Vectors of Desire Jim Zimmerman,2004-08

Desire in all of its complexity and excess defined the American millennial moment On the surface to listen to the present political cacophony things have changed but not in the way people actually think and behave in private life Though terror and trauma are said to have gained the upper hand desire continues to provide the propulsive force of the culture But how do you paint desire How do you capture its richness power and meaning This monograph addresses those questions in the process of considering more than fifty major oil paintings made by the American realist Terry Rodgers between 1990 and 2005 Because most of these spectacular paintings are in the hands of private collectors the best way to get to know them is www.terryrodgers.com where all of the images reproduced here in black and white are available in color Rodgers with upcoming shows scheduled in Amsterdam and Atlanta is in the midst of a prodigiously productive period and is on the verge of attracting the international critical notice he deserves and will certainly soon command owing to his irresistible subject matter his remarkable technical accomplishment and his brilliant overall vision of painting and culture *To Desire a Highlander* Sue-Ellen Welfonder, 2015-08-25

AN UNWILLING BRIDE Proud passionate Lady Gillian MacGuire is known as the Spitfire of the Isles She can take care of herself and hasn't yet met a man who could impress her especially not Donell MacDonnell the odious older man she was promised to five years ago She's been dreading his return but when her intended comes back to claim her she's stunned at how different he seems The man she swore she would spurn forever now invades her thoughts her dreams and her heart AN UNEXPECTED DESIRE When Roag agrees to assume the identity of the recently deceased MacDonnell chieftain no one warns him that the man was betrothed As a member of the King's Fenris Guard he is oath bound to embark on whatever mission the crown gives him Of course he was expecting a battle not a bride Yet after sharing one kiss with Lady Gillian the powerful Highlander becomes the one seduced and captivated Now giving in to temptation could ruin them both *Creator* Michael A Hills, 2005-11

In the days of yore when the Christian God sent his only son to save the wretched human race the Olympian spirits had sent a saviour of their own Unlike Jesus however the saintly pagan son was not without sin nor error nor would he ignore temptations and desire Ill fated from the start he would not become a humble carpenter either but one who is skilled in warfare thievery and deceit He who would begin his life without a name or an inkling of whence he came the last descendant of a vanishing legacy would someday be called to perform great miracles and here his story will be told Through death the gods gave him life In his quest to create a heaven on earth Daedalus Rufus becomes a mortal god to the people He turns misery into bliss and doldrums into merriment and games Like Alexander the Great the gods favor Daedalus Rufus But as with all the illustrious names that march into the abyss he has also been cursed Have you ever read a book that truly enlightens Michael A Hills has scribed not only a highly entertaining story but to read and grasp the full meaning of *Creator* is to move one step closer to understanding one's self I honestly rank it among the best reads of my entire life David Wayne Hoffman *Glooming Magazine* *Midnight Sun* Sasha Josri, 2019-08-14
