Recollections, Personal and Literary Richard Henry Stoddard, 1903 **Recollections, personal and literary, ed. by R. Hitchcock** Richard Henry Stoddard, 1903 **Dicitionary of Anonymous and Pseudonymous English Literature , Hearst's International** , 1904 Mark Twain's Joan of Arc Bernard J. Dobski, 2024-09-20 This book is about the political wisdom embodied in Personal Recollections of Joan of Arc by Mark Twain the self declared best book by arguably America s greatest author More precisely this study illuminates Twain s political wisdom by examining his approach to the theological political problem it takes up Twain s handling of the question of whether a providential deity intervenes in human affairs so as to effectuate divine justice on earth and it does this through a commentary on his last complete novel Through this investigation Twain prompts his audience to explore the natural conventional or divine basis for justice in political life Such a study is critical for understanding Twain s corpus concerned as it is with the tension between material determinism and moral agency Dobski argues that Twain s last novel prepares his readers to adopt a new understanding of man and his relationship to God his country and his fellow man **The World To-day** , 1904 **Current Encyclopedia** Samuel Fallows, Edmund Buckley, Shailer Mathews, 1904 **Behind the Curtain** Wayne R. Kime, 2011-05-31 In the decade that followed his emigration to the United States in 1851 Fitz James O'Brien 1828-1862 produced a steady stream of contributions to American newspapers and magazines As short story writer essayist poet dramatist reporter reviewer drama critic and editor he won reputation as one of the ablest young writers in New York City displaying what one contemporary termed an extraordinary talent But soon after his early death from complications of a battle wound the sense of wonder at O'Brien s prolific accomplishments began to dissipate In 1881 his friend William Winter brought out *The Poems and Stories of Fitz James O'Brien* a one volume collection that spared him the oblivion that awaits even the ablest magazine writers That book with reprintings derived from it has formed almost by itself the basis for O'Brien s lasting reputation In the early decades of the twentieth century O'Brien continued to be admired as the most significant practitioner in the short story in the United States of the 1850s However since then the recognition of his achievement has focused on a few tales of the macabre and the supernatural He is now remembered in two unrelated contexts as a colorful member of the Bohemian circle that flourished in New York City in the years prior to the Civil War and as author of such stories as *The Diamond Lens* *The Lost Room* and *What Was It A Mystery* The present volume reintroduces the fiction of Fitz James O'Brien to modern readers by presenting fourteen of his works five here reprinted for the first time that together suggest the development and range of his accomplishment as a short story writer Additionally editorial commentary on individual stories reveals O'Brien s attunement to the fashions fads interests and concerns that manifested themselves in his adopted city and country Though immersed in the details of his own era O'Brien cherished a belief that some of his writings would live beyond it The present collection offers evidence t *Chinese Revolution and Chinese Literature* Tao Dongfeng, Rosemary Roberts, Yang Xiaobin, 2009-05-05

This volume has brought together essays to explore analyse and interpret the revolutionary tradition in modern Chinese literature over the past century from various angles The authors examines the bodily or carnal dimension especially the hidden implication of sexual passion in revolutionary literature formulate feminist critiques of the conception of women in literary expressions of revolution explore the function of revolution as historical discourse and in historiographical representation and discuss the reworking of revolutionary classics in recent literary and artistic endeavours Here revolution in history and in literature is conceptualized neither as an unquestionably progressive and creative force for a new world nor an absolutely pejorative concept that necessarily leads to sociopolitical turmoil and tragedy Insofar as postrevolutionary writings cannot but reappropriate the revolutionary spirit as their unavoidable and inseparable traumatic kernel studies in revolutionary literature and culture too go through the zigzag experience of revolution in order to scrutinize its complex implications
