Reclaiming Witchcraft:

Pagan Portals - Reclaiming Witchcraft Irisanya Moon, 2020-06-26 Reclaiming Witchcraft is designed to help the reader better understand the basic structure of the Reclaiming tradition as well as discover how it has changed since its initial formation in San Francisco and subsequent journey out to the reaches of Canada Australia and Europe From the basic tenets of what makes a Reclaiming Witch to how rituals are performed how lessons are passed on and how magick is made around the world Reclaiming Witchcraft seeks to welcome those who might be interested in learning more while also directing them to resources and paths that can help facilitate their journey *Reclaim the Power of the Witch* Monte Plaisance, 2025-09-12 In an effort to bring witchcraft back to its roots Monte Plaisance presents a straightforward look into the world of the witch Plaisance tackles one of the most often misinterpreted aspects of witchcraft the elements of magic This is not a book of magical recipes or spells but rather a serious look at what goes into making magic work will and intent Writing from years of experience he demystifies the growing religion of Wicca and dispels popular myths created by TV and movies This book offers a sweeping survey of the sources and influences of witchcraft from many cultures showing that much of modern magick has its roots in Greek and Roman Mythology Including chapters on divination ritual dreams and dreamwork practical magical tools and more this book invites each reader to reclaim the power of the witch **Enchanted Feminism** Jone Salomonsen, 2002 The first major study of the famous Reclaiming community of witches founded in 1979 in San Francisco Examines gendered and religious identities and the communal and ritual processes of Reclaiming Honoring the Wild Irisanya Moon, 2023-01-27 Deeply rooted in environmentalism and activism Honoring the Wild answers crucially pertinent questions while driving at lasting change From political demonstrations to personal calls Irisanya Moon offers a collection of stories and lessons as told by Reclaiming Witches from around the world about the facts and fears the confessions and collaborations within the Reclaiming tradition s own timeline of activism Honoring the Wild inspires and informs creativity and purpose while reminding us of all that has come and of all that is left to do May the wild be blessed and healed by this spell of intention and inspiration Witching Culture Sabina Magliocco, 2010-11-24 Taking the reader into the heart of one of the fastest growing religious movements in North America Sabina Magliocco reveals how the disciplines of anthropology and folklore were fundamental to the early development of Neo Paganism and the revival of witchcraft Magliocco examines the roots that this religious movement has in a Western spiritual tradition of mysticism disavowed by the Enlightenment She explores too how modern Pagans and Witches are imaginatively reclaiming discarded practices and beliefs to create religions more in keeping with their personal experience of the world as sacred and filled with meaning Neo Pagan religions focus on experience rather than belief and many contemporary practitioners have had mystical experiences They seek a context that normalizes them and creates in them new spiritual dimensions that involve change in ordinary consciousness Magliocco analyzes magical practices and rituals of Neo Paganism as art forms that reanimate the

cosmos and stimulate the imagination of its practitioners She discusses rituals that are put together using materials from a variety of cultural and historical sources and examines the cultural politics surrounding the movement how the Neo Pagan movement creates identity by contrasting itself against the dominant culture and how it can be understood in the context of early twenty first century identity politics *Witching Culture* is the first ethnography of this religious movement to focus specifically on the role of anthropology and folklore in its formation on experiences that are central to its practice and on what it reveals about identity and belief in twenty first century North America *Wicca and Witchcraft For Dummies* Diane Smith,2011-05-09 Examines Wiccan magic rituals traditions and code of conduct Get the scoop on this ancient spiritual path Wondering what it takes to be a Wiccan This plain English guide introduces you to the vibrant world of Wicca and the practices of Witchcraft describing its ancient origins dispelling stereotypes and explaining Wiccan beliefs ethics rituals and holidays You ll see what it means to live as a contemporary Wiccan and how to worship alone or with a group Discover how to Worship alone or join a coven Perform charms blessings and spells Obtain necessary tools and supplies Spot spiritual scams and inappropriate behavior Explore a spiritual path guided by nature *Modern Witchcraft For Dummies* Lorraine Monteagut,2025-03-10 A contemporary guide to the roots paths and tools of witchcraft A new generation of witchcraft is here Today witchcraft encompasses many different paths and is one of the most rapidly growing sets of spiritual systems in the world *Modern Witchcraft For Dummies* walks you through what it means to be a modern witch going beyond the Euro pagan traditions and Wicca and how to ensure your witchcraft moves toward inclusivity and spiritual activism Discover the roots and impact of witchcraft consider the differences between open and closed practices and explore the ethics of magical practice Within you ll also Explore histories of regional witches across the world Understand witchcraft archetypes and practices with clear guidance on how to start your own practice Discover the various types of witches and determine the type of witch you want to be Create your own altars and grimoires set intentions and practice your spellcasting and rituals on your own or with a coven Get ready to explore a world of powerful spiritual connectedness with *Modern Witchcraft For Dummies* It s a must read for witches pagans and the simply occult curious **Witchcraft** Patricia D. Netzley,2009-06-25 This encyclopedia covers all aspects of witchcraft magical tools rituals concepts and traditions as well as witchcraft related deities and historical events It offers entries about important figures in the field of witchcraft from witch trial judges and other persecutors to people at the forefront of the modern witchcraft movement Compelling entries present definitions of important terms biographies of central figures and brief narratives of pivotal events **Vegan Witchcraft** Corey Lee Wrenn,2025-08-25 *Vegan Witchcraft* is the first book to blend theories of animal rights feminism and modern witchcraft in pursuit of total liberation Perhaps the most foundational of all ethics in modern witchcraft is the creed Do no harm Despite this multispecies suffering persists in nonvegan witchcraft *Vegan Witchcraft* examines this intriguing conflict unpacking the role of Nonhuman Animals in modern witchcraft from a vegan feminist perspective to illuminate inequalities that persist in

