Reckless Fires

**Richard Card, Sir Rupert Cross, Philip
Asterley Jones**

Reckless Fires:

Reckless Fires Kaye Wilson Klem, 1978 **National Healths** Michael Worton, Wilson Tagoe, 2013-07-04 In today's globalised world it is increasingly important to understand the otherness of different societies and their beliefs, histories and practices. This book focuses on a burning cultural issue: how concepts and constructions of gender and sexuality impact upon health, medicine and healthcare. Starting from the premise that health is neither a universal nor a unitary concept, it offers a series of interdisciplinary analyses of what sickness and well-being have been, are and can be. The originality of this book is its cross-cultural and trans-historical approach. Bringing together specially commissioned work by both major critical voices and young scholars in fields ranging from anthropology and art history to philosophy, political science and sociology, this volume challenges many traditional assumptions about gender, medicine and health care. Issues addressed include the politics and realities of female genital mutilation, sex work and migration, the portrayal of mothering in contemporary African writing, the representation of AIDS in literature, photography and the media, the place of gender in ancient Egyptian health papyri, the dramatisation of morality and sexual over-indulgence in Thai literature, the relationship between myths of menstruation and power in early modern England, the role of anger in traditional Chinese medicine and the ways in which both disease and sexual identities were redefined by cholera in the nineteenth century. The wide-ranging Introduction provides a historical and theoretical framework for what is defined here as Cultural Medicine, whilst fifteen original essays demonstrate from different perspectives that health is not merely a physiological and medical issue but also a cultural and ethical one. An invaluable research and study resource, this book is written in a clear and accessible style and will be of interest to the general reader as well as to students of all levels, to teachers of a wide range of disciplines and to specialist researchers of cultural studies and of medicine.

Scots Criminal Law Pamela R. Ferguson, 2015-01-01 *Scots Criminal Law: A Critical Analysis* provides a clear statement of the current law for students and practitioners with a theoretical and critical focus. This new edition has been updated to reflect changes in the law since the first edition published.

Fire Investigation for the Company Officer Cliff Munson, Reed Bingham, 2019-11-05 *Fire Investigation for the Company Officer* is intended to supplement the approach to the challenges and problems faced by company commanders on the fireground. Many fire department company officers lack training in the science of fire investigation and a successful fire investigation often depends on the initial actions of the engine or truck company commander. This book provides company officers with tools to preserve a fire scene and conduct a preliminary investigation as to the cause of the fire and possibly identifying witnesses, victims and even suspects. It will also make a great text for teaching fire investigation classes. Recognizing the cause and origin of any fire is a complicated undertaking that should be approached in a systematic and scientific manner and that depends on good training and good methods. *Fire Investigation for the Company Officer* is intended to provide that training to current fire department officers and those wishing to become fire department officers.

Safety Preparations for Cruising Jeremy R. Hood, 1997 Most

sailors go to sea without prior knowledge of the cruising lifestyle and its demands Jeremy Hood utilizes his years of personal experience to teach safety measures and prudent seamanship to would be cruisers so they can set out on a vessel designed or altered with their well being in mind aware of potential risks familiar with possible solutions and possessing increased self reliance to help minimize or resolve problems Safety Preparations for Cruising begins with a discussion of general preparations and proceeds to comprehensively cover safety material related to every facet of cruising Topics include the structural integrity of the vessel and its potential for breakdowns basic skills dangerous situations and more Each chapter begins with a real life experience introducing the topic covered and concludes with a valuable checklist summarizing the discussion and measuring strengths and weaknesses in ourselves and our vessels This primer on safety is essential for anyone fitting out or preparing for offshore cruising *Annual Report of the State Board of Forestry* Indiana. State Board of Forestry,1906 **Annual Reports of ..., Submitted to the General Assembly of the State of Indiana** Indiana,1906

