*NO MAN KNOWS  
MY HISTORY*

Fawn M. Brodie and Joseph Smith  
in Retrospect

Edited by  
Newell G. Bringhurst

# Reconsidering No Man Knows My History

**Richard Lyman Bushman**

## **Reconsidering No Man Knows My History:**

Reconsidering No Man Knows My History Newell G. Bringhurst, 1996-08 Since 1945 Fawn Brodie's biography on the founding Mormon prophet has received both praise and condemnation. Noted scholars reexamine Brodie's Joseph Smith biography and its continuing importance. **Reconsidering No Man Knows My History** Newell G. Bringhurst, 1996 Since 1945 Fawn Brodie's biography on the founding Mormon prophet has received both praise and condemnation. Noted scholars reexamine Brodie's Joseph Smith biography and its continuing importance. **Reconsidering No Man Knows My History** Newell G. Bringhurst, 1996 Since 1945 Fawn Brodie's biography on the founding Mormon prophet has received both praise and condemnation. Noted scholars reexamine Brodie's Joseph Smith biography and its continuing importance.

*The Myth of the Twelve Tribes of Israel* Andrew Tobolowsky, 2022-03-17 The Myth of the Twelve Tribes of Israel is the first study to treat the history of claims to an Israelite identity as an ongoing historical phenomenon from biblical times to the present. By treating the Hebrew Bible's accounts of Israel as one of many efforts to construct an Israelite history rather than source material for later legends, Andrew Tobolowsky brings a long-term comparative approach to biblical and nonbiblical Israelite histories. In the process, he sheds new light on how the structure of the twelve tribes tradition enables the creation of so many different visions of Israel and generates new questions: How can we explain the enduring power of the myth of the twelve tribes of Israel? How does becoming Israel work? Why has it proven so popular and how did it change over time? Finally, what can the changing shape of Israel itself reveal about those who claimed it? *Utah Historians and the Reconstruction of Western History* Gary Topping, 2003 Among historians of Utah and the American West, few names have greater resonance than Bernard DeVoto, Dale Morgan, Juanita Brooks, Wallace Stegner, and Fawn Brodie. Each of these writers made enduring contributions not only to our knowledge of the American West but also to our view of the region and its history. In many ways, their writing set the standard for scholarship and interpretation, and their influence is still felt today. Yet they were not flawless. As Gary Topping explains in this, the first comprehensive appraisal of their work, each had serious shortcomings. DeVoto and Stegner, master storytellers, distorted their histories with excessive use of literary and artistic techniques. Morgan, the thorough researcher, failed to see larger contexts and interpretive possibilities. Brooks, courageous in finding damning new information on the Mountain Meadows massacre, stopped short of drawing conclusions that might alienate her from her fellow Mormons. And Brodie, psychobiographer extraordinaire, nonetheless succumbed to reading too much into the lives of her subjects based on her own emotions and conflicts. All five writers experienced Mormon Utah in the formative stages of their lives, and whether they wanted to or not, fashioned their work on the American West under that indelible influence. Topping shows ultimately how, despite weaknesses, each created exemplary models of diligent research and narrative elegance while establishing new traditions in western historical scholarship. **Interpreter: A Journal of Mormon Scripture, Volume 11 (2014)** Daniel C. Peterson, Jeffrey M. Bradshaw, Daniel Oswald, 2014-10-12 This is volume 11, 2014, of

Interpreter A Journal of Mormon Scripture published by The Interpreter Foundation It contains articles on a variety of topics including the resurrection meat and the Word of Wisdom Book of Mormon geography the language of the Book of Mormon changes in the Book of Mormon a review of Beam s American Crucifixion and a look at nonstandard Book of Mormon grammar

