Reckoning With Homelessness

David Levinson

Reckoning With Homelessness:

Reckoning with Homelessness Kim Hopper, 2014-07-15 It must be some kind of experiment or something to see how long people can live without food without shelter without security Homeless woman in Grand Central Station Kim Hopper has dedicated his career to trying to address the problem of homelessness in the United States In this powerful book he draws upon his dual strengths as anthropologist and advocate to provide a deeper understanding of the roots of homelessness He also investigates the complex attitudes brought to bear on the issue since his pioneering fieldwork with Ellen Baxter twenty years ago helped put homelessness on the public agenda Beginning with his own introduction to the problem in New York Hopper uses ethnography literature history and activism to place homelessness into historical context and to trace the process by which homelessness came to be recognized as an issue He tells the largely neglected story of homelessness among African Americans and vividly portrays various sites of public homelessness such as airports His accounts of life on the streets make for powerful reading

Encyclopedia of Homelessness David Levinson, 2004-06-21 Click Additional Materials for downloadable samples This valuable reference provides an excellent overview of a serious world wide problem As such it is an essential purchase for all libraries LIBRARY JOURNAL star review Levinson s remarkable work deserves an award for tackling this complex social problem in such a very thorough and well organized way Highly Recommended CHOICE At any given moment about 3 million American women men and children are homeless And another 5 million Americans spend over 50% of their incomes on housing meaning that one missed paycheck one health crisis or one unpaid utility bill can push them out the door into homelessness Homelessness is one of the major social problems and personal and family tragedies of the contemporary world No community city or nation is immune and the lack of affordable housing and a decline in secure well paying jobs means that the problem will only get worse The Encyclopedia of Homelessness is the first systematic effort to organize and summarize what we know about this complex topic that impacts not only the homeless but all of society The Encyclopedia focuses on the current situation in the United States with a comparative sampling of homelessness around the world Key Themes Causes Lifestyle Issues Health Issues and Services History Legal Issues and Advocacy Government Policies and Programs Organizations Research Approaches Service Systems and Settings Size and Characteristics of the Homeless Population Public Perceptions of Homelessness World Issues and Perspectives Quick and Easy Regional Comparisons Additional descriptive articles cover homelessness today in a sample of American cities and a sample of cities and nations of the world allowing for quick and easy comparisons The Encyclopedia contains entries on Australia Brazil Canada Cuba France Guatemala Japan Nigeria Russia Sweden the United Kingdom Zimbabwe Tokyo Calcutta London and others around the world The Encyclopedia of Homelessness meets the needs of a broad audience offering a rich history and the data views and perspectives of experts from different disciplines and perspectives including Sociologists Anthropologists Economists Historians Social Policy Analysts and Planners Program Administrators Physicians Social

Workers Lawyers who provide advocacy and services Journalists Students of history social studies and the social sciences in high school through graduate school

Appendices In addition to the articles the Encyclopedia provides five carefully researched and compiled appendices that make this the key starting point for the study of homelessness

Homelessness Autobiographical and Fictional Homelessness in Popular Culture Film Directory of Street Newspapers Documentary History Selection of primary source material Master Bibliography Key Features Two volumes and over 150 entries organized alphabetically Entries written by an international team of leading authorities in the field Reader's Guide groups entries by broad topic areas Appendices offer a wealth of additional information

Finding Home: Policy Options for Addressing Homelessness in Canada, 2009 *Homelessness in New York City* Thomas J. Main, 2017-09-12 Introduction The beginnings of homelessness policy under Koch The development of homelessness policy under Koch Homelessness policy under Dinkins Homelessness policy under Giuliani Homelessness policy under Bloomberg Homelessness policy under De Blasio Conclusion

Homelessness Neil Larry Shumsky, 2012-01-16 This book presents an unflinching investigation of homelessness in the United States a problem that has been with us since the arrival of the first English settlers nearly 400 years ago The terms historically used to describe them include bums hoboes migrants street people transients tramps and vagrants Just as varied as the words we have used to describe them are the reasons many people have found themselves living in the land of opportunity without permanent residence The book considers homelessness and its distinctive character in three periods of American history the era of tramps and hoboes in the late 1800s early 1900s the era of transients and migrants in the 1930s and the era of homeless and street people in the last 40 years It clarifies the multiple meanings of the word homeless today and demonstrates that homelessness is a symptom of more than one problem leading to confusion about the issue of homelessness and hampering attempts to reduce its occurrence Author Neil Larry Shumsky PhD also postulates that the treatment of homelessness in England before the colonization of North America laid the foundation of pervasive American attitudes and practices

