Recollections Of The Early Republic Selected Autobiographies:

Recollections Of The Early Republic Joyce Appleby, 1997-01-30 Colorful memoirs from a wide range of Americans just after the nation's birth *The A to Z of the Early American Republic* Richard Buel Jr., 2009-07-27 The formative period of the United States running roughly from 1789 to 1829 has become remote and perhaps overly idealized While the administrations of George Washington John Adams James Madison James Monroe and John Quincy Adams set the country on the path to modernity by resolving some nagging problems left over from the Revolution they failed to resolve many crucial issues such as slavery the treatment of Native Americans and the consequences of industrial development Despite many common goals the gentry's leadership was riven by sectional friction personal competition and partisan bickering that almost tore the nation apart during the War of 1812 *The A to Z of the Early American Republic* recounts the achievements and the failures the progress and the backsliding and the high and low points of our forefathers First traced in the chronology and then explained in the introduction the history of our nation's formative years is laid out in great detail The several hundred dictionary entries describe the more eminent persons the evolving institutions and the crucial events that our young country faced An extensive bibliography is included to provide easy access for further studies **Historical Dictionary of the**

Early American Republic Richard Buel Jr., Jeffers Lennox, 2016-12-20 The drafting and ratification of the federal constitution between 1787 and 1788 capped almost 30 years of revolutionary turmoil and warfare The supporters of the new constitution known at the time as Federalists looked to the new national government to secure the achievements of the Revolution But they shared the same doubts that the Anti federalists had voiced about whether the republican form of government could be made to work on a continental scale Nor was it a foregone conclusion that the new government would succeed in overcoming parochial interests to weld the separate states into a single nation During the next four decades the institutions and precedents governing the behavior of the national government took shape many of which are still operative today This second edition of *Historical Dictionary of the Early American Republic* contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 500 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about American history

America's God Mark A. Noll, 2002-10-03 Religious life in early America is often equated with the fire and brimstone Puritanism best embodied by the theology of Cotton Mather Yet by the nineteenth century American theology had shifted dramatically away from the severe European traditions directly descended from the Protestant Reformation of which Puritanism was in the United States the most influential In its place arose a singularly American set of beliefs In *America's God* Mark Noll has written a biography of this new American ethos In the 125 years preceding the outbreak of the Civil War theology played an extraordinarily important role in American public and private life Its evolution had a profound impact on America's self definition The changes taking

place in American theology during this period were marked by heightened spiritual inwardness a new confidence in individual reason and an attentiveness to the economic and market realities of Western life Vividly set in the social and political events of the age America's God is replete with the figures who made up the early American intellectual landscape from theologians such as Jonathan Edwards Nathaniel W Taylor William Ellery Channing and Charles Hodge and religiously inspired writers such as Harriet Beecher Stowe and Catherine Stowe to dominant political leaders of the day like Washington Jefferson and Lincoln The contributions of these thinkers combined with the religious revival of the 1740s colonial warfare with France the consuming struggle for independence and the rise of evangelical Protestantism to form a common intellectual coinage based on a rising republicanism and commonsense principles As this Christian republicanism affirmed itself it imbued in dedicated Christians a conviction that the Bible supported their beliefs over those of all others Tragically this sense of religious purpose set the stage for the Civil War as the conviction of Christians both North and South that God was on their side served to deepen a schism that would soon rend the young nation asunder Mark Noll has given us the definitive history of Christian theology in America from the time of Jonathan Edwards to the presidency of Abraham Lincoln It is a story of a flexible and creative theological energy that over time forged a guiding national ideology the legacies of which remain with us to this day

Peace Corps Experience: Write and Publish Your Memoir Lawrence F. Lihosit, 2012-03-06

Tell your Peace Corps story but first study this book Robert Klein Peace Corps Oral History Project Kennedy Library The ultimate how to book for former Peace Corps volunteers and staff who have hesitated to write about their own experience This book explains what a memoir is how to write publish and promote