alternative spiritual practices in the West Recognizing Nonhuman Animals as comrades instead of consumables vegan witchcraft confronts the harm imposed on nature humans and other animals and identifies witchery as a powerful conduit for social change that draws its energy from plant based foods multispecies solidarity and feminine power The book critically analyzes popular witchcraft pathways in Britain and America to interrogate the many ways in which Nonhuman Animals are overlooked objectified or exploited highlighting theological inconsistencies and missed opportunities that might be overcome to create a stronger practice for women and their communities It reimagines witchcraft practice and lore to manifest justice and compassion for fellow humans Nonhuman Animals and nature Veganism is advanced as a magical practice of self care community responsibility conscious consumption societal transformation and environmental protection The book calls for the redirection of the modern witch's path toward a just world and away from the systematic symbolic and material exploitation of Nonhuman Animals that permeates witchcraft today This book will be essential reading for those interested in critical animal studies animal rights ecofeminism vegan religious studies environmental philosophy and witchcraft

Witch Power

Emma Quilty, 2025-09-04 When most people hear the word witch they immediately think of crones conspiring over a cauldron a force of dark and vindictive power But to hundreds of thousands across the world being a witch is a living everyday reality much more varied than the fairytale image Witch Power follows Emma Quilty herself a witch and an anthropologist on an immersive journey into contemporary witchcraft from Witchcamp retreats to red tent menstrual events Voodoo priestesses running ghost tours from their vans to TikTokers casting hexes on a viral scale Attentive to the history of witchcraft she reveals the role power plays in how the figure of the witch has changed over time to suit the ever present need to control and demonize women Because to be a witch is to live in defiance of society's expectations and rules But while the witch is always castigated as a threat Quilty finds that the witch is never alone the witch is a survivor and a symbol of resistance Ultimately Witch Power is a provocation and an invitation to readers to experience with the author what it means to embrace witchiness and what witchy feminism could bring to your life

Belief Beyond Boundaries

Joanne Pearson, 2023-05-09 Belief Beyond Boundaries explores religions or forms of spirituality that tend to be marginal to the mainstream of British and North American religious expression The book examines how alternative spiritualities traditionally classed as New Age or new religious movements have grown exponentially in recent years It progresses to detailed examination of Paganism Celtic spirituality Wicca witchcraft North American indigenous religion and New Age considering the impact of the rise of science on religion and the emergence of new categories of spirituality The authors explore why these forms of spirituality are so popular in the contemporary UK and USA and how they impact on mainstream traditions The five textbooks and Reader that make up the Religion Today Open University Ashgate series are o From Sacred Text to Internet o Religion and Social Transformations o Perspectives on Civil Religion o Global Religious Movements in Regional Context o Belief Beyond Boundaries o Religion Today A Reader

Witchcraft and Magic

underground in North America has experienced a resurgence since the 1960s Although most contemporary magical religions have come from abroad they have found fertile ground in which to develop in North America Who are today s believers in Witchcraft and how do they worship Alternative spiritual paths have increased the ranks of followers dramatically particularly among well educated middle class individuals Witchcraft and Magic conveys the richness of magical religious experiences found in today s culture covering the continent of North America and the Caribbean These original essays survey current and historical issues pertinent to religions that incorporate magical or occult beliefs and practices and they examine contemporary responses to these religions The relationship between Witchcraft and Neopaganism is explored as is their intersection with established groups practicing goddess worship Recent years have seen the growth in New Age magic and Afro Caribbean religions and these developments are also addressed in this volume All the religions covered offer adherents an alternative worldview and rituals that are aimed at helping individuals redefine themselves and make their interactions with the environment more empowered Many modern occult religions share an absence of dogma or central authority to determine orthodoxy and have become a contemporary experience embracing modern concerns like feminism environmentalism civil rights and gay rights Afro Caribbean religions such as Santería Palo and Curanderismo which do have a more developed dogma and authority structure offer their followers a religion steeped in African and Hispanic traditions Responses to the growth of magical religions have varied from acceptance to an unfounded concern about the growth of a satanic underground And as magical religions have flourished increased interest has resulted in a growing commercialization with its threat of trivialization

