Mythic Places:

Encyclopedia of Imaginary and Mythical Places Theresa Bane, 2014-03-28 The heavens and hells of the world's religions and the far far away legends cannot be seen or visited but they remain an integral part of culture and history This encyclopedia catalogs more than 800 imaginary and mythological lands from all over the world including fairy realms settings from Arthurian lore and kingdoms found in fairy tales and political and philosophical works including Sir Thomas More's Utopia and Plato's Atlantis From al Araf the limbo of Islam to Zulal one of the many streams that run through Paradise entries give the literary origin of each site explain its cultural context and describe its topical features listing variations on names when applicable Cross referenced for ease of use this compendium will prove useful to scholars researchers or anyone wishing to tour the unseen landscapes of myth and legend **Faulkner's Imperialism** Taylor Hagood, 2008-11-15 In Faulkner's Imperialism Taylor Hagood explores two staples of Faulkner's world myth and place Using an interdisciplinary approach to examine the economic sociological and political factors in Faulkner's writing he applies postcolonial theory cultural materialism and the work of the New Southernists to analyze the ways myth and place come together to encode narratives of imperialism and anti imperialism in the worlds in which Faulkner lived and the one that he created The resulting discussion highlights the deeply embedded imperial impulses underpinning not just Yoknapatawpha and Mississippi but the Midwest the Caribbean France and a host of often overlooked corners of the Faulknerian map Faulkner defines space in his fiction by creating places through culturally compelling narratives Although these narrative spaces often have imperial roots Hagood reveals how the oppressed can subvert these mythic places by turning the myths against their oppressors The Greco Roman myths long recognized as part of Faulkner's fictional world for example define racially hybrid spaces ostensibly designed to articulate white patriarchal narratives of imperial control but which actually carry within their very dreams of Arcady an anti imperial narrative In Faulkner's Mississippi Delta which he modeled after the Nile Delta plantation owners evoke the imperial power of ancient Egypt to confirm their own cultural ascendancy even while African Americans use biblical narratives of the Israelites enslaved in Egypt to speak against the power that controls them Faulkner also used places he personally experienced such as New Orleans a city that he recognized as containing multiple layers of imperial design to dramatize the constant struggle between the oppressor and the oppressed Rather than reading the roles of myth and place according to conventional myth criticism or typical place models used by other Faulkner scholars Hagood examines the intertextuality within Faulkner's writing as well as the relationship of his writing to others work in an attempt to understand how the texts fit together and speak to one another One of the few books that examine Faulkner's work as a whole Faulkner's Imperialism moves beyond South versus North paradigms to encompass all the spaces within Faulkner's created cosmos considering their interrelationships in a precise holistic way **The Mythic Fantasy of Robert Holdstock** Donald E. Morse, Kálmán Matolcsy, 2014-01-10 Robert Holdstock was a prolific writer whose oeuvre

included horror fantasy mystery and the novelization of films often published under pseudonyms These twelve critical essays explore Holdstock's varied output by displaying his works against the backdrop of folk and fairy tales dissecting their spatiotemporal order and examining them as psychic fantasies of our unconscious life or as exempla of the sublime The individual novels of the Mythago Wood sequence are explored as is Holdstock's early science fiction and the Merlin Codex series

Law of the Gun Martin H. Greenberg, 2010-11-01 One Man One Gun One Law It s an American icon the Western shootist living by skill courage and a willingness to spit in death s eye Now the greatest names in Western literature turn this mythical character upside down inside out and every way but loose In The Trouble with Dude award winning author Johnny Boggs saddles a once famous lawman with some high paying New York dudes in search of Western thrills who get more than they bargained for in Uncle Jeff and the Gunfighter Western master storyteller Elmer Kelton chronicles a quarrel between a hardscrabble Texas rancher and a killer for hire with results that stun a town William W Johnstone and J A Johnstone offer Inferno A Last Gunfighter Story featuring series hero Frank Morgan From a pistol packing woman to a freed slave heading into a Nebraska winter and an education in gun fighting The Law Of The Gun is about journeys vendettas stand offs and legends that end or sometimes just begin with the roar of a gun

