Problems And Other Stories:

Problems John Updike, 2012-09-18 In this midcareer collection of twenty three short stories John Updike tackles such problems as separation divorce and remarriage parents and children guns and prostitution leprosy swooning suffocation and guilt His self seeking heroes tend to be forty his heroines are asleep seductive longing or reproachful None of these characters is innocent and all are looking vainly for the road back to an imagined Paradise Pain and comedy closely coexist in this mainly domestic world of the 1970s where life is indistinguishable from a television commercial but what is it advertising and every morning s paper brings news of lost Atlantises

New York Magazine ,1979-09-17 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea

Secrets from the Agatha Christie Archives Jared Cade, 2025-02-05 The untold story of how Agatha Christie conquered the serial market with her thrilling mysteries Dame Agatha Christie reigns supreme as the Queen of Crime Numerous books have been written about the legendary crime writer focusing on nearly every aspect of her craft But until now no one has carried out an in depth investigation into how she conquered the serial market with her thrilling tales of murder and intrigue In the UK and US Agatha Christie s work was serialized in the most prestigious magazines and newspapers of the day often under an array of different titles prior to being published by Collins and Dodd Mead and Company Second serial rights could result in a single title being syndicated to over 40 newspapers Over the decades numerous records have been lost or destroyed and keeping track of her literary legacy has proved a major challenge for her publishers literary agents and others until now Jared Cade author of the ground breaking biography *Agatha Christie and the Eleven Missing Days* has unearthed a huge plethora of hitherto unknown facts about the timeline of her publishing history that will delight her devotees and enable future generations to write about her work with far greater authority and accuracy than ever before especially when correlating her publications to the parallels in her life Illustrated with rare pictures *Secrets from the Agatha Christie Archives* is destined to become an essential reference tool for fans librarians scholars antiquarian booksellers broadcasters and others interested in

the making of one of the 20th century's most beloved writers Jared Cade is an acknowledged authority on Christianna Crime Time

Katherine Mansfield's Fiction Patrick D. Morrow, 1993 This book attempts to analyze a major part of Mansfield's fiction concentrating on an analysis of the various textures themes and issues plus the point of view virtuosity that she accomplished in her short lifetime 34 years Many of her most famous works such as *Prelude* and *Bliss* are explicated along with many of her less famous and unfinished stories

Surviving Emotional Work for Teachers Jean Hopman, 2020-10-29 *Surviving Emotional Work for Teachers* is a guide to improving teachers wellbeing and practice through support of their emotional workload The book argues that teachers should be given a formal opportunity to debrief on challenging events allowing them to reflect on and reframe these experiences in a way that informs future practice to prevent the emotional fatigue that can lead teachers to leave the field altogether Each chapter opens with a teacher's story acknowledging the emotional layers present in the scenario and what learnings can be drawn from it Each of these stories features tension between what is expected of teachers and how they are limited to act which is further fuelled by underlying assumptions This is valuable reading for teachers at all stages of their career whether preparing for the complex work ahead or making sense of past and current experiences This book offers a reflexive process that teachers and schools can implement to facilitate the useful exploration of their emotion Such a process is vital for the overall wellbeing of any school

Becoming John Updike Laurence W. Mazzeno, 2013 When John Updike died in 2009 tributes from the literary establishment were immediate and fulsome However no one reading reviews of Updike's work in the late 1960s would have predicted that kind of praise for a man who was known then as a brilliant stylist who had nothing to say What changed Why And what is likely to be his legacy These are the questions that *Becoming John Updike* pursues by examining the journalistic and academic response to his writings Several things about Updike's career make a reception study appropriate First he was prolific he began publishing fiction and essays in 1956 published his first book in 1958 and from then on brought out at least one new book each year Second his books were reviewed widely usually in major American newspapers and magazines and often in foreign ones as well Third Updike quickly became a darling of academics the first book about his work was published in 1967 less than a decade after his own first book More than three dozen books and hundreds of articles of academic criticism have been devoted to Updike The present volume will appeal to the continuing interest in Updike's writing among academics and general readers alike Laurence W Mazzeno is President Emeritus of Alvernia University Among other books he has written volumes on Austen Dickens Tennyson and Matthew Arnold for Camden House's *Literary Criticism in Perspective* series

Always Looking John Updike, 2012-11-27 A dazzling collection of remarkably elegant essays *Newsday* on art and the companion volume to the celebrated *Just Looking* and *Still Looking* from one of the most gifted American writers of the twentieth century In this book readers are treated to a collection in which the psychological concerns of the novelist drive the eye from work to work until a deep understanding of the art emerges The *New York Times Book Review* *Always Looking*

opens with *The Clarity of Things* the Jefferson Lecture in the Humanities for 2008 Here in looking closely at individual works by Copley Homer Eakins Norman Rockwell and others the author teases out what is characteristically American in American art This talk is followed by fourteen essays most of them written for *The New York Review of Books* on certain highlights in Western art of the last two hundred years the iconic portraits of Gilbert Stuart and the sublime landscapes of Frederic Edwin Church the series paintings of Monet and the monotypes of Degas the richly patterned canvases of Vuillard and the golden extravagances of Klimt the cryptic triptychs of Beckmann the personal graffiti of Mir the verbal visual puzzles of Magritte and the monumental Pop of Oldenburg and Lichtenstein The book ends with a consideration of recent works by a living American master the steely sculptural environments of Richard Serra John Updike was a gallery goer of genius Always Looking is like everything else he wrote an invitation to look to see to apprehend the visual world through the eyes of a connoisseur
