Called to Reconciliation Jonathan C. Augustine, 2022-02-08 Nationally recognized speaker and church leader Jay Augustine demonstrates that the church is called and equipped to model reconciliation justice diversity and inclusion This book develops three uses of the term reconciliation salvific social and civil Augustine examines the intersection of the salvific and social forms of reconciliation through an engagement with Paul's letters and uses the Black church as an exemplar to connect the concept of salvation to social and political movements that seek justice for those marginalized by racism class structures and unjust legal systems He then traces the reaction to racial progress in the form of white backlash as he explores the fate of civil reconciliation from the civil rights era to the Black Lives Matter movement This book argues that the church's work in reconciliation can serve as a model for society at large and that secular diversity and inclusion practices can benefit the church It offers a prophetic call to pastors church leaders and students to recover reconciliation as the heart of the church's message to a divided world Foreword by William H Willimon and afterword by Michael B Curry **The Sacrament of Reconciliation** Robert L. The Reconciliation of Peoples Gregory Baum, Harold Wells, 2009-06-01 Modern ethnic tension and conflict fueled by poverty and despair have led to a worldwide escalation of hostility among peoples From Bosnia to Rwanda to Sri Lanka there seems to be no end to the list of countries in conflict and the deep divisions along religious lines that become fuel for the fires Ethnic conflict challenges peacemakers and in particular peacemakers in the churches The Reconciliation of Peoples Challenge to the Churches this collection of fifteen original essays reports on the efforts of church based groups to foster reconciliation between former combatants in many different contexts The opening essay by coeditor Harold Wells explores biblical perspectives on forgiveness reconciliation and grace The essays on particular conflicts reflect upon actual efforts and

achievements by Christian churches organization and individuals to bring about reconciliation among former enemies These conflicts include peoples divided the Irish the Koreans the Rwandans Burundians peoples persecuted internally by their own ruling elite the Chileans the Fijians peoples tragically deprived of land and home the Palestinians and peoples torn apart by war the Germans the Poles the peoples of the Balkans Reconciliation in these contexts is the only way for two parties to rewrite their histories and enter upon a new path The concluding essay by coeditor Gregory Baum reflects theologically on the meaning and demands of reconciliation and on why it is at times so difficult for churches to take on the role of mediator

The Robe of God Myron S. Augsburger, 2000 God moves first with grace and comes to us in Christ to reconcile us to himself He transforms us and accepts us into the covenant relationship God clothes us like the prodigal son in the robe of righteousness and gives us a place in his family The heart of the gospel is Jesus Christ through whom God came to us and became human yet sinless to restore true humanity in us In Christ we are a new creation reconciled with God and with each other as God's own people saved from being self-centered Thus Augsburger says reconciliation surely has a social effect God's self-disclosure reaches its full expression in Jesus Christ who is our Savior Lord Mentor Intercessor and Reconciler We become a new community of disciples living in solidarity with Jesus Salvation and ethics flow from our relation to Jesus we identify with Jesus to live by God's will The gospel makes love possible The church needs a new sense of the global and situational nature of God's reign sharing God's grace personally with all peoples to enable them to live with equity justice and mutuality This book holds together the evangelistic and social dimensions of reconciliation as the core of the gospel 264 Pages