New Religions in Global Perspective Peter Bernard Clarke,2006 This volume provides a complete guide to the global impact and cultural significance of new religious movements

Religious, Feminist, Activist Laurel Zwissler,2018-04-01 In Religious Feminist Activist Laurel Zwissler investigates the political and religious identities of women who understand their social justice activism as religiously motivated Placing these women in historical context as faith based activists for social change this book discusses what their activities reveal about the public significance of religion in the pluralistic context of North America and in our increasingly globalized world Zwissler s ethnographic interviews with feminist Catholics Pagans and United Church Protestants reveal radically different views of religious and political expression and illuminate how individual women and their communities negotiate issues of personal identity spirituality and political responsibility Political activists of faith recount adventurous

tales of run ins with police agonizing moments of fear and powerlessness in the face of global inequality touching moments of community support and successful projects that improve the lives of others Religious Feminist Activist combines religion politics and globalization subjects frequently discussed in macro terms with individual personalities and intimate stories to provide a fresh perspective on what it means to be religiously and politically engaged Zwissler also provides an insightful investigation into how religion and politics intersect for women on the political left Handbook of Contemporary Paganism Murphy Pizza, James R. Lewis, 2009 Contemporary Paganism is a movement that is still young and establishing its identity and place on the global religious landscape The members of the movement are simultaneously growing unifying and maintaining its characteristic diversity of traditions identities and rituals The modern Pagan movement has had a restless formation period but has also been the catalyst for some of the most innovative religious expressions praxis theologies and communities As Contemporary Paganism continues to grow and mature new angles of inquiry about it have emerged and are explored in this collection This examination and study of contemporary Paganism contributes new ways to observe and examine other religions where innovations paradoxes and inconsistencies can be more accurately documented and explained New Age, Neopagan, and New Religious Movements Hugh B. Urban, 2015-09-15 New Age Neopagan and New Religious Movements is the most extensive study to date of modern American alternative spiritual currents Hugh B Urban covers a range of emerging religions from the mid nineteenth century to the present including the Nation of Islam Mormonism Scientology ISKCON Wicca the Church of Satan Peoples Temple and the Branch Davidians This essential text engages students by addressing major theoretical and methodological issues in the study of new religions and is organized to guide students in their learning Each chapter focuses on one important issue involving a particular faith group providing readers with examples that illustrate larger issues in the study of religion and American culture Urban addresses such questions as Why has there been such a tremendous proliferation of new spiritual forms in the past 150 years even as our society has become increasingly rational scientific technological and secular Why has the United States become the heartland for the explosion of new religious movements How do we deal with complex legal debates such as the use of peyote by the Native American Church or the practice of plural marriage by some Mormon communities And how do we navigate issues of religious freedom and privacy in an age of religious violence terrorism and government surveillance *Introduction to Pagan Studies* Barbara Jane Davy, 2007 Pagan Studies is maturing and moving beyond the context of new religious movements to situate itself in within of the study of world religions Introduction to Pagan Studies is the first and only text designed to introduce the study of contemporary Paganism as a world religion It examines the intellectual religious and social spheres of Paganism through common categories in the study of religion which includes beliefs practices theology ritual history and role of texts and scriptures The text is accessible to readers of all backgrounds and religions and assumes no prior knowledge of Paganism This text will also serve as a general introduction to Pagan Studies for non specialist scholars of religion as well as be of

interest to scholars in the related disciplines of Anthropology Sociology and Cultural Studies and to students taking courses in Religious Studies Pagan Studies Nature Religion New Religious Movements and Religion in America The book will also be useful to non academic practitioners of Paganism interested in current scholarship Wicca Ethan Doyle White,2015-10-01

The past century has born witness to a growing interest in the belief systems of ancient Europe with an array of contemporary Pagan groups claiming to revive these old ways for the needs of the modern world By far the largest and best known of these Paganisms has been Wicca a new religious movement that can now count hundreds of thousands of adherents worldwide Emerging from the occult milieu of mid twentieth century Britain Wicca was first presented as the survival of an ancient pre Christian Witch Cult whose participants assembled in covens to venerate their Horned God and Mother Goddess to celebrate seasonal festivities and to cast spells by the light of the full moon Spreading to North America where it diversified under the impact of environmentalism feminism and the 1960s counter culture Wicca came to be presented as a Goddess centred nature religion in which form it was popularised by a number of best selling authors and fictional television shows Today Wicca is a maturing religious movement replete with its own distinct world view unique culture and internal divisions This book represents the first published academic introduction to be exclusively devoted to this fascinating faith exploring how this Witches Craft developed what its participants believe and practice and what the Wiccan community actually looks like In doing so it sweeps away widely held misconceptions and offers a comprehensive overview of this religion in all of its varied forms Drawing upon the work of historians anthropologists sociologists and scholars of religious studies as well as the writings of Wiccans themselves it provides an original synthesis that will be invaluable for anyone seeking to learn about the blossoming religion of modern Pagan Witchcraft *Witch Belongs to the World* Fio Gede Parma,2023-08-08