The Rivers Ran Backward Christopher Phillips, 2016-04-22 Most Americans imagine the Civil War in terms of clear and defined boundaries of freedom and slavery a straightforward division between the slave states of Kentucky and Missouri and the free states of Illinois Indiana Ohio and Kansas However residents of these western border states Abraham Lincoln's home region had far more ambiguous identities and contested political loyalties than we commonly assume In *The Rivers Ran Backward* Christopher Phillips sheds light on the fluid political cultures of the Middle Border states during the Civil War era Far from forming a fixed and static boundary between the North and South the border states experienced fierce internal conflicts over their political and social loyalties White supremacy and widespread support for the existence of slavery pervaded the free states of Ohio Indiana and Illinois which had much closer economic and cultural ties to the South while those in Kentucky and Missouri held little identification with the South except over slavery Debates raged at every level from the individual to the state in parlors churches schools and public meeting places among families neighbors and friends Ultimately the pervasive violence of the Civil War and the cultural politics that raged in its aftermath proved to be the strongest determining factor in shaping these states regional identities leaving an indelible imprint on the way in which Americans think of themselves and others in the nation *The Rivers Ran Backward* reveals the complex history of the western border states as they struggled with questions of nationalism racial

politics secession neutrality loyalty and even place as the Civil War tore the nation and themselves apart In this major work Phillips shows that the Civil War was more than a conflict pitting the North against the South but one within the West that permanently reshaped American regions **The Life of Daniel Waldo Lincoln, 1784-1815** Rebecca M.

Dresser,2022-09-07 Placed within a comprehensive contextual historical narrative The Life of Daniel Waldo Lincoln 1784 1815 offers a compelling portrait of one brilliant but compromised man s perspective of his changing times Daniel Waldo Lincoln the second son of Levi Lincoln a prominent Massachusetts Democratic Republican was destined to become a man of influence Born in 1784 equipped with wealth prestige a Harvard education powerful friends and a distinguished family name Lincoln ranked high among the inheritors of the Revolution whose purpose was to protect the ideals of the nation s founders In over 250 private letters essays and poems beginning with his first day at Harvard in 1801 and ending just weeks before his death in 1815 Lincoln brings to readers a portrait of privilege as it careened into disappointment A young man active in Republican circles an orator and attorney in Worcester Portland Maine and Boston Lincoln comments on the politics honor religion the War of 1812 and his struggles with romance and alcohol Written for private eyes his letters are an unusually candid eyewitness account of early nineteenth century Massachusetts interwoven with his personal agonies This volume is of great use for students and scholars interested in life society and politics in nineteenth century America Homesickness Susan J. Matt,2014-04-17 Homesickness today is dismissed as a sign of immaturity what children feel at summer camp but in the nineteenth century it was recognized as a powerful emotion When gold miners in California heard the tune Home Sweet Home they sobbed When Civil War soldiers became homesick army doctors sent them home lest they die Such images don t fit with our national mythology which celebrates the restless individualism of colonists explorers pioneers soldiers and immigrants who supposedly left home and never looked back Using letters diaries memoirs medical records and psychological studies this wide ranging book uncovers the profound pain felt by Americans on the move from the country s founding until the present day Susan Matt shows how colonists in Jamestown longed for and often returned to England African Americans during the Great Migration yearned for their Southern homes and immigrants nursed memories of Sicily and Guadalajara and even after years in America frequently traveled home These iconic symbols of the undaunted forward looking American spirit were often homesick hesitant and reluctant voyagers National ideology and modern psychology obscure this truth portraying movement as easy but in fact Americans had to learn how to leave home learn to be individualists Even today in a global society that prizes movement and that condemns homesickness as a childish emotion colleges counsel young adults and their families on how to manage the transition away from home suburbanites pine for their old neighborhoods and companies take seriously the emotional toll borne by relocated executives and road warriors In the age of helicopter parents and boomerang kids and the new social networks that sustain connections across the miles Americans continue to assert the significance of home ties By highlighting how Americans reacted to moving farther and