Myth and Scripture Dexter E. Callender, Jr., 2014-07-02 DOCTYPE HTML PUBLIC W3C DTD HTML 4 0 Transitional EN html meta content text html charset ISO 8859 1 http equiv content type body An interdisciplinary collection for scholars and students interested in the connections between myth and scripture In this collection scholars suggest that using myth creates a framework within which to set biblical writings in both cultural and literary comparative contexts Reading biblical accounts alongside the religious narratives of other ancient civilizations reveals what is commonplace and shared among them The

fruit of such work widens and enriches our understanding of the nature and character of biblical texts and the results provide fresh evidence for how biblical writings became scripture Features Essays that explore how myth sheds light on the emergence of scripture Examples drawn from the Ancient Near East Hebrew Bible New Testament and Greco Roman world Articles by experts from a range of disciplines **Imagining Philadelphia** Philip Stevick,1996-08-29 Some travelers visited the classic destinations of earlier times such as the great waterworks complex and some reacted generally to the tone and temper of the city Together these accounts fall into patterns that often convey a mythic reading of the city as a place of uncommon order and symmetry for example or a place of great torpor and dullness or a city extraordinary for the way in which elements of wilderness interpenetrate the metropolitan core **Travel and Representation** Garth Lean,Russell Staiff,Emma Waterton,2017-07-01 Travel and Representation is a timely volume of essays that explores and re examines the various convergences between literature art photography television cinema and travel The essays do so in a way that appreciates the entanglement of representations and travel at a juncture in theoretical work that recognizes the limits of representation things that lie outside of representation and the continuing power of representation The emphasis is on the myriad ways travelers scholars employ representation in their writing analyses as they re think the intersections between travelers fields of representation imagination emotions and corporeal experiences in the past the present and the future

Myth and Creative Writing Adrian May,2013-11-19 Myth and Creative Writing is a unique and practical guide to the arts of creative writing It Gives a historical perspective on the storyteller s art Takes a wide view of myth to include legends folklore biblical myth classical myth belief myths balladry and song Considers all aspects of the creative process from conception to completion Provides tips on seeking inspiration from classical and mythic sources Shows how myths can be linked to contemporary concerns Enables beginning writers to tap into the deeper resonances of myth Guides students to further critical and creative resources A secret that all writers know is that they are part of a long tradition of storytelling whether they call it mythic intertextual interactive or original And in the pantheon of storytelling myths those stories that tell us in often magical terms how the world and the creatures in it came to be are the bedrock a source of unending inspiration One can dress the study of literature in the finest critical clothing or intellectualise it until the cows come home but at its heart it is nothing more and nothing less than the study of the human instinct to tell stories to order the world into patterns we can more readily understand Exploring the mythic nature of writing by considering where the connections between instinct and art are made and where the writer is also seen as a mythic adventurer is a way of finding close links to what it is we demand from literature which is again something to do with the essences of human nature Further in the course of examining the nature of myth Adrian May provides a very practical guide to the aspiring writer whether in a formal course or working alone on how to write stories myths of their own from how to begin how to develop and how to close **Imagining the American West through Film and Tourism** Warwick Frost,Jennifer Laing,2015-06-05 The West is one of the strongest

and most enduring place images in the world and its myth is firmly rooted in popular culture whether novels film television music clothing and even video games The West combines myth and history rugged natural scenery and wide open spaces popular culture and promises of transformation These imagined places draw in tourists attracted by a cultural heritage that is part fictional and mediated In turn tourism operators and destination marketing organisations refashion what they present to fit these imagined images This book explores this imagining of a mythic West through three key themes travel film and frontiers to offer new insight into how the imagination of the West and popular culture has influenced the construction of tourism In doing so it examines the series of paradoxes that underlie the basic appeal of the West evocative frontier a boundary zone between civilisation and wilderness and between order and lawlessness It draws on a range of films and literature as well as varying places from festivals to national parks to showcase different aspects of the nexus between travel film and frontiers in this fascinating region Interdisciplinary in character it includes perspectives from cultural studies American studies tourism and film studies Written by leading academics this title will be valuable reading for students researchers and academics in the fields of cultural studies tourism film studies and media studies and all those interested in film tourism