Toward Understanding Homelessness, 2007 **Poor and Homeless in the Sunshine State** James Wright, 2017-07-05 A place like Orlando Florida is not transformed from swampland to sprawling metropolis through Peter Pan like flights of fancy but through theme park expansions requiring developmental schemes that are tough minded and often worsen relationships between the wealthy and the poor The homeless arrive with their own hopes and illusions which are soon shattered The rest of the local population makes its peace with the system Meanwhile the homeless are reduced to advocacy models that neither middle nor working class folks much worry about They are modern members of Ellison's invisible men but they comprise a racial and social mixture unlike any other in the American landscape This book is primarily about the dark side of this portrait the poor near poor homeless and dispossessed who live in the midst of this verdant landscape The phrase down and out has been used to describe people who are destitute or penniless since the late nineteenth century Here the term is used in a more expansive sense as synonymous with anyone who lives near at or over the

edge of financial catastrophe Research Handbook on Homelessness Guy Johnson,Dennis Culhane,Suzanne Fitzpatrick,Stephen Metraux,Eoin O'Sullivan,2024-08-06 The Research Handbook on Homelessness presents a comprehensive account of the current knowledge and understanding of homelessness the substantial challenges it presents and the latest developments in responding to the issue Bringing together 54 of the world s leading scholars in this field this multidisciplinary Research Handbook acknowledges the increasing interest in homelessness across various academic disciplines and highlights the constant evolution of this issue as well as the research methods that accompany it

Homeless in Las Vegas Kurt Borchard,2011-04-28 The homeless men and women represented in this book speak candidly about their plight its origins and the many obstacles to escaping it They discuss the unique challenges and opportunities that Las Vegas s focus on tourism indulgence and diversion offers its homeless residents This compelling and emotionally charged ethnography counters many of the stereotypes of homeless men and women revealing the remarkable diversity of their circumstances It also offers their perspectives on social services and civic attitudes toward homelessness *Rewriting Homeless Identity* , Jeremy S. Godfrey,2015-12-24 *Rewriting Homeless Identity* Writing as Coping in an Urban Homeless Community focuses on the identities of homeless writers with initially limited or no specialized training in writing at a homeless community church Through an ethnographic two year study author Jeremy Godfrey hosted and participated in weekly writing workshops He also participated in the founding of a street newspaper within that community This book shows Godfrey s experiences in leading writing workshops and how they promoted self exploration within this community Students of the workshop negotiated their unique individual writing personas during the study Those personas were often coping with their experiences on the streets More importantly the writers viewed those experiences as central to their writing processes Much like the setting of the workshop at an urban non denominational community church the writers honed their coping tactics through conversational and performance driven writings *Rewriting Homeless Identity* highlights those writing samples and the conversations with homeless authors of the samples in relation to identity and a sense of growth **Ed**

Koch and the Rebuilding of New York City Jonathan Soffer,2012-01-31 In 1978 Ed Koch assumed control of a city plagued by filth crime bankruptcy and racial tensions By the end of his mayoral run in 1989 and despite the Wall Street crash of 1987 his administration had begun rebuilding neighborhoods and infrastructure Unlike many American cities Koch s New York was growing not shrinking Gentrification brought new businesses to neglected corners and converted low end rental housing to coops and condos Nevertheless not all the changes were positive AIDS crime homelessness and violent racial conflict increased marking a time of great if somewhat uneven transition For better or worse Koch s efforts convinced many New Yorkers to embrace a new political order subsidizing business particularly finance insurance and real estate and privatizing public space Each phase of the city s recovery required a difficult choice between moneyed interests and social services forcing Koch to be both a moderate and a pragmatist as he tried to mitigate growing economic inequality

Throughout Koch's rough rhetoric attacking his opponents as crazy wackos and radicals prompted charges of being racially divisive. The first book to recast Koch's legacy through personal and mayoral papers, authorized interviews and oral histories, this volume plots a history of New York City through two rarely studied yet crucial decades: the bankruptcy of the 1970s and the recovery and crash of the 1980s. Mean Streets Don Mitchell, 2020. Mean Streets offers in a single sustained argument a theory of the social and economic logic behind the historical development, evolution and especially persistence of homelessness in the contemporary city. By updating and revisiting thirty years of research and thinking, Don Mitchell explores the conditions that produce and sustain homelessness and how its persistence relates to the way capital works in the urban built environment. Consequently, he unpacks the structure, meaning, uses and governance of urban public space. As one reviewer commented, thinking about the histories under which the homeless have been produced and regulated is vital. Mitchell traces his argument through two sections: a broadly historical overview followed by an exploration of recent Supreme Court jurisprudence that also expands the discussion beyond the regulation of the homeless and the poor, arguing that this has metastasized to become a more general issue affecting all urbanites. For a Liberatory Politics of Home Michele Lancione, 2023-10-06. In For a Liberatory Politics of Home, Michele Lancione questions accepted understandings of home and homelessness to offer a radical proposition: homelessness cannot be solved without dismantling current understandings of home. Conventionally, home is framed as a place of security and belonging, while its loss defines what it means to be homeless. On the basis of this binary, a whole industry of policy interventions, knowledge production and organizing fails to provide solutions to homelessness but perpetuates violent and precarious forms of inhabitation. Drawing on his research and activism around housing in Europe, Lancione attends to the interlocking crises of home and homelessness by recentering the political charge of precarious dwelling. It is there, if often in unannounced ways, that a profound struggle for a differential kind of homing signals multiple possibilities to transcend the violences of home/homelessness. In advancing a new approach to work with the politics of inhabitation, Lancione provides a critique of current practices and offers a transformative vision for a renewed liberatory politics of home.

