Public Expenditure Review Of Armenia:

Public Expenditure Review of Armenia, 2003 *Public Expenditure Review of Armenia* World Bank, Lev M. Freinkman, Pavel Safariyan, 2003 This is the first full scale World Bank Public Expenditure Review for Armenia reviews the main fiscal trends in Armenia for the period of 1997 2001 and develops recommendations with respect to further fiscal adjustment expenditure prioritization and budget consolidation The analysis focuses on the following core issues Sustainability of fiscal adjustment fiscal transparency expenditure priorities and short term expenditure management given the existing economy wide institutional constraints This study covers extra budgetary funds in kind external grants subsidies provided by the state owned companies in the energy and utility sectors and operation of the Social Insurance Fund as well as regular budgetary spending It suggests a medium term action plan to address identified weaknesses Sector chapters review health education and social protection and insurance The report also analyzes budget support for core public infrastructure and Armenia's public investment program

Public Expenditure Review of Armenia World Bank, Pavel Safariyan, Armenia (Republic) Finanseri ev Ekonomikayi Nakhararutyan, 2003 *Armenia*, 2003 Republic of Armenia Public Expenditure Review World Bank Group, 2014 Armenia Weltbank, 2013 This is the first full scale World Bank Public Expenditure Review PER for Armenia The primary objective of the Report was to review the main fiscal trends in Armenia for the period of 1997 2001 and develop recommendations with respect to further fiscal adjustment expenditure prioritization and budget consolidation The report has the following structure Chapter 1 reviews the main features of the Government's fiscal adjustment effort initiated in the mid 90 s It is focused on the analysis of aggregated indicators of fiscal performance such as deficit public debt budget arrears and tax revenues Chapter 2 looks at the main expenditure trends in the Armenia consolidated budget for 1997 2001 and makes an assessment of the quality and depth of expenditure restructuring undertaken in this period Chapter 3 looks at the public sector's activities that remain non reflected in the regular Government budget which includes extra budgetary funds in kind external grants subsidies provided by the state owned companies in the energy and utility sectors and operations of the Social Insurance Fund Chapter 4 presents in depth analysis of progress made to date in the area of expenditure management and suggests a draft medium term action plan to address identified weaknesses in budget preparation presentation execution and reporting Annexes 1 and 2 reflect more specific recommendations with respect to upgrading budget management procedures and the regulatory framework Chapters 5 7 review expenditure policies in the main social sectors health education social protection and insurance and provide recommendations on i how current expenditures could be made more efficient ii what should be the main direction for intra sectoral expenditure reallocation and iii what should be medium term targets for an increase in public expenditures in these sectors Chapter 8 estimates a minimum level of budget support in core public infrastructure which would stop deterioration of existing core assets in respective sectors and prevent the further accumulation of arrears Sectoral Chapters 5 8 also

provide recommendations for policy changes that would facilitate a return of these sectors to fiscal sustainability Chapter 9 presents an analysis of Armenia's public investment program Republic of Armenia Public Expenditure Review Weltbankgruppe, 2014 Armenia's small revenue and spending envelopes limit the government's ability to influence the economy even while its influence through laws, rules and regulations is significant The government has an important role to play to reduce poverty and boost shared prosperity and needs fiscal space This public expenditure review PER analyzes and provides recommendations for the different dimensions of expanding the fiscal envelope There are three ways of creating fiscal space the first is higher tax revenue mobilization through better administration and enforcement of existing taxes higher tax rates or new taxes on previously untaxed goods and services or incomes second lower spending on less productive programs and third an increase in the effectiveness of spending that is a higher output of the things the government wants efficient administration human capital services for the population for a given level of spending The report highlights Armenia's limited fiscal envelope and points out that key areas such as education health and road transport had been consistently underfunded It suggests that revenue needs to be significantly improved and the government will have to revisit its expenditure priorities to create the spending headroom needed to at least maintain the spending level in these areas The structure of the report is presented as follows section one gives executive summary Section two focuses on quantifying fiscal activities Section three analyzes a number of tax exemptions and loopholes Section four analyzes ways to improve the impact out of every Armenian dram raised and spent Section five evaluates in detail the social protection system's performance Section six accompanies the reforms of Armenia's public service remuneration system Armenia - Programmatic Public Expenditure Review World Bank, 2007 This module draws upon the work of the local consultants together with the Avag report on irrigation and a study on the specific problems in rural infrastructure It aims to give a broad overview of infrastructure problems the outlook given public policy objectives and a suggested public policy framework and proposes medium term policy structural governance and regulatory improvements in the sector In Armenia considerable progress has been made in bringing infrastructure services up to economically efficient levels But major challenges remain concerning service quality sustainability and adequacy of development to meet demand The government faces three challenging issues in respect of infrastructure the desirability of policy settings consistent with sustained high rates of growth improving the stewardship of state infrastructure assets and making effective use of future investments particularly those arising from donor contributions such as the millennium challenge corporation along with funds from customers Consistent with implementation of the Government's growth and poverty alleviation strategy and related policy settings supportive of the continuation of rapid economic growth including high rates of private investment The report estimates that addressing basic minimum infrastructure needs will require about US 300 million of investment **Republic of Armenia: 2021 Article IV Consultation, Fourth and Fifth Reviews Under the Stand-By Arrangement, and Request for Waiver of**

