*Publishing Record* , 1985 *Life without Lead* Daniel Renfrew, 2018-09-04 Life without Lead examines the social political and  
environmental dimensions of a devastating lead poisoning epidemic Drawing from a political ecology of health perspective  
the book situates the Uruguayan lead contamination crisis in relation to neoliberal reform globalization and the resurgence of  
the political Left in Latin America The author traces the rise of an environmental social justice movement and the local and  
transnational circulation of environmental ideologies and contested science Through fine grained ethnographic analysis this  
book shows how combating contamination intersected with class politics explores the relationship of lead poisoning to  
poverty and debates the best way to identify and manage an unprecedented local environmental health problem  
**Bibliographic Index** , 1988 *The British Library General Catalogue of Printed Books, 1986 to 1987* British  
Library, 1988 The Pen, the Sword, and the Law David S. Parker, 2022-04-28 The duel and the codes of honour that  
governed duelling functioned for decades in many European and Latin American countries as a shadow legal system  
regulating in practice what legislators felt free to say and what journalists felt free to write Yet the duel was also an act of  
potentially deadly violence and a challenge to the authority of statutory law When duelling became widespread in early  
twentieth century Uruguay legislators facing this dilemma chose the unique and radical path of legalization The Pen the  
Sword and the Law explores how the only country in the world to decriminalize duelling managed the tension between these  
informal but widely accepted gentlemanly laws and its own criminal code The duel which remained legal until 1992 was  
meant to ensure civility in politics and decorum in the press but it often failed to achieve either Drawing on rich and detailed  
newspaper reports of duels and challenges parliamentary debates legal records private papers and interviews David Parker  
examines the role of pistols and sabres in shaping the everyday workings of a raucous public sphere Demonstrating that the  
duel was no simple throwback to archaic conceptions of masculine honour and chivalry The Pen the Sword and the Law  
illustrates how duelling went hand in hand with democracy and freedom of the press in one of South America s most  
progressive nations *Books in Series* , 1985 Vols for 1980 issued in three parts Series Authors and Titles *Modern Latin*  
*American Revolutions* Eric Selbin, 2018-02-07 In contrast to previous studies that have centered on the institutionalization of

revolution in Latin America and the Caribbean Modern Latin American Revolutions Second Edition introduces the concept of consolidation of the revolutionary process the efforts of revolutionary leaders to transform society and the acceptance by a significant majority of the population of the core of the social revolutionary project As a result the spotlight is on people not structures and transformation not simply revolutionary transition The second edition of this acclaimed book has been revised to include new information on the cases of Bolivia Cuba Nicaragua and Grenada assessing the extent to which each revolution was both institutionalized and consolidated This edition also boasts expanded coverage on Chuevara's visionary leadership and an all new section that addresses the future of revolution in Latin America and the Caribbean Dr Selbin argues that there is a strong link between organizational leadership and the institutionalization process on the one hand and visionary leadership and the consolidation process on the other Particular attention is given to the ongoing revolutionary process in Nicaragua with an emphasis on the implications and ramifications of the 1990 electoral process A final chapter includes brief analyses of the still unfolding revolutionary processes in El Salvador and Peru

**Revolutionizing Motherhood** Marguerite Guzman Bouvard, 2002-01-01 Revolutionizing Motherhood examines one of the most astonishing human rights movements of recent years During the Argentine junta's Dirty War against subversives as tens of thousands were abducted tortured and disappeared a group of women forged the Mothers of the Plaza de Mayo and changed Argentine politics forever The Mothers began in the 1970s as

an informal group of working class housewives making the rounds of prisons and military barracks in search of their disappeared children As they realized that both state and church officials were conspiring to withhold information they started to protest claiming the administrative center of Argentina the Plaza de Mayo for their center stage In this volume Marguerite G Bouvard traces the history of the Mothers and examines how they have transformed maternity from a passive domestic role to one of public strength Bouvard also gives a detailed history of contemporary Argentina including the military s debacle in the Falklands the fall of the junta and the efforts of subsequent governments to reach an accord with the Mothers Finally she examines their current agenda and their continuing struggle to bring the murderers of their children to justice