farther from their roots Homesickness An American History revises long held assumptions about home mobility and our national identity *Emotions in the US During the Long Nineteenth Century* Susan J. Matt, 2025-04-01 This collection of primary sources examines the history of emotions in the United States spanning the years 1800-1865 This period was filled with dramatic political social and economic changes including the development of a new national identity the spread of chattel slavery the rise of capitalism the surge of religious revivalism military and settler expansion into Native American Mexican and British lands and the Civil War While these events have been well studied this collection explores these upheavals using the lens of the history of emotions The volumes bring together a rich group of primary sources demonstrating how Americans responded to these large public events It also includes sources that trace the more private and subjective experiences of daily life during the 19th century for the era was witness to significant transformations in ideals of family and romantic love conceptions of honour and courage anger and indignation selfishness and greed It also was a period when new emotions like homesickness and boredom appeared This fascinating collection of materials alongside extensive editorial commentary will be of great interest to students of American History and the History of Emotions **The Unvarnished Truth** Ann Fabian, 2000 A study of the plain unvarnished tales of unschooled beggars criminals prisoners and ex slaves in the 19th century Fabian shows how these works illuminate debates over who had the cultural authority to tell and sell their own stories She gives us the origins of that curious American genre of selling one's tale of woe to make a buck ala Oprah et al **Thomas Jefferson** Joyce Appleby, 2013-11-05 An illuminating analysis of the man whose name is synonymous with American democracy Few presidents have embodied the American spirit as fully as Thomas Jefferson He was the originator of so many of the founding principles of American democracy Politically he shuffled off the centralized authority of the Federalists working toward a more diffuse and minimalist leadership He introduced the bills separating church and state and mandating free public education He departed from the strict etiquette of his European counterparts appearing at state dinners in casual attire and dispensing with hierarchical seating arrangements Jefferson initiated the Lewis and Clark expedition and seized on the crucial moment when Napoleon decided to sell the Louisiana Territory thus extending the national development In this compelling examination distinguished historian Joyce Appleby captures all of the richness of Jefferson's character and accomplishments **A History of the Book in America, 5-volume Omnibus E-book** David D. Hall, 2015-10-08 The five volumes in A History of the Book in America offer a sweeping chronicle of our country's print production and culture from colonial times to the end of the twentieth century This interdisciplinary collaborative work of scholarship examines the book trades as they have developed and spread throughout the United States provides a history of U.S. literary cultures investigates the practice of reading and more broadly the uses of literacy and links literary culture with larger themes in American history Now available for the first time this complete Omnibus ebook contains all 5 volumes of this landmark work Volume 1 The Colonial Book in the Atlantic World Edited by Hugh Amory and David D. Hall 664 pp 51

illus Volume 2 An Extensive Republic Print Culture and Society in the New Nation 1790 1840 Edited by Robert A Gross and Mary Kelley 712 pp 66 illus Volume 3 The Industrial Book 1840 1880 Edited by Scott E Casper Jeffrey D Groves Stephen W Nissenbaum and Michael Winship 560 pp 43 illus Volume 4 Print in Motion The Expansion of Publishing and Reading in the United States 1880 1940 Edited by Carl F Kaestle and Janice A Radway 688 pp 74 illus Volume 5 The Enduring Book Print Culture in Postwar America Edited by David Paul Nord Joan Shelley Rubin and Michael Schudson 632 pp 95 illus

Encyclopedia of Women in American History Joyce Appleby, Eileen Chang, Joanne Goodwin, 2015-07-17 This illustrated encyclopedia examines the unique influence and contributions of women in every era of American history from the colonial period to the present It not only covers the issues that have had an impact on women but also traces the influence of women's achievements on society as a whole Divided into three chronologically arranged volumes the set includes historical surveys and thematic essays on central issues and political changes affecting women's lives during each period These are followed by A Z entries on significant events and social movements laws court cases and more as well as profiles of notable American women from all walks of life and all fields of endeavor Primary sources and original documents are included throughout

