H. Vesper, M. G. Essick, 1964 *Ocean City* Fud Miller, Fred Miller, 2003 Nestled along the New Jersey coastline and built to be one of the original seaside tourist destinations Ocean City still sets the standard for resort living along the mid Atlantic What was once a whale processing center in the 1700s emerged as a destination for sun and fun by drawing the biggest names and the classic American families of the early twentieth century As our country's search for the ideal vacation grew this 7 mile stretch of beach cultivated a rich history and a reputation as one of the most alluring communities on the East Coast *Encyclopedia of New Jersey* Maxine N. water slides enjoyed by today's vacationing families Poconos resort owners and innkeepers have long recognized the cutthroat competition inherent in the vacation business Early on they realized that they were vying not only with each other but also with other resorts first in the Catskills and on the New Jersey shore and then in Florida in the Caribbean and even in Europe Better in the Poconos illustrates the strategies by which resorts in northeastern Pennsylvania responded to these market forces They were compelled to provide superior service and amenities as well as novel amusements and activities for their guests In the latter half of the twentieth century for example super resorts started to supplant the old hotels the new resorts could offer year round activities thanks to the invention of artificial snow Similarly honeymoon hotels declined as couples resorts retreats that boasted such innovations as the heart shaped bathtub and the Jacuzzi in the shape of a tall champagne glass emerged on the Poconos scene Better in the Poconos recreates that scene and the people who brought it to life not only the innkeepers souvenir sellers laborers and service workers but also the community leaders and visionaries who promoted the vacation economy and sought to guide it The proper Victorians the devoted sportsmen the young newlyweds the families and singles the staid ladies of the Women's Christian Temperance Union and the sinners whose vices they wished to temper the members of the Ku Klux Klan the rich Quakers the Jewish socialists and the immigrants all these and more make up the humanly rich mosaic of the Poconos
