 the rhetoric of the Athenian empire Thucydides account of the Peloponnesian War and the notable discrepancies between his
 assessment of Athens and that found in tragedy funeral orations and public art Mills explores the contradiction between
 Athenian actions and their self representation arguing that Thucydides highly critical cynical approach to the Athenian
 empire does not reflect how the average Athenian saw his city s power The popular education of the Athenians as presented
 to them in funeral speeches drama and public art told a very different story from that presented by Thucydides history and it
 was far more palatable to ordinary Athenians since it offered them a highly flattering portrayal of their city and by extension
 each individual who made up that city Drama Oratory and Thucydides in Fifth Century Athens Teaching Imperial Lessons

 lobsterman from the town where Kate spent her childhood summers So is Chat Wethers an old money friend of George s from
 Dartmouth And so is Harry Lombardi a brilliant startlingly successful but socially awkward Dartmouth upstart who has been
 trying to enter this circle for years It is George who tells the interwoven stories of these five young people some of whom in
 their lineage or finances represent the last gasp of the old Northeastern Upper Class Starting with the year after college
 when they all land in Manhattan George describes the good times and disappointments ambition and manners sexual secrets
 and money cursed friendships that have tied these people to one another for a lifetime He tells of Nick s charismatic past and
 drug ridden present and he shows the snobbery and avarice that lurk in Kate s background in stark contrast to her ineffable
 allure And as George tells these stories and observes Harry s spectacular rise in the new as yet unnamed phenomenon of the
