## **Reciprocities In The Nonfiction Novel:**

Reciprocities in the Nonfiction Novel John Russell, 2000 Nonfiction novels have usually been associated with the new journalism writers of the 1960s such as Tom Wolfe Norman Mailer and Truman Capote Yet this form has long commanded a key position in the literary canon as John Russell now reveals Russell identifies eleven major works not usually thought of as nonfiction novels such as Isak Dinesen's *Out of Africa* and E E Cummings's *The Enormous Room* to create a new definition of the genre He shows that journalistic writing is characterized by a reporter's proprietary stance which undermines reciprocity with subjects while true nonfiction novels feature greater reciprocity and also employ such techniques as circular narrative and bricolage *Reciprocities in the Nonfiction Novel* contributes to ongoing explorations of literary forms and offers wise commentary on how writing about real life can become art

On Company Time Donal Harris, 2016-10-04 American novelists and poets who came of age in the early twentieth century were taught to avoid journalism like wet sox and gin before breakfast It dulled creativity rewarded sensationalist content and stole time from serious writing Yet Willa Cather W E B Du Bois Jessie Fauset James Agee T S Eliot and Ernest Hemingway all worked in the editorial offices of groundbreaking popular magazines and helped to invent the house styles that defined McClure's *The Crisis* *Time* *Life* *Esquire* and others *On Company Time* tells the story of American modernism from inside the offices and on the pages of the most successful and stylish magazines of the twentieth century Working across the borders of media history the sociology of literature print culture and literary studies Donal Harris draws out the profound institutional economic and aesthetic affiliations between modernism and American magazine culture Starting in the 1890s a growing number of writers found steady paychecks and regular publishing opportunities as editors and reporters at big magazines Often privileging innovative style over late breaking content these magazines prized novelists and poets for their innovation and attention to literary craft In recounting this history *On Company Time* challenges the narrative of decline that often accompanies modernism's incorporation into midcentury middlebrow culture Its integrated account of literary and journalistic form shows American modernism evolving within as opposed to against mass print culture Harris's work also provides an understanding of modernism that extends beyond narratives centered on little magazines and other institutions of modernism that served narrow audiences And for the writers the double life of working for these magazines shaped modernism's literary form and created new models of authorship

**A Companion to the Works of Max Frisch** Olaf Berwald, 2013 A comprehensive advanced introduction to and scholarly commentary on the work of the Swiss writer Max Frisch one of the leading German language dramatists and novelists of the late twentieth century One of the most influential German language writers of the late twentieth century Max Frisch 1911-1991 not only has canonical status in Europe but has also been well received in the English speaking world English translations of his works are available in multiple recent editions Frisch was a recipient of both the Bchner Award 1958 and the Peace Prize of the German Book Trade 1976 his body of work explores questions of identity alienation and

ethics in modern society He is best known for the plays *Andorra* 1961 a seminal drama that examines indifference and mass psychology in the context of the Shoah and continues to be produced by theaters around the world and *Biedermann und die Brandstifter* 1958 another worldwide success and one of the most frequently used texts in advanced undergraduate German courses in the United States as well as for his novels *Stiller* 1954 *Homo Faber* 1957 and *Mein Name sei Gantenbein* 1964 Yet Frisch has only recently begun to receive the sustained scholarly attention he deserves neither a comprehensive introductory volume to nor a collaborative handbook on the works of Frisch is available in English a situation that this volume redresses

**The Story of "Me"** Marjorie Worthington, 2018-11-01 Autofiction or works in which the eponymous author appears as a fictionalized character represents a significant trend in postwar American literature when it proliferated to become a kind of postmodern cliché The Story of Me charts the history and development of this genre analyzing its narratological effects and discussing its cultural implications By tracing autofiction's conceptual issues through case studies and an array of texts Marjorie Worthington sheds light on a number of issues for postwar American writing the maleness of the postmodern canon and anxieties created by the supposed waning of male privilege the relationship between celebrity and authorship the influence of theory the angst stemming from claims of the death of the author and the rise of memoir culture Worthington constructs and contextualizes a bridge between the French literary context from which the term originated and the rise of autofiction among various American literary movements from modernism to New Criticism to New Journalism The Story of Me demonstrates that the burgeoning of autofiction serves as a barometer of American literature from modernist authorial effacement to postmodern literary self consciousness