**Joseph Smith's Polygamy, Volume 1: History** Brian C. Hales, 2013-02-26 Few American religious figures have stirred more passion among adherents and antagonists than Joseph Smith Born in 1805 and silenced thirty nine years later by assassins bullets he dictated more than one hundred revelations published books of new scripture built a temple organized several new cities and became the proclaimed prophet to tens of thousands during his abbreviated life Among his many novel teachings and practices none is more controversial than plural marriage a restoration of the Old Testament practice that he accepted as part of his divinely appointed mission Joseph Smith taught his polygamy doctrines only in secret and dictated a revelation in July 1843 authorizing its practice now LDS D C 132 that was never published during his lifetime Although rumors and expos s multiplied it was not until 1852 that Mormons in Brigham Young s Utah took a public stand By then thousands of Mormons were engaged in the practice that was seen as essential to salvation Victorian America saw plural marriage as immoral and Joseph Smith as acting on libido However the private writings of Nauvoo participants and other polygamy insiders tell another more complex and nuanced story Many of these accounts have never been published Others have been printed sporadically in unrelated publications Drawing on every known historical account whether by supporters or opponents Volumes 1 and 2 take a fresh look at the chronology and development of Mormon polygamy including the difficult conundrums of the Fannie Alger relationship polyandry the angel with a sword accounts Emma Smith s poignant response and the possibility of Joseph Smith offspring by his plural wives Among the most intriguing are the newly available Andrew Jenson papers containing not only the often quoted statements by surviving plural wives but also Jenson s own private research conducted in the late nineteenth century Telling the story of Joseph Smith s polygamy from the records of those who knew him best augmented by those who observed him from a distance may have produced the most useful view of all

**Believing History** Richard Lyman Bushman, 2007-02-13 The eminent historian Richard Bushman here reflects on his faith and the history of his religion By describing his own struggle to find a basis for belief in a skeptical world Bushman poses the question of how scholars are to write about subjects in which they are personally invested Does personal commitment make objectivity impossible Bushman explicitly and at points confessionally explains his own commitments and then explores Joseph Smith and the Book of Mormon from the standpoint of belief Joseph Smith cannot be dismissed as a colorful fraud Bushman argues nor seen only as a restorer of religious truth Entangled in nineteenth century Yankee culture including the skeptical Enlightenment Smith was nevertheless an original who cut his own path And while there are multiple contexts from which to draw an understanding of Joseph Smith including magic seekers the Second Great Awakening communitarianism restorationism and more Bushman suggests that Smith stood at the cusp of modernity and presented the

possibility of belief in a time of growing skepticism When examined carefully the Book of Mormon is found to have intricate subplots and peculiar cultural twists Bushman discusses the book's ambivalence toward republican government explores the culture of the Lamanites the enemies of the favored people and traces the book's fascination with records translation and history Yet *Believing History* also sheds light on the meaning of Joseph Smith and the Book of Mormon today How do we situate Mormonism in American history Is Mormonism relevant in the modern world *Believing History* offers many surprises Believers will learn that Joseph Smith is more than an icon and non-believers will find that Mormonism cannot be summed up with a simple label But wherever readers stand on Bushman's arguments he provides us with a provocative and open look at a believing historian studying his own faith *Mormon History* Ronald Warren Walker, David J. Whittaker, James B. Allen, 2001

Joseph Smith's Polygamy, Volume 2: History Brian C. Hales, 2013-02-26 Few American religious figures have stirred more passion among adherents and antagonists than Joseph Smith Born in 1805 and silenced thirty nine years later by assassins bullets he dictated more than one hundred revelations published books of new scripture built a temple organized several new cities and became the proclaimed prophet to tens of thousands during his abbreviated life Among his many novel teachings and practices none is more controversial than plural marriage a restoration of the Old Testament practice that he accepted as part of his divinely appointed mission Joseph Smith taught his polygamy doctrines only in secret and dictated a revelation in July 1843 authorizing its practice now LDS D C 132 that was never published during his lifetime Although rumors and exposés multiplied it was not until 1852 that Mormons in Brigham Young's Utah took a public stand By then thousands of Mormons were engaged in the practice that was seen as essential to salvation Victorian America saw plural marriage as immoral and Joseph Smith as acting on libido However the private writings of Nauvoo participants and other polygamy insiders tell another more complex and nuanced story Many of these accounts have never been published Others have been printed sporadically in unrelated publications Drawing on every known historical account whether by supporters or opponents Volumes 1 and 2 take a fresh look at the chronology and development of Mormon polygamy including the difficult conundrums of the Fannie Alger relationship polyandry the angel with a sword accounts Emma Smith's poignant response and the possibility of Joseph Smith's offspring by his plural wives Among the most intriguing are the newly available Andrew Jenson papers containing not only the often quoted statements by surviving plural wives but also Jenson's own private research conducted in the late nineteenth century Telling the story of Joseph Smith's polygamy from the records of those who knew him best augmented by those who observed him from a distance may have produced the most useful view of all