Republic of Taste Catherine E. Kelly, 2016-06-22 Since the early decades of the eighteenth century European and especially British thinkers were preoccupied with questions of taste Whether Americans believed that taste was innate and therefore a marker of breeding and station or acquired and thus the product of application and study all could appreciate that taste was grounded in demonstrated through and confirmed by reading writing and looking It was widely believed that shared aesthetic sensibilities connected like minded individuals and that shared affinities advanced the public good and held great promise for the American republic Exploring the intersection of the early republic's material visual literary and political cultures Catherine E Kelly demonstrates how American thinkers acknowledged the similarities between aesthetics and politics in order to wrestle with questions about power and authority Judgments about art architecture literature poetry and the theater became an arena for considering political issues ranging from government structures and legislative representation to qualifications for citizenship and the meaning of liberty itself Additionally if taste prompted political debate it also encouraged affinity grounded in a shared national identity In the years following independence ordinary women and men reassured themselves that taste revealed larger truths about an individual's character and potential for republican citizenship Did an early national vocabulary of taste then with its privileged visuality register beyond the debates over the ratification of the Constitution Did it truly extend beyond political and politicized discourse to inform the imaginative structures and material forms of everyday life Republic of Taste affirms that it did although not in ways that anyone could have predicted at the conclusion of the American Revolution

Frontier Country Patrick Spero, 2016-09-26 In Frontier Country Patrick Spero addresses one of the most important and controversial subjects in American history the frontier Countering the modern conception of the American frontier as an area of expansion Spero employs the eighteenth century

meaning of the term to show how colonists understood it as a vulnerable militarized boundary The Pennsylvania frontier Spero argues was constituted through conflicts not only between colonists and Native Americans but also among neighboring British colonies These violent encounters created what Spero describes as a distinctive frontier society on the eve of the American Revolution that transformed the once peaceful colony of Pennsylvania into a frontier country Spero narrates Pennsylvania's story through a sequence of formative but until now largely overlooked confrontations an eight year long border war between Maryland and Pennsylvania in the 1730s the Seven Years War and conflicts with Native Americans in the 1750s a series of frontier rebellions in the 1760s that rocked the colony and its governing elite and wars Pennsylvania fought with Virginia and Connecticut in the 1770s over its western and northern borders Deploying innovative data mining and GIS mapping techniques to produce a series of customized maps he illustrates the growth and shifting locations of frontiers over time Synthesizing the tensions between high and low politics and between eastern and western regions in Pennsylvania before the Revolution Spero recasts the importance of frontiers to the development of colonial America and the origins of American Independence

American Literature in Transition, 1770-1828 William Hunting Howell, Greta LaFleur, 2022-06-23 This volume presents a complex portrait of the United States of America grappling with the trials of national adolescence Topics include but are not limited to the dynamics of language and power the treachery of memory the lived experience of racial and economic inequality the aesthetics of Indigeneity the radical possibilities of disability the fluidity of gender and sexuality the depth and culture making power of literary genre the history of poetics the cult of performance and the hidden costs of foodways Taken together the essays offer a vision of a vibrant contradictory and conflicted early US Republic resistant to consensus accountings and poised to inform new and better origin stories for the polity to come

The Americanization of Benjamin Franklin Gordon S. Wood, 2005-05-31 I cannot remember ever reading a work of history and biography that is quite so fluent so perfectly composed and balanced The New York Sun Exceptionally rich perspective on one of the most accomplished complex and unpredictable Americans of his own time or any other The Washington Post Book World From the most respected chronicler of the early days of the Republic and winner of both the Pulitzer and Bancroft prizes comes a landmark work that rescues Benjamin Franklin from a mythology that has blinded generations of Americans to the man he really was and makes sense of aspects of his life and career that would have otherwise remained mysterious In place of the genial polymath self improver and quintessential American Gordon S Wood reveals a figure much more ambiguous and complex and much more interesting Charting the passage of Franklin's life and reputation from relative popular indifference his death while the occasion for mass mourning in France was widely ignored in America to posthumous glory The Americanization of Benjamin Franklin sheds invaluable light on the emergence of our country's idea of itself

Liberty's Captives Daniel E. Williams, Christina Riley Brown, 2006 An astonishing variety of captivity narratives emerged in the fifty years following the American Revolution however discussions about them have

usually focused on accounts of Native American captivities To most readers then captivity narratives are synonymous with godless savages the vast frontier and the trials of kidnapped settlers This anthology the first to bring together various types of captivity narratives in a comparative way broadens our view of the form as it shows how the captivity narrative in the nation building years from 1770 to 1820 helped to shape national debates about American liberty and self determination Included here are accounts by Indian captives but also prisoners of war slaves victims of pirates and Barbary corsairs impressed sailors and shipwreck survivors The volume s seventeen selections have been culled from hundreds of such texts edited according to scholarly standards and reproduced with the highest possible degree of fidelity to the originals Some selections are fictional or borrow heavily from other true narratives all are sensational Immensely popular with American readers they were also a lucrative commodity that helped to catalyze the explosion of print culture in the early Republic As Americans began to personalize the rhetoric of their recent revolution captivity narratives textually enacted graphic scenes of defiance toward deprivation confinement and coercion At a critical point in American history they helped make the ideals of nationhood real to common citizens