**You Bet Your Life** Neil D. Isaacs, 2014-10-17 We are a nation of gamblers pari mutuel wagering at horse tracks blackjack in Las Vegas the NCAA basketball office pool even day trading on the internet Gambling is both our national pastime and our predominant cultural metaphor play the field beat the odds take a chance on love Yet gambling poses serious risks to individuals and to society as a whole Neil Isaacs sports historian licensed clinical social worker English professor and a gambler himself for more than fifty years seeks to shatter the myths interfering with our understanding of gambling addiction its causes and its treatment He begins by systematically debunking several commonly held beliefs demonstrating that there is no such thing as the law of averages that gambling is not inherently sinful immoral or criminal and that money is not always the prime motivator for gamblers Isaacs shows how habitual gambling can lead to compulsive gambling but avoids oversimplifying this condition Arguing against a undifferentiated interpretation of pathological gambling as a simple impulse control disorder he draws examples from fiction film and his own practice to demonstrate additional ways gambling can be abused A radical departure

from established views *You Bet Your Life* identifies the costs in dollars people families and credit ratings of society's failure to address adequately the burdens of gambling *The Legacy of Primo Levi* S. Pugliese, 2004-12-16 This collection represents some of the latest research on Primo Levi the famous Auschwitz survivor Italian author in the field of Italian Studies Holocaust Studies Jewish Studies literary theory philosophy and ethics The author has collected an impressive group of scholars including Ian Thomson who has published a well received biography of Levi in the UK a US edition is due this year Alexander Stille who is a staff writer for the New Yorker as well as for the New York Times he is also the author of *Benevolence and Betrayal* *Five Italian Jewish Families under Fascism* and David Mendel who knew Levi and had an extensive correspondence with the Italian writer There are four essays on Levi's complex and fertile theory of the Gray Zone and further essays on the myriad aspects of this thought This is an excellent collection with new perspectives and interpretations of the life and work of Primo Levi

**Game Theory and Postwar American Literature** Michael Wainwright, 2017-02-14 If game theory the mathematical simulation of rational decision making first axiomatically established by the Hungarian born American mathematician John von Neumann is to prove worthy of literary hermeneutics then critics must be able to apply its models to texts written without a working knowledge of von Neumann's discipline in mind Reading such iconic novels as *Fahrenheit 451* *In Cold Blood* and *Kiss Tomorrow Goodbye* from the perspective of the four most frequently encountered coordination problems the Stag Hunt the Prisoner's Dilemma Chicken and Deadlock *Game Theory and Postwar American Literature* illustrates the significant contribution of mathematical models to literary interpretation The interdisciplinary approach of this book contributes to an understanding of the historical political and social contexts that surround the texts produced in the post Cold War years as well as providing a comprehensive model of joining game theory and literary criticism

**Latin American Adventures in Literary Journalism** Pablo Calvi, 2019-06-05 *Latin American Adventures in Literary Journalism* explores the central role of narrative journalism in the formation of national identities in Latin America and the concomitant role the genre had in the consolidation of the idea of Latin America as a supra national entity This work discusses the impact that the form had in the creation of an original Latin American literature during six historical moments Beginning in the 1840s and ending in the 1970s Calvi connects the evolution of literary journalism with the consolidation of Latin America's literary sphere the professional practice of journalism the development of the modern mass media and the establishment of nation states in the region

*Tropes for the Past* Kuisma Korhonen, 2006 In the last decades there has been an intense debate on the relationship between literature and historiography often linked to the debate between empiricists and postmodernists The aim of this collective work is to address this debate and to search for new ways of thinking and encountering the past The key note for the book comes from Hayden White one of the leading academic figures whose role in launching the contemporary history literature debate has been crucial It is followed by three critical readings of his work all suggesting new ways to apply or challenge his views In other chapters of the book history literature question is then