Transdisciplinary Ethnography in India Rosa Maria Perez, Lina M. Fruzzetti, 2021-08-18. This book familiarises readers with a new way to treat the subject of gender, foregrounding the real voices of women, their experiences doing ethnographic work and their courage in sharing their stories publicly for the first time in the context of India. A useful companion to more theory-based anthropological studies, the book connects ethnographic data to what eventually becomes theories formed from the field. Chapters by women from a variety of disciplines—Anthropology, Literary and Translation studies, Political Sciences—transcend the academic boundaries between social sciences and humanities. The book shows how the researchers navigate in the field, write in ways that defy their academic life and work and call into question their narrative voice. The book presents a space for women to reflect on their individual themes of research and, at partially filling the vacuum mentioned above, the silences of women's voices and expressions. The experiences

described in the chapters differ both along the divide of a native and a non native fieldworker and along different disciplinary fields but they share the experience of a long term fieldwork in India and the need to self reflect on the impact of this experience on the way the field is represented on the people encountered in the field on the way the field impacted on the fieldworker The book is a useful presentation of how female researchers act in the field as women and scholars Filling a gap in the existing literature of ethnographic research methods the book will be of interest to students and researchers interested in the fields of Gender Studies Social Work Sociology Anthropology and Asian Studies *Homelessness, Housing, and Mental Illness* Russell K. Schutt, Stephen M. Goldfinger, 2011-02-28 Humans are social animals and in general don't thrive in isolated environments Homeless people many of whom suffer from serious mental illnesses often live socially isolated on the streets or in shelters Homelessness Housing and Mental Illness describes a carefully designed large scale study to assess how well these people do when attempts are made to reduce their social isolation and integrate them into the community Should homeless mentally ill people be provided with the type of housing they want or with what clinicians think they need Is residential staff necessary Are roommates advantageous How is community integration affected by substance abuse psychiatric diagnoses and cognitive functioning Homelessness Housing and Mental Illness answers these questions and reexamines the assumptions behind housing policies that support the preference of most homeless mentally ill people to live alone in independent apartments The analysis shows that living alone reduces housing retention as well as cognitive functioning while group homes improve these critical outcomes Throughout the book Russell Schutt explores the meaning and value of community for our most fragile citizens *Social Work and the Grand Challenge to Eliminate Racism* Martell L. Teasley, Michael S. Spencer, Melissa Bartholomew, 2023 In the current era the ongoing challenge of race and ethnic relations and growing white supremacy reminds us that the centrality of racism needs considerable attention and has us profoundly questioning the structure and functioning of institutional practices In *Social Work and the Grand Challenge of Ending Racism* the authors argue that racism has been somewhat short shifted as an avenue of inquiry to help explain social problems and social welfare outcomes within the social work profession and within the greater society This book promotes innovative ways of preventing or interrupting racism and to stress the development and proliferation of antiracism practices as a method of reducing racialized outcomes in society Front Porch Politics Michael Stewart Foley, 2013-09-17 Reading this book revives the spirit of civic action today for those who are unjustifiably forlorn about overcoming injustice Ralph Nader An on the ground history of ordinary Americans who took to the streets when political issues became personal The 1960s are widely seen as the high tide of political activism in the United States According to this view Americans retreated to the private realm after the tumult of the civil rights and antiwar movements and on the rare occasions when they did take action it was mainly to express their wish to be left alone by government as recommended by Ronald Reagan and the ascendant New Right In fact as Michael Stewart Foley shows in *Front Porch Politics* this understanding of post 1960s politics needs drastic revision On

