements made by informants on their dreams their work and their relationships

Lucid Dreaming Ryan Hurd, Kelly Bulkeley Ph.D., 2014-07-29 In this fascinating new collection an all star team of researchers explores lucid dreaming not only as consciousness during sleep but also as a powerful ability cultivated by artists scientists and shamans alike to achieve a variety of purposes and outcomes in the dream The first set of its kind Lucid Dreaming New Perspectives on Consciousness in Sleep provides a comprehensive showcase of the theories research and direct experience that serve to illuminate how certain people can maintain conscious awareness while dreaming The text is organized into two sections covering science psychology and education and religious traditions creativity and culture Contributors to this two volume work include top dream experts across the globe scholars sharing knowledge gained from deep personal explorations and cutting edge scientific investigations Topics covered include the neuroscience of lucid dreaming clinical uses of lucid dreaming in treating trauma the secret history of lucid dreaming in English philosophy and spiritual practices of lucid dreaming in Islam Buddhism and shamanic traditions The work also addresses lucid dreaming in movies including *The Matrix* and literature such as the fiction of J R R Tolkien and explains how modern video gaming enhances lucidity This set serves as an ideal text and reference work for school libraries and academic courses in anthropology psychology religious studies and cognitive science as well as for graduate level study in holistic education an increasingly popular specialization

Group Dreaming Jean Campbell, 2006 Jean Campbell's book looks at the power that two or more people can tap when striving to dream the same dreams She describes several different group dreaming experiments conducted over a period of ten years and tells about *The World Dreams Peace Bridge*

Dreaming in the Lotus Serinity Young, 1999 Surveys the complex history of Buddhist dream experience and analysis **Conscious Mind, Sleeping Brain** J. Gackenbach, S. LaBarge, 2012-12-06 A conscious mind in a sleeping brain the title of this book provides a vivid image of the phenomenon of lucid dreaming in which dreamers are consciously aware that they are dreaming while they seem to be soundly asleep Lucid dreamers could be said to be awake to their inner worlds while they are asleep to the external world Of the many questions that this singular phenomenon may raise two are foremost What is

consciousness And what is sleep Although we cannot provide complete answers to either question here we can at least explain the sense in which we are using the two terms We say lucid dreamers are conscious because their subjective reports and behavior indicate that they are explicitly aware of the fact that they are asleep and dreaming in other words they are reflectively conscious of themselves We say lucid dreamers are asleep primarily because they are not in sensory contact with the external world and also because research shows physiological signs of what is conventionally considered REM sleep The evidence presented in this book preliminary as it is still ought to make it clear that lucid dreaming is an experiential and physiological reality Whether we should consider it a paradoxical form of sleep or a paradoxical form of waking or something else entirely it seems too early to tell *Creative Dreaming* Patricia Garfield,1995-07 With more than 250 000 copies sold this classic exploration of dreams and how to use them has been updated to reflect recent research on dreams and dreaming

Soul Force Paul Olsen,2014-03-03 All of us at one time or another feel fragmented cut of and powerless In this important work psychotherapist Paul Olsen tells us that what we are really experiencing is a loss of connection with our soul the energy inside us that connects us to ourselves to others to everything that exists the inner energy that propels life You cannot think your way out of an emotional dilemma Dr Olsen warns Thinking in fact is the enemy the disconnecter of the soul So is science the enemy So is education so are almost all the rules of living we learn as children and take for granted as adults In *Soul Force* Dr Olsen offers exploration exercises that help you discover yourself Whether your method of dealing with stress deepens the trap in which you find yourself How to learn reflexive decision making How to reconnect with your natural flow so that your inner power will be felt by everyone you meet How to disengage from arguments and win them What your worst enemy can teach you about yourself

Violence and the Dream People John Leary,1995 The author argues that the use of force by both sides in their attempts to woo or coerce the jungle dwellers to support one side or the other in the conflict caused tensions among the Orang Asli that resulted in counterviolence against the interlopers and internecine killings in the tribal groups

The Golden Dream Gerry Faust,Steve Love,2012-11-13 Gerry Faust won more hearts than games He came to Notre Dame as the high school coach from Cincinnati's Moeller High School such a perfect fit for Notre Dame that it seemed almost too good to be true It was Faust admits his mistakes which include the manner in which he put together his first coaching staff changing Notre Dame's offense even feeling sorry for himself He explains how he could beat Southern Cal but not Air Force and Purdue An optimist to the end Faust took on if anything an even greater challenge when he left Notre Dame He became coach at the University of Akron a program where unlike at Notre Dame not everyone wanted him to succeed
