Recollected Essays 1965 198:

Artist as Author Christa Noel Robbins, 2021-06-29 Introduction the artist as author The act painting The expressive fallacy Rhetorics of motives Self discipline Event as painting Conclusion gridlocked **Handbook of the American Short Story** Erik Redling, Oliver Scheiding, 2022-01-19 The American short story has always been characterized by exciting aesthetic innovations and an immense range of topics This handbook offers students and researchers a comprehensive introduction to the multifaceted genre with a special focus on recent developments due to the rise of new media Part I provides systematic overviews of significant contexts ranging from historical political backgrounds short story theories developed by writers print and digital culture to current theoretical approaches and canon formation Part II consists of 35 paired readings of representative short stories by eminent authors charting major steps in the evolution of the American short story from its beginnings as an art form in the early nineteenth century up to the digital age The handbook examines historically methodologically and theoretically the coming together of the enduring narrative practice of compression and concision in American literature It offers fresh and original readings relevant to studying the American short story and shows how the genre performs American culture *T. S. Eliot, Dante, and the Idea of Europe* Paul Douglass, 2011-05-25 T S Eliot greatly enhanced Dante s profound influence on European literature The essays in this volume explore Dante s importance through a focus on Eliot Probing the questions what Eliot made of Dante and what Dante meant to Eliot the essays here assess the legacy of modernism by engaging its classicist roots covering a wide spectrum of topics stemming from Dante s relevance to the poetry and criticism of Eliot The essays reflect on Eliot s aesthetic philosophical and religious convictions in relation to Dante his influence upon literary modernism through his embracing and championing of the Florentine and his desire to promote European unity The first section of the book deals with aesthetic and philosophical issues related to Eliot s engagement with Dante beginning with Jewel Spears Brooker s masterful essay on the concepts of immediate experience and primary consciousness in Eliot s work and moving on to essays considering his idea of a unified sensibility as well as Eliot s engagement with Hindu Buddhist and Christian themes and motifs The second part of the book focuses on Dante s importance to Eliot s founding work in the modernist movement In what ways did Dante directly and indirectly influence the exemplary path that Eliot blazed for his contemporaries especially Ezra Pound How early did Dante s influence show itself in Eliot s work Why was he unable to complete the great trilogy he seems to have sought to write based on Dante s *Inferno* *Purgatorio* and *Paradiso* These questions and their answers lead to the book s final section which considers Eliot s and Dante s role in the formation of a twentieth century concept of Europe Incisive essays on Eliot s varied sources of tradition in his attempt to promote the idea of a European union and his anxiety over the heritage of Romanticism are capped by a magisterial contribution from Dominic Manganiello showing precisely how Eliot s reformulation of the Dantesque European Epic continues to influence the work of Anglo European and Commonwealth writers **Art Criticism and Modernism in**

the United States Stephen Moonie, 2022-03-22 This study is an analysis of high and late modernist criticism in New York during the 1960s and early 1970s Through a close reading of a selection of key critics of the period which will expand the remit beyond the canonical texts the book examines the ways that modernist criticism's discourse remains of especial disciplinary interest Despite its alleged narrowness and exclusion the debates of the 1960s raised fundamental questions concerning the nature of art writing Those include arguments around the nature of value and judgement the relationship between art criticism and art history and the related problem of what we mean by the contemporary Stephen Moonie argues that within those often fractious debates there exists a shared discourse And further contrary to the current consensus that modernists were elitist dogmatic and irrelevant to contemporary debates on art the study shows that there is much that we can learn from reconsidering their writings The book will be of interest to scholars working in art history modern art art criticism and literary studies Twentieth-Century Southern Literature J. A. Bryant Jr., 2014-07-11 Authors discussed include Wendell Berry Erskine Caldwell Truman Capote Ralph Ellison William Faulkner Shelby Foote Zora Neal Hurston Bobbie Ann Mason Cormac McCarthy Flannery O'Connor William Styron Anne Tyler Alice Walker Robert Penn Warren Eudora Welty Tennessee Williams Thomas Wolfe Richard Wright and many more By World War II the Southern Renaissance had established itself as one of the most significant literary events of the century and today much of the best American fiction is southern fiction Though the flowering of realistic and local color writing during the first two decades of the century was a sign of things to come the period between the two world wars was the crucial one for the South's literary development a literary revival in Richmond came to fruition at Vanderbilt University a group of young men produced *The Fugitive* a remarkable controversial magazine that published some of the century's best verse in its brief run and the publication and widespread recognition of Faulkner among others inaugurated the great flood of southern writing that was to follow in novels short stories poetry and plays With more than forty years of experience writing and reading about the subject and friendships with many of the figures discussed J. A. Bryant is uniquely qualified to provide the first comprehensive account of southern American literature since 1900 Bryant pays attention to both the cultural and the historical context of the works and authors discussed and presents the information in an enjoyable accessible style No lover of great American literature can afford to be without this book **The Oxford Handbook of Christianity and Law** John Witte (Jr.), Rafael Domingo, 2024 This volume tells the story of the interaction between Christianity and law historically and today in the traditional heartlands of Christianity and around the globe Sixty new chapters by leading scholars provide authoritative and accessible accounts of foundational Christian teachings on law and legal thought over the past two millennia the current interaction and contestation of law and Christianity on all continents how Christianity shaped and was shaped by core public private penal and procedural laws various old and new forms of Christian canon law natural law theory and religious freedom norms Christian teachings on fundamental principles of law and legal order and Christian contributions to controversial legal issues