the community level the 1970s and 1980s witnessed an unprecedented upsurge of innovative and impassioned grass roots political activity In Southern California and on the Lower East Side of Manhattan tenants challenged landlords with sit ins and referenda in the upper Midwest farmers vandalized power lines and mobilized tractors to protect their land and in the deindustrializing cities of the Rust Belt laid off workers boldly claimed the right to own their idled factories Meanwhile activists fought to defend the traditional family or to expand the rights of women while entire towns organized to protest the toxic sludge in their basements Recalling Love Canal the tax revolt in California ACT UP and other crusades famous or forgotten Foley shows how Americans were propelled by personal experiences and emotions into the public sphere Disregarding conventional ideas of left and right they turned to political action when they perceived from their actual or figurative front porches an immediate threat to their families homes or dreams Front Porch Politics is a vivid and authoritative people s history of a time when Americans followed their outrage into the streets Addressing today s readers it is also a field guide for effective activism in an era when mass movements may seem impractical or even pass The distinctively visceral local and highly personal politics that Americans practiced in the 1970s and 1980s provide a model of citizenship participation worth emulating if we are to renew our democracy [The Wiley-Blackwell Encyclopedia of Urban and Regional Studies](#) Anthony M. Orum,2019-04-15 Provides comprehensive coverage of major topics in urban and regional studies Under the guidance of Editor in Chief Anthony Orum this definitive reference work covers central and emergent topics in the field through an examination of urban and regional conditions and variation across the world It also provides authoritative entries on the main conceptual tools used by anthropologists sociologists geographers and political scientists in the study of cities and regions Among such concepts are those of place and space geographical regions the nature of power and politics in cities urban culture and many others The Wiley Blackwell Encyclopedia of Urban and Regional Studies captures the character of complex urban and regional dynamics across the globe including timely entries on Latin America Africa India and China At the same time it contains illuminating entries on some of the current concepts that seek to grasp the essence of the global world today such as those of Friedmann and Sassen on global cities It also includes discussions of recent economic writings on cities and regions such as those of Richard Florida Comprised of over 450 entries on the most important topics and from a range of theoretical perspectives Features authoritative entries on topics ranging from gender and the city to biographical profiles of figures like Frank Lloyd Wright Takes a global perspective with entries providing coverage of Latin America and Africa India and China and the US and Europe Includes biographies of central figures in urban and regional studies such as Doreen Massey Peter Hall Neil Smith and Henri Lefebvre The Wiley Blackwell Encyclopedia of Urban and Regional Studies is an indispensable reference for students and researchers in urban and regional studies urban sociology urban geography and urban anthropology **Reviving the Social Compact** Naomi Zack,2018-11-05 Naomi Zack s Reviving the Social Compact Inclusive Citizenship in an Age of Extreme Politics addresses

current political and social upheaval and distress with new concepts for the relationship between citizens and government Politics has become turbo charged as a form of agonistic contest where candidates and the public become more focused on winning than on governing or holding the government accountable for the benefit of the people This failure of the government to fulfill its part of the social contract calls for a new social compact wherein citizens as a collective whole make long term resolutions outside of government institutions Analyzing present and evolving events Zackreveals how race has exceeded intersection after formal rights have failed to correct ongoing discrimination how class is no longer based on real life interests and has been manufactured and manipulated for political contest how women have made spectacular progress but how the fame of elite women has left out poor non white women transgender people and sex workers how natural disasters have not been and perhaps cannot be adequately prepared for or responded to by government how environmental preservation becomes politicized how homelessness could be fixed through capitalism and how immigration reform has pivoted from inclusion to expulsion and why hospitality is an important civic virtue Reviving the Social Compact is a call for good citizenship Voting is the first step because in a divided two party system a change from one party to the other is tantamount to revolution and a new understanding of the social compact can lead to the stable civic life we need at this time

The Informal American City Vinit Mukhija, Anastasia Loukaitou-Sideris, 2014-05-09 Every day in American cities street vendors spread out their wares on sidewalks food trucks serve lunch from the curb and homeowners hold sales in their front yards examples of the wide range of informal activities that take place largely beyond the reach of government regulation This book examines the informal revolution in American urban life exploring a proliferating phenomenon often associated with developing countries rather than industrialized ones and often dismissed by planners and policy makers as marginal or even criminal The case studies and analysis in The Informal City challenge this narrow conception of informal urbanism The chapters look at informal urbanism across the country empirically and theoretically in cities that include Los Angeles Sacramento Seattle Portland Phoenix Kansas City Atlantic City and New York City They cover activities that range from unpermitted in law apartments and ad hoc support for homeless citizens to urban agriculture street vending and day labor The contributors consider the nature and underlying logic of these activities argue for a spatial understanding of informality and its varied settings and discuss regulatory planning and community responses Publisher s website

Reckoning With Homelessness Introduction

In the digital age, access to information has become easier than ever before. The ability to download Reckoning With Homelessness has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Reckoning With Homelessness has opened up a world of possibilities. Downloading Reckoning With Homelessness provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Reckoning With Homelessness has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Reckoning With Homelessness. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Reckoning With Homelessness. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Reckoning With Homelessness, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Reckoning With Homelessness has transformed the way we access information. With the convenience, cost-effectiveness, and

accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Reckoning With Homelessness Books

1. Where can I buy Reckoning With Homelessness books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Reckoning With Homelessness book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Reckoning With Homelessness books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
