Second chances don t always come easy even when you re determined to get them I let her slip through my fingers No that s a lie I was reckless and pushed her away I was never supposed to fall for her my tutor my best friend My fantasy I tried to stay away I failed Then we graduated and everything changed All I needed was a step back a moment to breathe But by the time I came up for air she was in the arms of another man Four years later everything is different And when I see her again I

remember why I should have never let her go in the first place It started on day one New school New life And there he was the boy I grew up with walking up the steps of my very first class Except now the boy from my memories was gone and his place was an Adonis of a man Even though I knew we were doomed from the start it didn't take much for me to fall for him And when you find something that perfect you don't second guess it Until it ends Four years later he's back Steamrolling through my life like he never broke my heart to begin with But this time I'm older wiser and know that second chances are only the stuff of fairy tales If you're looking for EXPLOSIVE CHEMISTRY soul mate deep love and tons of feels this is the romance for you