Together the chapters make clear that Christianity and law have had a perennial and permanent influence on each other over time and across cultures albeit with varying levels of intensity and effectiveness This volume defines Christianity broadly to include Catholic Protestant and Orthodox traditions and various denominations and schools of thought within them It draws on Christian ideas and institutions norms and practices texts and titans to tell the story of Christianity s engagement with the world of law over the past two millennia The volume also defines law broadly as the normative order of justice power and freedom The chapters address natural laws of conscience reason and the Bible and positive laws enacted by states churches and voluntary associations Several chapters focus on Christian engagement with specific types of law canon law family law education law constitutional law criminal law procedural law and laws governing labor tax contracts torts property and beyond Other chapters take up cutting edge legal issues of racial justice environmental care migration euthanasia and bio technology as well as fundamental legal principles of liberty dignity equality justice equity judgment and solidarity

Practicing to Aim at Truth Ryan Andrew Newson, Brad J. Kallenberg, 2015-10-16 Beginning with her award winning book *Theology in the Age of Scientific Reasoning* 1990 Nancey Murphy has used philosophy of science as a way into and catalyst for fresh thinking in cosmology divine action epistemology cognitive neuroscience theological anthropology philosophy of mind and Christian virtue ethics The essays in this book written by her students and colleagues creatively honor Murphy by extending a number of her core insights within their respective disciplines An introduction provides both an account of Murphy s unique location an Anabaptist teaching at an evangelical graduate institution and a summary of her contributions to theology as a philosopher of science whose corpus more than any other epitomizes the paradigm shift in philosophy sometimes called Anglo American postmodernity Subsequently fourteen essays provide unique engagements with Murphy on subjects including divine action the interaction between science and theology epistemology the nature of humanity and political theology In its entirety *Practicing to Aim at Truth* provides the first in depth interaction with and extension of Nancey Murphy s unique school of thought providing a resource both for those wishing to extend her research program as well as those wishing to understand it charitably in order to critique it

Green Gospel John Gatta, 2024-03-05 An evocative investigation of ecotheology s first principles *Green Gospel* will serve as antidote to the spiritual devastations of the climate crisis As climate change continues to ravage our planetary home deepening the divide between Earth and her stewards churchled and unchurched seekers alike are casting about for a spirituality that focuses on the natural world Just in time *Green Gospel* opens a window into the developing realm of ecotheology defining foundational principles and outlining how these tenets can be lived out through worship and individual practice To help readers connect with otherwise challenging concepts Gatta s *Green Gospel* draws on illustrative examples from literary works and liturgical texts to transport readers through these artistic portals to a world lit up by God s grace Designed for parish reading groups or individual study this encompassing yet compact introductory text unites the theological framework of the green movement