**Fundamentalism in American Religion and Law** David A. J. Richards, 2010-03-15 Why from Reagan to George Bush have fundamentalists in religion and in law originalists exercised such political power and influence in the United States Why has the Republican Party forged an ideology of judicial appointments originalism hostile to abortion and gay rights Why and how did Barack Obama distinguish himself among Democratic candidates not only by his opposition to the

Iraq war but by his opposition to originalism This book argues that fundamentalism in both religion and law threatens democratic values and draws its appeal from a patriarchal psychology still alive in our personal and political lives and at threat from the constitutional developments since the 1960s The argument analyzes this psychology based on traumatic loss in intimate life and resistance to it based on the love of equals Obama s resistance to originalism arises from his developmental history as a democratic as opposed to patriarchal man who resists the patriarchal demands on men and women that originalism enforces in particular the patriarchal love laws that tell people who and how and how much they may love

**BYU Studies** Brigham Young University,2005 A voice for the community of LDS scholars **The Spirit among the dissenters** William H. Brackney,2019-02-15 This work examines the development of a dissenting perspective on the emerging doctrine of the Holy Spirit in Post Reformation Protestant thought By dissenting the author means beyond the mainstream of thought sometimes affirming but expanding orthodox positions but at other times pursuing new directions and images of the Spirit A new look is offered at the Puritan Separatist era in English dissenting traditions as well as organized dissenters in the seventeenth and eighteenth centuries Of particular interest are the applications of current philosophic and scientific writers There are sections on major German thinkers of the nineteenth century and major influential theologians of the last century who laid new foundations in the doctrine of the Holy Spirit Readers will be interested in the inclusion of new religious movements in two eras and creative contemporary ideas of the Spirit How an ongoing dissenting perspective contrasts with mainstream thinking is woven through four centuries of literature on the Spirit The author contends that we have learned much from the dissenting perspective and he offers seven constructive affirmations of the Spirit of God drawn from his survey and analyses of the previous four centuries The bibliography is comprehensive of major works on the doctrine of the Holy Spirit plus unusual sources of dissenting thought

*The Accidental Terrorist* William Shunn,2015-11-10 This just may be my favorite true life amazing but true tale never has threatening an aircraft been funnier or more thought provoking Cory Doctorow author of Little Brother and Homeland I devoured the more than four hundred pages of this memoir in what was essentially one sitting A welcome addition to the library of Mormon autobiography educational and highly entertaining Richard Packham Dawning of a Brighter Day 1987 A faltering missionary named Bill Shunn lands himself in a Canadian jail facing charges of hijacking and the prospect of life behind bars 1844 A frontier prophet named Joseph Smith lands himself in an Illinois jail facing charges of treason and the prospect of imminent lynching What binds these two men together This riveting memoir by turns hilarious provocative and thrilling answers that question in style weaving from their stories a spellbinding tapestry of deception desperation and defiance Answer its call and you ll never look at a Mormon missionary the same way again You will read few other books as smart funny honest and heartbreaking as The Accidental Terrorist and I unreservedly recommend it to you as both a home grown cautionary tale and a highly original coming of age saga Michael Bishop author of Ancient of Days and editor of A Cross of Centuries The book grabs you on page one and never

