Reclaiming The Dead Sea Scrolls:

Reclaiming the Dead Sea Scrolls Lawrence H. Schiffman, 1995 Universally acknowledged as the dean of New Testament scholarship Brown brings a lifetime of teaching and research to bear in his landmark overview of the New Testament *Reclaiming the Dead Sea Scrolls* Lawrence H. Schiffman, 2009 Reclaiming The Dead Sea Scrolls Lawrence H. Schiffman, 1994 *Qumran and Jerusalem* Lawrence H. Schiffman, 2010-03-08 With the full publication of the Dead Sea Scrolls come major changes in our understanding of these fascinating texts and their significance for the study of the history of Judaism and Christianity One of the most significant changes that one cannot study Qumran without Jerusalem nor Jerusalem without Qumran is explored in this important volume Although the Scrolls preserve the peculiar ideology of the Qumran sect much of the material also represents the common beliefs and practices of the Judaism of the time Here Lawrence Schiffman mines these incredible documents to reveal their significance for the reconstruction of the history of Judaism His investigation brings to life a period of immense significance for the history of the Western world

Eschatology, Messianism, and the Dead Sea Scrolls Craig A. Evans, Peter W. Flint, 1997 The eight essays in this book on the subjects of eschatology and messianism evidenced in the Dead Sea Scrolls were originally delivered at a conference for a lay audience and are therefore accessible to the interested reading public *Ritual Purity and the Dead Sea Scrolls* Ian C. Werrett, 2007 As the first comprehensive study on the concept of ritual purity in the Dead Sea Scrolls since the full publication of the legal material from Qumran this book offers a detailed examination of the purity material from Qumran through a diachronic lens **The Dead Sea Scrolls and Christian Origins** Joseph A. Fitzmyer, 2000-03-03 Originally written to appeal to both scholars and general readers interested in the Dead Sea Scrolls all of the articles in this volume have been updated to take into account current discussions of this extraordinary archaeological find **BOOK JACKET**

Deciphering the Dead Sea Scrolls Jonathan G. Campbell, 2008-04-15 The second edition of this fascinating book is the ideal introduction to the importance of the Dead Sea Scrolls from Qumran and their impact on our understanding of the rise of Christianity Introduces the Qumran Scrolls to the uninitiated general reader Explains how revolutionary the discovery of the Scrolls was and their enduring significance Sets the Scrolls within the wider context of Jewish history and religion of the second temple period Now expanded to include additional material about the scrolls themselves and recent theories about the community behind them This book is not available from Blackwell in the United States and the Philippines

Rediscovering the Dead Sea Scrolls Maxine L. Grossman, 2010-06-28 Fifteen respected DSS scholars representing diverse perspectives offer here a window into the scholarly study of these ancient texts Rediscovering the Dead Sea Scrolls introduces readers to a wide range of established and experimental treatments of the Scrolls including paleography archaeology manuscript analysis and a variety of literary historical and social scientific approaches The authors provide not only an introduction to a given approach but also a more self reflective assessment of the limits of their approaches and the

potential pitfalls associated with them From publisher description *The Dead Sea Scrolls in Scholarly Perspective: A History of Research* Devorah Dimant, Ingo Kottsieper, 2012-01-20 This book contains an exhaustive survey of past and present Qumran research outlining its particular development in various circumstances and national contexts For the first time perspectives and information not recorded in any other publication are highlighted [The Dead Sea Scrolls After Fifty Years, Volume 1](#) Peter Flint, James C. Vanderkam, 2019-05-09 **The Origin of Heresy** Robert M. Royalty, 2013-05-07 Heresy is a central concept in the formation of Orthodox Christianity Where does this notion come from This book traces the construction of the idea of heresy in the rhetoric of ideological disagreements in Second Temple Jewish and early Christian texts and in the development of the polemical rhetoric against heretics called heresiology Here author Robert Royalty argues one finds the origin of what comes to be labelled heresy in the second century In other words there was such a thing as heresy in ancient Jewish and Christian discourse before it was called heresy And by the end of the first century the notion of heresy was integral to the political positioning of the early orthodox Christian party within the Roman Empire and the range of other Christian communities This book is an original contribution to the field of Early Christian studies Recent treatments of the origins of heresy and Christian identity have focused on the second century rather than on the earlier texts including the New Testament The book further makes a methodological contribution by blurring the line between New Testament Studies and Early Christian studies employing ideological and post colonial critical methods [Religion in the Dead Sea Scrolls](#) John Joseph Collins, Robert A. Kugler, 2000-07-17 Eight European and North American scholars explore the concept of divinity in the Scrolls monotheism vs a host of divine beings and the efficacy of prayer the Scrolls relation to important halakic issues the interpretation of sacrifice and the continuity of halakic tendencies the question of Hellenistic influence especially the Greek language and the Scrolls apocalypticism and messianism Included is one index of ancient literature and one of modern authors Collins is professor of the Old Testament at Yale and Kugler is professor of religious studies at Gonzaga Annotation copyrighted by Book News Inc Portland OR **The Dead Sea Scrolls in Context** Armin Lange, Emanuel Tov, Matthias Weigold, 2011 The Dead Sea Scrolls enrich many areas of biblical research as well as the study of ancient and rabbinic Judaism early Christian and other ancient literatures languages and cultures With nearly all Dead Sea Scrolls published it is now time to integrate the Dead Sea Scrolls fully into the various disciplines that benefit from them This two volume collection of essays answers this need It represents the proceedings of a conference jointly organized by the Hebrew University of Jerusalem and the University of Vienna in Vienna on February 11-14 2008 *The Bible and the Dead Sea Scrolls: The scrolls and Christian origins* James H. Charlesworth, 2006 The recovery of 800 documents in the eleven caves on the northwest shores of the Dead Sea is one of the most sensational archeological discoveries in the Holy Land to date These three volumes the very best of critical scholarship demonstrate in detail how the scrolls have revolutionized our knowledge of the text of the Bible the character of Second Temple Judaism and the Jewish beginnings of Christianity *The*