with spiritual practice setting forth a comprehensive vision that moves all the way from first principles of Christian doctrine to the practical consequences of today's pressing environmental issues Library of Congress Catalogs Library of Congress,1970 **The Junior College Library Collection** Frank J. Bertalan,1968 *River Running* Verne Huser,2001-01-01 A guide to white water boating with information on rivers in the United States and Canada equipment various types of inflatable craft the routine of an expedition and safety and emergency procedures **The Nostalgic Imagination** Stefan Collini,2019-01-03 This unusual book explores the historical assumptions at work in the style of literary criticism that came to dominate English studies in the twentieth century Stefan Collini shows how the work of critics renowned for their close attention to the words on the page was in practice bound up with claims about the nature and direction of historical change the interpretation of the national past and the scholarship of earlier historians Among the major figures examined in detail are T S Eliot F R Leavis William Empson and Raymond Williams while there are also original discussions of such figures as Basil Willey L C Knights Q D Leavis and Richard Hoggart The Nostalgic Imagination argues that in the period between Eliot's *The Sacred Wood* and Williams's *The Long Revolution* the writings of such critics came to occupy the cultural space left by academic history's retreat into specialized archive bound monographs Their work challenged the assumptions of the Whig interpretation of English history and entailed a revision of the traditional relations between literary history and general history Combining close textual analysis with wide ranging intellectual history this volume both revises the standard story of the history of literary criticism and illuminates a central feature of the cultural history of twentieth century Britain Recollected Essays, 1965-1980 Wendell Berry,1981 **Aëtiana. 1. The sources** Jaap Mansfeld,David T. Runia,1990 This ground breaking study offers the first full length critical examination of H. Diels's *Doxographi Graeci* 1879 focussing on the doxographer Aetius whose work Diels reconstructed from various later sources Diels's theory is analysed revised and improved at significant points A Companion to Medieval Art Conrad Rudolph,2011-09-07 A Companion to Medieval Art brings together cutting edge scholarship devoted to the Romanesque and Gothic traditions in Northern Europe Brings together cutting edge scholarship devoted to the Romanesque and Gothic traditions in Northern Europe Contains over 30 original theoretical historical and historiographic essays by renowned and emergent scholars Covers the vibrancy of medieval art from both thematic and sub disciplinary perspectives Features an international and ambitious range from reception Gregory the Great collecting and pilgrimage art to gender patronage the marginal spolia and manuscript illumination **Conservative revolutionary** David Hayton,2019-08-26 A biography of the historian and public intellectual Sir Lewis Namier from his origins in a secular Jewish family in Poland to recognition as the most important historian of his day whose revolutionary method was enshrined in the verb to Namierise **Desire and Empathy in Twentieth-Century Dystopian Fiction** Thomas Horan,2018-02-13 This book assesses key works of twentieth century dystopian fiction including Katharine Burdekin's *Swastika Night* George Orwell's *Nineteen Eighty Four* and Margaret Atwood

s *The Handmaid's Tale* to demonstrate that the major authors of this genre locate empathy and morality in eroticism Taken together these books delineate a subset of politically conscious speculative literature which can be understood collectively as projected political fiction While Thomas Horan addresses problematic aspects of this subgenre particularly sexist and racist stereotypes he also highlights how some of these texts locate social responsibility in queer and other non heteronormative sexual relationships In these novels even when the illicit relationship itself is truncated sexual desire fosters hope and community

Charles Ives Gayle Sherwood Magee,2010-06-10 This research guide provides detailed information on over one thousand publications and websites concerning the American composer Charles Ives With informative annotations and nearly two hundred new entries this greatly expanded updated and revised guide offers a key survey of the field for interested readers and experienced researchers alike

The Art of Sociological Argument Graham Crow,2017-09-16 This book explores the ways in which sociological arguments are constructed and presented looking at what can be learned from the contrasting styles of sociologists working in different periods and theoretical traditions Fundamental debates in the discipline are addressed such as can sociology provide final answers and how far is detachment feasible or desirable Finally the book considers the practical significance which thinking about styles of argument has for all students of sociology

The Philosophy of Literature Peter Lamarque,2008-08-11 By exploring central issues in the philosophy of literature illustrated by a wide range of novels poems and plays *Philosophy of Literature* gets to the heart of why literature matters to us and sheds new light on the nature and interpretation of literary works Provides a comprehensive study along with original insights into the philosophy of literature Develops a unique point of view from one of the field's leading exponents Offers examples of key issues using excerpts from well known novels poems and plays from different historical periods