lets go Fantastically written beautifully paced The Accidental Terrorist reads like a novel instead of a memoir Only in novel form no one would have ever believed these events could have happened Believe it William Shunn lived every word of this book That he can share it so eloquently is a tribute not just to his writing skill but his strengths as a human being Kristine Kathryn Rusch USA Today bestselling author Finalist for the 2015 Association for Mormon Letters Award **Mysteries in History** Paul D. Aron,2005-11-07 This work is an engaging exploration of the process of historical research following historians as they search for solutions to the greatest mysteries of all time Award winning author Paul Aron takes readers on a journey through great historical mysteries through the ages Entertaining in themselves the stories also show that history is not merely living but lively The reader who comes to the book thinking history is boring will leave with a changed outlook with regard to both the subject matter and the process of writing history Each chapter is a carefully and thoroughly researched presentation not of popularized accounts but of valid historical scholarship Chronologically arranged the essays show the historical process in action For each disputed historical point theories arise become standard wisdom and then are revised as additional information becomes available This book reveals the mechanics of that process including spirited debate swashbuckling archaeology and the application of modern science to ancient questions **Latter-day Dissent** Philip Lindholm,2010-12-01 This volume collects for the first time in book form stories from the September Six a group of intellectuals officially excommunicated or disfellowshipped from the LDS Church in September of 1993 on charges of apostasy or conduct unbecoming Church members Their experiences are significant and yet are largely unknown outside of scholarly or more liberal Mormon circles which is surprising given that their story was immediately propelled onto screens and cover pages across the Western world Interviews by Dr Philip Lindholm Ph D Theology University of Oxford include those of the September Six Lynne Kanavel Whitesides Paul James Toscano Maxine Hanks Lavina Fielding Anderson and D Michael Quinn as well as Janice Merrill Allred Margaret Merrill Toscano Thomas W Murphy and former employee of the LDS Church s Public Affairs Department Donald B Jessee Each interview illustrates the tension that often exists between the Church and its intellectual critics and highlights the difficulty of accommodating congregational diversity while maintaining doctrinal unity a difficulty hearkening back to the very heart of ancient Christianity *The Blackwell Companion to Religion in America* Philip Goff,2010-03-25 This authoritative and cutting edge companion brings together a team of leading scholars to document the rich diversity and unique viewpoints that have formed the religious history of the United States A groundbreaking new volume which represents the first sustained effort to fully explain the development of American religious history and its creation within evolving political and social frameworks Spans a wide range of traditions and movements from the Baptists and Methodists to Buddhists and Mormons Explores topics ranging from religion and the media immigration and piety though to politics and social reform Considers how American religion has influenced and been interpreted in literature and popular culture Provides insights into the historiography of religion but presents the subject as a story in motion rather

than a snapshot of where the field is at a given moment      **Excavating Mormon Pasts** Newell C. Bringhurst, Lavina Fielding Anderson, 2004-08-31 Winner of the Special Book Award from the John Whitmer Historical Association *Excavating Mormon Pasts* assembles sixteen knowledgeable scholars from both LDS and the Community of Christ traditions who have long participated skillfully in this dialogue. It presents their insightful and sometimes incisive surveys of where the New Mormon History has come from and which fields remain unexplored. It is both a vital reference work and a stimulating picture of the New Mormon History in the early twenty-first century.

**Under the Banner of Heaven** Jon Krakauer, 2004-06-08 NATIONAL BESTSELLER From the author of *Into the Wild* and *Into Thin Air*, this extraordinary work of investigative journalism takes readers inside America's isolated Mormon Fundamentalist communities. Now an acclaimed FX limited series streaming on HULU. Fantastic. Right up there with *In Cold Blood* and *The Executioner's Song*. *San Francisco Chronicle*: Defying both civil authorities and the Mormon establishment in Salt Lake City, the renegade leaders of these Taliban-like theocracies are zealots who answer only to God; some 40,000 people still practice polygamy in these communities. At the core of Krakauer's book are brothers Ron and Dan Lafferty, who insist they received a commandment from God to kill a blameless woman and her baby girl. Beginning with a meticulously researched account of this appalling double murder, Krakauer constructs a multi-layered, bone-chilling narrative of messianic delusion, polygamy, savage violence, and unyielding faith. Along the way, he uncovers a shadowy offshoot of America's fastest growing religion and raises provocative questions about the nature of religious belief.

**Moroni and the Swastika** David Conley Nelson, 2015-03-02 A page-turning historical narrative, this book is the first full account of how Mormons avoided Nazi persecution through skilled collaboration with Hitler's regime and then eschewed postwar shame by constructing an alternative history of wartime suffering and resistance.

### Reconsidering No Man Knows My History Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Reconsidering No Man Knows My History PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Reconsidering No Man Knows My History PDF books and manuals is

convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Reconsidering No Man Knows My History free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

### **FAQs About Reconsidering No Man Knows My History Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Reconsidering No Man Knows My History is one of the best book in our library for free trial. We provide copy of Reconsidering No Man Knows My History in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Reconsidering No Man Knows My History. Where to download Reconsidering No Man Knows My History online for free? Are you looking for Reconsidering No Man Knows My History PDF? This is definitely going to save you time and cash in something you should think about.
