Dr. Eric Pearl, Frederick Ponzlov, 2014-05-20 Why are prominent doctors quantum physicists and researchers all over the world interested in the seemingly chance encounter that Dr Eric Pearl had with one of his patients What was it about that encounter that would not only radically accelerate the trajectory of his life but ultimately affect the lives of millions and will most likely profoundly affect your life as well What is this phenomenon In his international bestseller *The Reconnection Heal Others Heal Yourself* Dr Pearl taught readers how to access and tap into a comprehensive spectrum of energy light and

Cole-Whittaker,2010-10-04 After years of teaching metaphysical principles all over the world through her seminars books church and international television ministry Terry Cole Whittaker realized that there was something extremely important missing from her teachings Divine discontent led her on an amazing spiritual journey that eventually yielded all that had been missing plus the sacred wisdom whereby everyone can enjoy the benefits of ever increasing bliss prosperity and love Terry shares this most empowering knowledge the knowledge of who we really are perfect souls possessing godlike powers and qualities *Divinely Touched: Transform Your Life* Dr. Dave DiSano,Mary DiSano,2011-08-29 Divinely Touched is a story of personal transformation It chronicles Marys spiritual awakening how she was divinely saved led and transformed From the depths of depression from battles with physical ailments for which the medical profession had no explanations from being led into worlds she never knew existed she survived being taken to the underworld She was guided and healed by light workers shamans and avatars from this world and the spirit dimension and led on a journey of personal physical mental and spiritual healing Marys experience like that of a caterpillar when transformed into a beautiful butterfly is one that will inspire enlighten and transform your life as well Dr Dave uses science research and knowledge of the ages to explain what Mary experienced and open worlds to the reader that they may never have imagined Divinely Touched Transform Your Life can in fact do just that With painstaking detail Mary describes her descent into darkness and her triumphant return Like Margaret Starbird in The Goddess in the Gospels who also has a spiritual awakening that took her into the realms of psychosis Mary describes a similar personal descent into darkness before bursting forth into spiritual awareness Inside you will find a compelling story that may help you or someone you love Maureen St Germain author of Beyond the Flower of Life Finding the Rhythms of Health and Happiness Divinely Touched is a wonderful book that documents an impassioned and heartfelt account of the pitfalls and triumphs of personal awakening Dr Michael Sharp author of The Great Awakening The Book of Light The Book of Love The Dossier of Ascension [The Akashic Experience](#) Ervin Laszlo,2009-02-12 Firsthand testimonies by 20 leaders in culture and science of their interactions with the Akashic field Provides important evidence for the authenticity of nonmaterial contact that human beings have with each other and with the cosmos Demonstrates that the increasing frequency and intensity of these experiences is evidence of a widespread spiritual resurgence Includes contributions by Alex Grey Stanislav Grof Stanley Krippner Swami Kriyananda Edgar Mitchell and others Knowing or feeling

that we are all connected to each other and to the cosmos by more than our eyes and ears is not a new notion but one as old as humanity Traditional indigenous societies were fully aware of nonmaterial connections and incorporated them into their daily life The modern world however continues to dismiss and even deny these intangible links taking as real only that which is physically manifest or proved scientifically Consequently our mainstream culture is spiritually impoverished and the world we live in has become disenchanted In *The Akashic Experience* 20 leading authorities in fields such as psychiatry physics philosophy anthropology natural healing near death experience and spirituality offer firsthand accounts of interactions with a cosmic memory field that can transmit information to people without having to go through the senses Their experiences with the Akashic field are now validated and supported by evidence from cutting edge sciences that shows that there is a cosmic memory field that contains all information past present and future The increasing frequency and intensity of these Akashic experiences are an integral part of a large scale spiritual resurgence and evolution of human consciousness that is under way today **Death? Josie Coco,2012-06-20 Right from the get go I was never going to believe that we were not meant to be happy At just 15 years of age the thought of spending the rest of my life in misery because we werent put on this earth to be happy was a thought too frightening to conceive As I projected this sentiment forward and imagined the long years ahead then and there I made the commitment that I was going to find the pathway to happiness that I would live a joyful life By the time I had reached my middle years this commitment had become an obsession During this lifetime I would find the keys to happiness Whatever it took joy was my goal and I wouldnt rest until I found it With glimpses of happiness along the way I was motivated and driven Love yourself first What does that mean How do you do that There were lots of great suggestions but very few helpful guidelines Entrenched in a middle income mindset I held many limiting beliefs that kept me squarely where I was But for an enquiring mind and a fearless heart that had almost lost its desire to fight on I may have drowned in the mire of unworthiness Little by little the pieces of the puzzle came together My journey took me to explore both inside and out what others had to offer and the filters through which I was living my life A woman on a mission I wouldnt let it go until I had discovered the answers Joy We are meant to be joyful We are meant to be happy **Wurruwarrin Where the Wind Blows**

Sandy Ross,2018-08-23 My book is meant to show the holistic intelligence of our traditional people Surviving for over sixty thousand years meant the whole brain had to be utilized The education I received left me stifled as my emotional intelligence was more in need of attention than my IQ which was ordinary I found the need to challenge that which was lacking in my schooling years and be passionate about change after revisiting education in the areas that I found interesting while learning as a mature age student *Evolution of Faith and Religion* Ajit Randhawa,2009-08