addressed from three points of view narrativity history as literature and literature as history Tropes for the Past is an ideal introduction to the literature historiography debate and Hayden White's role in it It will be of use for all students and scholars in the philosophy of history and in historically oriented literary cultural and social studies     **Road-book America** Rowland A. Sherrill, 2000 Sketching the socially marginal ingenious traveling characters common to both old and new versions Sherrill shows how the new American picaresque transforms the satirical aims of the original into an effort to map and catalog the immensity and variety of America BOOK JACKET     [The Georgia Review](#), 2000     **Novel Competition** Evan Brier, 2024-04-16 Novel Competition describes the literary and institutional effort to make the American novel matter after 1965 During this era Hollywood movies popular music and other forms of mass produced culture vied with novels for a specific kind of prestige often figured as importance or relevance that had mostly been attached to novels in previous decades This trans media competition Brier argues is a crucial but largely unacknowledged event in the literary and economic history of the American novel In the face of it the novel lost some of the symbolic specialness it formerly held That loss in turn generated not just a much discussed rhetoric of crisis but also a host of unexamined intertwined effects on both literary form and the business of novel production Drawing on a range of novels and on the archives of publishers editors agents and authors Novel Competition shows how fiction's declining position in a transformed popular prestige economy reshaped the post 1965 American novel as art form cultural institution and commodity     *Essay and General Literature Index* Minnie Earl Sears, Marian Shaw, Dorothy Herbert West, 2000 Includes List of books indexed published also separately     [Caribbean and South Asian Writers in Canada](#) Mary Kandiuk, 2007-01-26 This is the first bibliography of both new and established Caribbean and South Asian writers living in Canada The writers included in this volume are responsible for some of the most interesting writing coming out of Canada today While the work of these writers is attracting worldwide attention and acclaim literary criticism relating to their work is often scarce and difficult to locate By citing critical source material on the works of these 27 significant poets novelists and dramatists Caribbean and South Asian Writers in Canada fills a gap in existing bibliographical tools The figures included in this bibliography are celebrated established authors such as Austin C Clarke Bharati Mukherjee and Michael Ondaatje as well as exciting newcomers like Dionne Brand Marlene Nourbese Philip and Rohinton Mistry Each section begins with a brief biography of the author followed by a bibliography of his or her works Following the primary bibliography is a listing of secondary criticism in English Secondary sources include books parts of books periodical articles book reviews and dissertations The bibliography also includes extensive listings of secondary criticism for materials not indexed elsewhere and brief annotations are provided to indicate the subject matter of the work Caribbean and South Asian Writers in Canada will meet the needs of students and scholars around the world exploring an exciting new chapter in Canadian Literature     [Grove Encyclopedia of Islamic Art & Architecture: Three-Volume Set](#) Jonathan Bloom, Sheila Blair, 2009-05-14 The Grove Encyclopedia of Islamic Art and Architecture deals with all aspects of

Islamic art and architecture ranging from the Middle East to Central Asia to Southeast Asia and Africa The volumes cover all subject areas in Islamic art including artists rulers writers architecture ceramics sculpture metalwork painting calligraphy textiles and more The Grove Encyclopedia of Islamic Art and Architecture provides unparalleled scope and depth on this rapidly growing area of interest It offers fully updated articles and bibliography as well as more than 500 plans maps diagrams illustrations and colour plates Similar in scope and design to The Grove Encyclopedia of Decorative Arts this three volume reference work contains articles of various lengths in alphabetical order The shorter more factual articles none shorter than 50 words are combined with larger multi section articles tracing the development of the art forms in various geographical locations *International Bibliography of Book Reviews of Scholarly Literature Chiefly in the Fields of Arts and Humanities and the Social Sciences* ,2001 *Haruki Murakami* Chikako Nihei,2019-05-03 Haruki Murakami

Storytelling and Productive Distance studies the evolution of the monogatari or narrative and storytelling in the works of Haruki Murakami Author Chikako Nihei argues that Murakami s power of monogatari lies in his use of distancing effects storytelling allows individuals to cross into a different context through which they can effectively observe themselves and reality His belief in the importance of monogatari is closely linked to his generation s experience of the counter culture movement in the late1960s and his research on the 1995 Tokyo Sarin Gas Attack caused by the Aum shinrikyo cult major events in postwar Japan that revealed many people s desire for a stable narrative to interact with and form their identity from
