(John Henry) 1834-1917 Lewis, 2022-10-27 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant Recollections from 1860 to 1865 John Henry Lewis, 1895 RECOLLECTIONS FROM 1860 TO 1865 JOHN HENRY. LEWIS, 2018 Lee and His Generals in War and Memory Gary W. Gallagher, 2004-03-01 In this collection Civil War historian Gary W Gallagher examines Robert E Lee his principal subordinates the treatment they have received in the literature on Confederate military history and the continuing influence of Lost Cause arguments in the late twentieth century United States Historical images of Lee and his lieutenants were shaped to a remarkable degree by the reminiscences and other writings of ex Confederates who formulated what became known as the Lost Cause interpretation of the conflict Lost Cause advocates usually portrayed Lee as a perfect Christian warrior and Stonewall Jackson as his peerless right arm and often explained Lee's failings as the result of inept performances by other generals Many historians throughout the twentieth century have approached Lee and other Confederate military figures within an analytical framework heavily influenced by the Lost Cause school The twelve pieces in Lee and His Generals in War and Memory explore the effect of Lost Cause arguments on popular perceptions of Lee and his lieutenants Part I offers four essays on Lee followed in Part II by five essays that scrutinize several of Lee's most famous subordinates including Stonewall Jackson John Bankhead Magruder James Longstreet A P Hill Richard S Ewell and Jubal Early Taken together these pieces not only consider how Lost Cause writings enhanced or diminished Confederate military reputations but also illuminate the various ways post Civil War writers have interpreted the actions and impacts of these commanders Part III contains two articles that shift the focus to the writings of Jubal Early and LaSalle Corbell Pickett both of whom succeeded in advancing the notion of gallant Lost Cause warriors The final two essays which contemplate the current debate over the Civil War's meaning for modern Americans focus on Ken Burns's documentary The Civil War and on the issue of battlefield preservation Gallagher

adeptly highlights the chasm that often separates academic and popular perceptions of the Civil War and discusses some of the ways in which the Lost Cause continues to resonate Lee and His Generals in War and Memory will certainly attract those interested in Lee and his campaigns the Army of Northern Virginia the establishment of popular images of the Confederate military and the manner in which historical memory is created and perpetuated *The Antietam Campaign* Gary W. Gallagher,2012-01-01 The Maryland campaign of September 1862 ranks among the most important military operations of the American Civil War Crucial political diplomatic and military issues were at stake as Robert E Lee and George B McClellan maneuvered and fought in the western part of the state The climactic clash came on September 17 at the battle of Antietam where more than 23 000 men fell in the single bloodiest day of the war Approaching topics related to Lee s and McClellan s operations from a variety of perspectives contributors to this volume explore questions regarding military leadership strategy and tactics the impact of the fighting on officers and soldiers in both armies and the ways in which participants and people behind the lines interpreted and remembered the campaign They also discuss the performance of untried military units and offer a look at how the United States Army used the Antietam battlefield as an outdoor classroom for its officers in the early twentieth century The contributors are William A Blair Keith S Bohannon Peter S Carmichael Gary W Gallagher Lesley J Gordon D Scott Hartwig Robert E L Krick Robert K Krick Carol Reardon and Brooks D Simpson *Recollections from 1860-1865* John Henry Lewis,1983-10-01 Catalogue Cadmus Book Shop,1919 **Bibliography of State Participation in the Civil War 1861-1866** United States.