Handbook of American Romanticism Philipp Löffler, Clemens Spahr, Jan Stievermann, 2021-07-05 The Handbook of American Romanticism presents a comprehensive survey of the various schools authors and works that constituted antebellum literature in the United States The volume is designed to feature a selection of representative case studies and to assess them within two complementary frameworks the most relevant historical political and institutional contexts of the antebellum decades and the consequent re appropriations of the Romantic period by academic literary criticism in the twentieth and early twenty first centuries

Circles and Lines John Demos, 2009-06-30 In this intimate engaging book John Demos offers an illuminating portrait of how colonial Americans from the first settlers to the postrevolutionary generation viewed their life experiences He also offers an invaluable inside look into the craft of a master social historian as he unearths in sometimes unexpected places fragments of evidence that help us probe the interior lives of people from the faraway past The earliest settlers lived in a traditional world of natural cycles that shaped their behavior day and night seasonal rhythms the lunar cycle the life cycle itself Indeed so basic were these elements that almost no one felt a need to comment on them Yet he finds cyclical patterns in the seasonal foods they ate in the spike in marriages following the autumn harvest Witchcraft cases reveal the different emotional reactions to day versus night as accidental mishaps in the light become fearful nighttime mysteries During the transitional world of the American Revolution people began to see their society in newer terms but seemed unable or unwilling to come to terms with that novelty Americans became new Demos points out before they fully understood what it meant Their cyclical frame of reference was coming unmoored giving way to a linear world view in early nineteenth century America that is neatly captured by Kentucky doctor Daniel Drake s description of the chronography of his life In his meditation on these three worlds Demos brilliantly demonstrates how large historical forces are reflected in individual lives With the imaginative insights and personable touch

that we have come to expect from this fine chronicler of the human condition *Circles and Lines* is vintage John Demos

As recognized, adventure as without difficulty as experience nearly lesson, amusement, as with ease as bargain can be gotten by just checking out a books **Recollections Of The Early Republic Selected Autobiographies** as well as it is not directly done, you could admit even more more or less this life, approximately the world.

We have the funds for you this proper as competently as easy showing off to acquire those all. Recollections Of The Early Republic Selected Autobiographies Introduction

Recollections Of The Early Republic Selected Autobiographies Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Recollections Of The Early Republic Selected Autobiographies Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Recollections Of The Early Republic Selected Autobiographies : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Recollections Of The Early Republic Selected Autobiographies : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Recollections Of The Early Republic Selected Autobiographies Offers a diverse range of free eBooks across various genres. Recollections Of The Early Republic Selected Autobiographies Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Recollections Of The Early Republic Selected Autobiographies Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Recollections Of The Early Republic Selected Autobiographies, especially related to Recollections Of The Early Republic Selected Autobiographies, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Recollections Of The Early Republic Selected Autobiographies, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Recollections Of The Early Republic Selected Autobiographies books or magazines might include. Look for these in online stores or libraries. Remember that while Recollections Of The Early Republic Selected Autobiographies, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Recollections Of The Early Republic Selected Autobiographies eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain

books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Recollections Of The Early Republic Selected Autobiographies full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Recollections Of The Early Republic Selected Autobiographies eBooks, including some popular titles.

FAQs About Recollections Of The Early Republic Selected Autobiographies Books

What is a Recollections Of The Early Republic Selected Autobiographies PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Recollections Of The Early Republic Selected Autobiographies PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Recollections Of The Early Republic Selected Autobiographies PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Recollections Of The Early Republic Selected Autobiographies PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Recollections Of The Early Republic Selected Autobiographies PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing

restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
