Reckless Abandon The Call For Spiritual Pioneers:

Reckless Abandon Larry Tomczak, 2002 God is searching for trailblazers forerunners pioneers who will stir the rest of the church out of complacency and into His glorious purposes says author Larry Tomczak How will you respond to God's voice as He calls you out of comfy cozy complacency and into the life of a spiritual pioneer **Hearing God in**

Conversation Sam Williamson, 2016-06-27 I picked it up out of curiosity and I couldn't put it down Eugene Peterson Christians are comfortable saying that Christianity is about a relationship with God Yet many might also say that they sense little meaningful relationship with God in their own lives After all the foundation of good relationship is communication but conversation with God often seems to go only one way We may sing of walking and talking with God in the garden His voice falling on our ears but few have heard that beloved voice themselves Sam Williamson acknowledges the fundamental human longing to hear God's voice and offers a hopeful supposition God is always speaking we've just never been taught how to recognize His voice Williamson handles this potentially heady topic with his characteristic straightforwardness and leavening humor This book deftly bridges the gap between solid biblical theology and practical application addressing topics such as how to truly pray without ceasing how to brainstorm with God how to navigate our emotions how to answer God's questions and how to hear God's voice for others Hearing God in Conversation offers simple step by step lessons on how to hear God Williamson begins with Scripture meditation He then expands the practice of listening for that voice everywhere in the checkout line on the job in a movie theater and even in silence From there he demonstrates how to hear God's guidance when making any decision By the end readers eyes and ears will be opened to the limitless methods through which God speaks **Books In Print** 2004-2005 Ed Bowker Staff, Staff Bowker, Ed, 2004 **God in the Rainforest** Kathryn T.

Long, 2019-01-10 In January of 1956 five young evangelical missionaries were speared to death by a band of the Waorani people in the Ecuadorian Amazon Two years later two missionary women the widow of one of the slain men and the sister of another with the help of a Wao woman were able to establish peaceful relations with the same people who had killed their loved ones The highly publicized deaths of the five men and the subsequent efforts to Christianize the Waorani quickly became the defining missionary narrative for American evangelicals during the second half of the twentieth century God in the Rainforest traces the formation of this story and shows how Protestant missionary work among the Waorani came to be one of the missions most celebrated by Evangelicals and most severely criticized by anthropologists and others who accused missionaries of destroying the indigenous culture Kathryn T Long offers a study of the complexities of world Christianity at the ground level for indigenous peoples and for missionaries anthropologists environmentalists and other outsiders For the first time Long brings together these competing actors and agendas to reveal one example of an indigenous people caught in the cross hairs of globalization **Charisma and Christian Life**, 2003 **The Saturday Review of Politics, Literature, Science and Art**, 1861 **Saturday Review**, 1861 **Congressional Record** United States.
