Linardakis, 1994 RECIPES SWORN TO SECRECY reveals cherished family recipe secrets until this time unknown to all This delightful book presents recipes interesting stories of their origins described by the original families chefs from the romantic Mediterranean to the coastal waters of California After a five year search for the most unique recipes their elegant arrangement you ll find RECIPES SWORN TO SECRECY a tasteful experience This rare collection of recipes provides any cook with a conversation piece to highlight the meal Optimistic Associates Inc If it is a secret it has to be good A fascinating gift idea Along with the recipes ranging from sauces to imaginative meals are fun facts tips on preparation of food of course enticing stories to accompany each recipe With savored anticipation let the truth be known To order contact Baker Taylor Books Quality Books 800 323 4241 or Michaelis Medical Publishing Corp 2274 S 1300 E G8 288 Salt Lake City UT 84106 Phone 1 800 557 6672 FAX 801 273 7707 *Recipes for Immortality* Richard S Weiss, 2009-02-19 Despite the global spread of Western medical practice traditional doctors still thrive in the modern world In *Recipes for Immortality* Richard Weiss illuminates their continued success by examining the ways in which siddha medical practitioners in Tamil South India win the trust and patronage of patients While biomedicine might alleviate a patient s physical distress siddha doctors offer their clientele much more affiliation to a timeless and pure community the fantasy of a Tamil utopia and even the prospect of immortality They speak of a golden age of Tamil civilization and of traditional medicine drawing on broader revivalist formulations of a pure and ancient Tamil community Weiss analyzes the success of siddha doctors focusing on how they have successfully garnered authority and credibility While shedding light on their lives vocations and aspirations Weiss also documents the challenges that siddha doctors face in the modern world both from a biomedical system that claims universal efficacy and also from the rival traditional medicine ayurveda which is promoted as the national medicine of an autonomous Indian state Drawing on ethnographic data premodern Tamil texts on medicine alchemy and yoga government archival resources college textbooks and popular literature on siddha medicine and on the siddhar yogis he presents an in depth study of this traditional system of knowledge which serves the medical needs of millions of Indians Weiss concludes with a look at traditional medicine at large and demonstrates that siddha doctors despite resent trends toward globalization and biomedicine reflect the wider political and religious dimensions of medical discourse in our modern world *Recipes for Immortality* proves that medical authority is based not only on physical effectiveness but also on imaginative processes that relate to personal and social identities conceptions of history secrecy loss and utopian promise **A Revolution in Colour** Giorgio Riello, Maria Hayward, Ulinka Rublack, 2024-09-19 This major volume aims to re colour the European world of dress c 1300 1800 New dyes created one of the most important visual experiences of the period yet their story has been side lined by a focus on visual experiences shaped by the high arts Meanwhile theatrical productions and period films still abound with broad assumptions about the growing dominance of black clothing for elites during the

period while ordinary people are imagined having worn coarse greys and bleached garments This volume presents clear evidence that even the clothing of the middle classes could be much more expensive than paintings and that coloured clothing and accessories were ubiquitous across society Contributors shed new light on the economic environmental and cultural dimensions of colour in dress The range of dyes expanded considerably in the sixteenth and seventeenth centuries drawing on Asian and Mediterranean knowledge new collections of recipes and the greater diversity of plants available through New World trade Working creatively with organic plant animal and mineral materials to make colours involved considerable knowledge pleasure and skill The creation of colour through dyes thus reveals a whole range of global agricultural and craft technologies that can inspire future material worlds and transforms our understanding of Europe s cultural heritage