Nonobservance of Performance Criterion and Monetary Policy Consultation Clause-Press Release; Staff Report; and Statement by the Executive Director for the Republic of Armenia International Monetary Fund. Middle East and Central Asia Dept.,2021-12-21 Armenia has commenced a robust recovery from the deep 2020 recession benefiting from strong policies and the lifting of the political uncertainty after the elections in June A gradual but uneven improvement in the pandemic situation pent up demand and the strengthening of public and private investment are expected to drive 2022 growth Robust growth is expected over the medium term Risks Risks are relatively balanced although uncertainty remains high Strong reform implementation and accelerating vaccinations could improve the outlook while risks of a protracted pandemic renewed geopolitical tensions a slowdown in major trading partners and stress from global financial volatility and or trade tensions could hamper the recovery

Power's Promise Julian A. Lampietti,2004 This study examines the fiscal efficiency social and environmental impact of power sector reforms in seven countries in Europe and central Asia covering Armenia Azerbaijan Georgia Hungary Kazakhstan Moldova and Poland It includes a CD ROM containing a pdf of this publication in Russian plus pdfs of English and Russian versions of the following related titles i Utility pricing and the poor lessons from Armenia ii Coping with the cold heating strategies for eastern Europe and central Asia s urban poor and iii Revisiting reform in the energy sector lessons from Georgia

Weak Institutions and the Governance Dilemma Mariella Falkenhain,2020-04-07 Weak Institutions and the Governance Dilemma is especially important and welcome since it offers a very incisive analysis of the role of NGOs in transitional democracies and the effect of institutional setting on NGO effectiveness in representing citizen interests This book offers a very creative conceptual framework and timely penetrating case studies which provide valuable insights on NGO strategy governmental capacity and the possibilities for social change Steven Rathgeb Smith Executive Director American Political Science Association and Georgetown University USA This book provides a novel analytical perspective on policymaking policy effects and NGOs in hybrid regimes It examines the sources and patterns of gaps between formal rules political practice and longer term effects and explores how NGOs navigate the tension laden environments that gaps represent The book shows how weak institutions and malfunctioning policies turn NGOs into ambivalent actors Empirically it covers criminal justice and social protection policies in post Soviet Georgia and Armenia The findings from the in depth case studies are then extended by a discussion of gaps in hybrid regimes as diverse as Malaysia Kenya and Russia The book s approach and findings will appeal to scholars students and practitioners interested in NGOs institutional theory and public policy

Lives in the Balance Charles C. Griffin,David Ferranti,Courtney Tolmie,2010-08-01 Because of its potential impact and in some cases the harm it has brought foreign aid is under the microscope Donor countries who don t want simply to give money away recipient nations who need to make the most of what they have and get and analysts policymakers and writers are all scrutinizing how much is spent and where it goes Perhaps more important aid is only a small part of what developing country governments spend Their own resources finance 80

percent or more of health and education spending except in the most aid dependent countries Lives in the Balance investigates a vital aspect of this landscape how best to ensure that public spending including aid money gets to the right destination The development of democratic institutions and the spread of cheap communications technology in developing countries make it possible for the demand side citizens and civil society institutions to advocate for improved transparency stronger accountability better priorities reduced corruption and more emphasis on helping the poor Securing real reform will depend not only on knowledge of how the recipient government operates but also how to work with partner entities the media the private sector other organizations and legislators to raise awareness and compel change

Republic of Armenia International Monetary Fund,2002-10-17 This paper focuses on the Republic of Armenia s 2002 Article IV Consultation First and Second Reviews Under the Poverty Reduction and Growth Facility PRGF and a Request for Waiver of Performance Criteria The PRGF supported program approved in 2001 focuses on revenue mobilization the clearance of government arrears and a decline in the deficit of the energy sector Performance during the first year of the program was mixed Tax collection was sluggish and delays with structural reforms in the energy water and irrigation sectors led to the nonobservance of several quantitative performance criteria under the program

