and agency A capacity to create community Healing the Heart of Democracy is an eloquent and empowering call for We the People to reclaim our democracy The online journal Democracy Education called it one of the most important books of the early 21st Century And Publishers Weekly in a Starred Review said This beautifully written book deserves a wide audience that will benefit from discussing it      **Exercise and Your Heart** ,1982      **Myths of Oppression** Inci Bilgin

Tekin,2012-02-01 Inci Bilgin Tekin s study offers a comparative perspective on two very challenging contemporary female playwrights Liz Lochhead and Cherrie Moraga and their Scottish and Chicanese adaptations of myths such as the Greek Medea and Oedipus or the Mayan Popul Vuh which address ethnic racial gender and hierarchical oppression Her book incorporates postcolonial and feminist readings of Lochhead s and Moraga s plays while it also explores different mythologies on the background Bilgin Tekin not only introduces an original point of view on Liz Lochhead s and Cherrie Moraga s plays as adaptations or rewrites but also calls attention to the non canonized Scottish Aztec and Mayan mythologies Following an innovative approach she discusses the question in which ways Lochhead s and Moraga s adaptations of myths are challenges to the canon and further suggests a feminist version of Augusto Boal s Theatre of the Oppressed The study appeals to readers of mythology drama and comparative literature Those interested in postcolonial and feminist theories will also gain valuable new insights      A Heart of Wisdom Maurice Friedman,2012-02-01

Drawing on almost half a century of immersion in the world s great religions coupled with an ever deepening understanding of the philosophy and phenomenology of religion the author takes a dialogical approach through which religious reality is not seen as external creed and form or as subjective inspiration but as the meeting in openness presentness immediacy and mutuality with ultimate reality Religion has to do with the wholeness of human life The absolute is found not just in the universal but in the particular and the unique When it promotes a dualism in which the spirit has no binding claim upon life and life falls apart into unhallowed fragments religion becomes the great enemy of humankind      **Heart Disease for Dummies® (Volume 2 of 2) (EasyRead Super Large 18pt Edition)** ,

*Heart to Heart—The Journey Outward* Robert P. Vande Kappelle,2023-01-20 Whether religiously theists atheists agnostics or simply seekers each of us is on a journey of faith spiraling through stages seasons or phases of spirituality On this journey we discover that spirituality is more caught than taught and that faith enriched more by subtraction than by addition is more about unlearning than learning At the center of Jesus life and message stands the exhortation to receive and share divine love The two volumes of Heart to Heart excerpted from Dr Vande Kappelle s published writings examine the meaning and implications of the biblical Great Commandment to love God and others as oneself Whereas the first volume examines the spiritual journey inward this companion volume examines the journey outward Ultimately there is only one spiritual journey the journey Godward and there is only one commandment Divine love is the key to everything Unloved people misbehave fail to love or fail to change Loved people aren t concerned with rules regulations or beliefs Rather because they are loved they take proper care of themselves and in so doing care for nature and others as

extensions of themselves Heart to Heart is written for those who affirm the value of lifelong spiritual growth realize the limits of logic and embrace the paradoxes in life If you are willing to commit less than ten minutes a day over a seven month period you will undertake a spiritual journey of epic proportions guaranteed to transform you morally and spiritually In addition you will come to embrace Christianity as the transformative movement envisioned by Jesus for humanity a way of life grounded in compassion justice service humility and love of others      *Norse Mythology* Rasmus Björn Anderson,1907      **Norse Mythology** Rasmus Björn Anderson,1891