Annual Reports of the Officers of State of the State of Indiana Indiana,1906 **Card, Cross & Jones: Criminal Law** Richard Card,Sir Rupert Cross,Philip Asterley Jones,2012-05-24 This popular title combines breadth of coverage with readability and sets out the principal points of criminal law in a systematic and thorough way This edition includes the most recent legislative and case law developments **American Law Reports Annotated** ,1924 **21 strangers** quinn.,2024-09-19 A fragmented mind on its way to recovery anonymously chronicles Jax s life and challenges with dissociative identity disorder DID formerly called multiple identity disorder The condition is contradictory despite her deep sense of gratitude for the protection this disorder offered her she carries the shame of not facing the trauma head on Although she is blessed with countless members of her own found family each of these people know only one part of her compartmentalized mind Yet despite the walls and safe spaces involved DID was not foolproof The complex system failed This survivor s tale begs the reader to contemplate one question Is dissociative identity disorder a blessing or a curse **New York Insurance Journal** ,1893 Feeling the heat: International perspectives on the prevention of wildfire ignition Janet Stanley,Alan March,James Ogloff,Jason Thompson,2020-09-01 In the context of climate change world population growth and crashing ecological systems wildfire is often a catastrophic and traumatic event Its impact can include loss of life life changing injuries long term psychological stress increases in domestic violence destruction of properties business and livestock long term housing insecurity increased insurance premiums fire fighting legal and health costs as well as significant changes and species losses in the natural environment In Australia an average of 4 500 wildfires occur weekly Yet how to prevent these wildfires 85% of which are caused by human activities has received extraordinarily little attention The current approach to the prevention of arson can be summarised as small in scale uncoordinated and rarely evaluated Feeling the heat International perspectives on the prevention of wildfire ignition is the culmination of over a decade of research into wildfires and arson taking an interdisciplinary approach to comprehensively understand the topic This book reviews current

international knowledge and presents new findings on political spatial psychological socio ecological and socio economic risk factors It argues that if we are to reverse the increasing occurrence and severity of wildfires all prevention approaches must be utilised broadening from heavy reliance on environmental modification Such prevention measures range from the critical importance of reducing greenhouse gases to addressing the psychological and socio economic drivers of arson In particular it calls for a coordinated and collaborative approach across sectors including place based state and country coordination as well as an international body It will hold appeal for researchers and students from a range of disciplines and interests government planners and policymakers emergency services counsellors and NGOs and those in agriculture and forestry

Journey of the Heart DiAnn Mills,Peggy Darty,2016-02-01 Rediscover this classic romance from bestselling author DiAnn Mills Travel along with Katie Colter as she leaves her Comanche home to join family at the white man s fort She leaves behind Lone Eagle the warrior she was to marry and tries to adapt to the life of her own people learning about their strange God and befriending Sergeant Peyton Sinclair But Lone Eagle won t forget her and Katie faces a hard choice Also included is a bonus historical romance from author Peggy Darty

Individual Liability for Fires Due to Carelessness Or Neglect National Fire Protection Association,1915 Othered No More Ofer Agam,2020-09-17 In the Bible Esau s firstborn rights are deceitfully given to his brother Jacob Lost and desperate Esau seeks advice and consultation from his uncle Ishmael In this fantasy fable the two men share the experience of being other in both the Genesis stories and subsequent rabbinic literature As their journeys unfold a spokeswoman for God named Bat Kol intervenes She offers Esau and Ishmael a way to overcome their unjust predicaments through reincarnation and rebirth in the world of today while retaining the inherited wisdom of the millennia They can regain their lost legacies by saving a world on its way to self destruction Written in both Hebrew and English Othered No More is an epic poem that offers deeply relevant lessons on morality and ethics as well as a plan for sustainable living amid threats of global climate change Watch and wonder if two outcast biblical figures will agree to help alter the dire fate of our world

Forensic Psychology James McGuire,Simon Duff,2018-04-18 This brand new textbook provides a complete course in forensic psychology covering the criminal justice system law and legislation and treatments and outcomes for offenders It offers rigorous coverage of the major topics from theoretical concepts and research methods to explaining criminal acts and patterns of crime The authors both from leading institutions and well known in the field guide readers through the interlocking systems of criminal justice mental health and social service provision providing a deeper critical appreciation of what motivates crime and how criminal behaviour can be understood assessed and treated This text will be core reading for upper level undergraduates and postgraduates studying forensic psychology either as a module on a BSc Psychology degree or on an MSc for trainee Forensic Psychologists It will also be ideal for early career practitioners