Structural Reforms and Macroeconomic Performance - Country Cases International Monetary Fund,2015-10-14 As a companion piece to the Board paper on Structural Reforms and Macroeconomic Performance Initial Considerations for the Fund this paper presents a selection of case studies on the structural reform experiences of member countries These papers update the Board on work since the Triennial Surveillance Review toward strengthening the Fund s capacity to analyze and where relevant offer policy advice on macro relevant structural issues The paper builds on the already considerable analytical work underway across the Fund setting out considerations to support a more strategic approach going forward

For Protection and Promotion Margaret Grosh,Carlo Del Ninno,Emil Tesliuc,Azedine Ouerghi,2008-08-25 Safety nets are noncontributory transfer programs targeted to the poor or vulnerable They play important roles in social policy Safety nets redistribute income thereby immediately reducing poverty and inequality they enable households to invest in the human capital of their children and in the livelihoods of their earners they help households manage risk both ex ante and ex post and they allow governments to implement macroeconomic or sectoral reforms that support efficiency and growth To be effective safety nets must not only be well intended but also well designed and well implemented A good safety net system and its programs are tailored to country circumstances adequate in their coverage and generosity equitable cost effective incentive compatible and sustainable Good safety nets are also dynamic and change over time as the economy changes or as management problems are solved and new standards are set Drawing on a wealth of research policy and operational documents from both academia and the World Bank s work in over 100 countries For Protection and Promotion provides pragmatic and informed guidance on how to design and implement safety nets including useful information on how to define eligibility and select

beneficiaries set and pay benefits and monitor and evaluate programs and systems The book synthesizes the literature to date and enriches it with new examples on various program options cash transfers conditional and unconditional in kind transfers price subsidies fee waivers and public works It concludes with a comprehensive diagnostic for fitting safety net systems and programs to specific circumstances *People and Power* Julian A. Lampietti, Sudeshna Ghosh Banerjee, Amelia Branczik, 2007 Empirical insights on household behavior and electricity consumption patterns in this book reveal that in Europe and Central Asia the erosion of tariff based subsidies has disproportionately affected the poor while direct transfers through social benefit systems have often been inadequately targeted The book suggests alternative strategies for achieving cost recovery in the electricity sector in a socially and politically acceptable manner providing lessons that are equally relevant for other utilities and regions

Green Finance and Investment Inventory of Energy Subsidies in the EU's Eastern Partnership Countries OECD, 2018-06-04 This publication aims to provide the first comprehensive and consistent record of energy subsidies in the EaP region with a view to improving transparency and establishing a solid analytical basis that can help build the case for further reforms in these countries *The Armenians* Edmund Herzig, Marina Kurkchian, 2004-11-10 A comprehensive introduction to the historical forces and recent social and political developments that have shaped today's Armenian people With contributions from leading Armenian American and European specialists the book focuses on identity formation exploring how the Armenians' perceptions of themselves and their place in the world are informed by their history culture and present day situation The book also covers contemporary politics economy and society and relates these to ongoing debates over future directions for the Armenian people both in the homeland and in the diaspora communities

Greening Public Budgets in Eastern Europe, Caucasus and Central Asia OECD, 2011-08-16 This report aims to help EECCA environmental administrations to harness the potential benefits of on going public finance reforms particularly the shift to multi year budgeting stability of funding and ultimately a more effective use of public money

The Low-Income Countries of the Commonwealth of Independent States Sarosh Sattar, Mr. Clinton R. Shiells, 2004-04-22 The CIS 7 Initiative was launched in 2002 and endorsed by ministers from the CIS 7 and donor countries with the objective of promoting poverty reduction economic growth and debt sustainability among the seven poorest countries of the Commonwealth of Independent States CIS This volume draws from the follow up conference held in Lucerne Switzerland in January 2003 The objective of this conference was to achieve an understanding of the development agenda in the seven countries and the key policy measures to be taken by the governments and donors to improve future prospects for the countries' populations

Public Expenditure Review Of Armenia Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Public Expenditure Review Of Armenia free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Public Expenditure Review Of Armenia free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Public Expenditure Review Of Armenia free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are

legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Public Expenditure Review Of Armenia. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Public Expenditure Review Of Armenia any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Public Expenditure Review Of Armenia Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
