**Stuart C. Hackett**

## **Reconstruction Of The Christian Revelation Claim A Philosophical And Critical Apologetic:**

The Reconstruction of the Christian Revelation Claim Stuart C. Hackett, 2009-01-07 Dr Hackett provides in digestible form a comprehensive systematic and pervasively philosophical apologetic for the Christian revelation claim. Although the approach is seriously philosophical, the text is free as possible of the earmarks of technical scholarship, reflecting the author's aspiration to reach the common person who has a deep interest in such questions. Thus, although positions, arguments, and counter arguments are discussed, of necessity these are set forth without distracting encumbrances. Specifically, this book is designed as a substantial textbook for college and seminary courses in apologetics. In his thorough introduction, *Philosophical Prolegomena*, a firm base for the whole study is established by initiating the reader firmly in epistemology and the concept of revelation. The main divisions are Christianity and the Revelation Cosmos, A Philosophical Case for a Theistic Metaphysics, Christianity and the Revelational Person, An Historical Critical Case for the Incarnation of God in Jesus Christ, Christianity and the Revelational Word, The Propositional Expression of Revelation in Scripture. Dr Hackett includes on every page parallel marginal summaries and outlines to guide the reader and to facilitate ready reference. *The Reconstruction of the Christian Revelation Claim* Stuart Cornelius Hackett, 1984

The Resurrection of Theism Stuart C. Hackett, 2009-01-21 The Christian world view contends the author both needs and embodies a thoroughgoing rational apologetic as a manifestation of its relevance to the contemporary mind. Christian faith should be defended in terms of criteria which center in rational objectivity as the norm of truth and evaluation. The author, who stands in the tradition of Aquinas, Butler, Orr, and Tennant, deals first with the problem of epistemological approach, part 1. Then he tackles the apologetic of natural revelation, first setting forth the inadequacy of every major alternate to rational empiricism, part 2, then demonstrating the existence of the God of theism, part 3. Each chapter is well outlined, and these outlines appear together in an Analytical Table of Contents. This feature, as well as a bibliography and index, makes this a useful textbook for courses in apologetics and philosophy.

**The Rediscovery of the Highest Good** Stuart C. Hackett, 2009-03-01 Stuart Hackett's *The Rediscovery of the Highest Good*, originally handwritten in spiral notebooks, is a masterwork of philosophical ethics that guides readers through 2300 years of discourse on the issue of morality from Plato through Kierkegaard and Nietzsche. It is the destiny of every human person to decide. Hackett opens: Whether our choices are genuinely free or inevitably determined, invariably trivial or occasionally momentous, carelessly settled or reflectively reasoned, at least in one sense all this makes no difference for the one thing about which persons have no choice is that we unavoidably and necessarily must choose and cannot therefore escape our responsibility to do so. From this matter of fact, beginning Hackett builds a coherent case for a modified teleological position while providing fleeting personal glimpses into his lifelong romance with philosophical contemplation. From the opening page all the arguments are set down in a steady line of development aimed unerringly toward a preconceived goal. At various points Hackett's summations produce a cerebral satisfaction that could almost be described as aesthetic, a kind of sheer

intellectual pleasure akin to beauty Recovery of the Highest Good is the culmination of forty years of reflection from a theistic perspective and is likely to be an invaluable handbook for inquirers in future generations     *The Big Book of Christian Apologetics* Norman L. Geisler,2012-11-01 The Big Book of Christian Apologetics is a comprehensive resource designed to equip motivated believers with information to help defend and explain their faith Examining nearly every key issue person and concept related to Christian apologetics this book clarifies difficult biblical passages clearly explains various philosophical systems and concepts examines contemporary issues and challenges and offers classic apologetic arguments all with the aim of giving readers the background to intelligently and persuasively talk about their Christian faith with skeptics An expertly abridged version of the Baker Encyclopedia on Christian Apologetics this resource brings leading apologist Norman L Geisler s seminal work to the masses     **Atheism Is False Richard Dawkins and the Improbability of God Delusion** David Reuben Stone,2007-08-01 David Reuben Stone presents a modern defense of the existence of God Two new arguments are presented The Argument From The Laws Of Physics and the Fine Tuning Argument The atheism of Richard Dawkins is refuted in great detail as well as writings of the following atheistic authors Quentin Smith Michael Martin William Rowe Victor Stenger Theodore Drange J L Schellenberg Nicholas Everitt Michael Ikeda Bill Jefferys Theodore Schick Jr Wesley C Salmon Walter Sinnott Armstrong Victor Cosculluela Thomas Metcalf and Bruce and Frances Martin The defenses of atheism by these leading thinkers now stand thoroughly critiqued and in need of substantial revision A must read for anyone interested in the existence of God The defense of Hugh Ross s fine tuning arguments against objections raised by Ikeda and Jefferys is alone worth the price of this book David Reuben Stone is president and founder of Atheism Is False Ministries [www.atheismisfalse.com](http://www.atheismisfalse.com)     Church as Parable Harry J. Huebner,David Schroeder,2018-07-10 At the heart of this book is the conviction that moderns have lost their ability to think morally and theologically Moral language such as right wrong and ought is seen as meaningless Modern society and frequently the church have adopted an emphasis on individual freedom and choice in which all is a matter of personal attitude or opinion Then God plays little or no role In this important volume Harry Huebner and David Schroeder analyze our moral predicament and its implications They build a case for an ethical approach based on Scripture and the centrality of God and Jesus Christ an approach in which the church plays an integral role     A Critical Realist's Theological Method Douglas W. Kennard,2013-02-21 A Critical Realist s Theological Method explores a systematic theology method grounded in critical realism in the wake of Alister McGrath Imre Lakatos Nancey Murphy N T Wright and Dale Allison Kennard surveys philosophical and traditional theological approaches for contributions and limitations in order to set out a method for theology and science Kennard extends this method to a Thiselton Ricoeur hermeneutic that can fund insightful exegesis and Biblical theology in the wake of Ladd Dunn Vos and Goldingay This Biblical theology method is illustrated by wisdom literature the traditional reef of the discipline and then developed for the contributions toward systematic theology as Gabler had originally envisioned With contextualized Scripture

sourcing most of the content for systematic theology the trajectory is shown in the subtitle Returning the Bible and Biblical Theology to be the Framer for Theology and Science The method is exemplified in exegesis of creation texts which frame possibilities for science Likewise Biblical theology frames a bio ethics integration of psychology and theology setting out a transactional model for psychological recovery with University of Chicago professor Paul Holmes A theology for peer review and work is also framed **The Kalam Cosmological Argument, Volume 1** Paul Copan, William Lane Craig, 2017-11-16

Did the universe begin to exist If so did it have a cause Or could it have come into existence uncaused from nothing These questions are taken up by the medieval though recently revived kalam cosmological argument which has arguably been the most discussed philosophical argument for God's existence in recent decades The kalam's line of reasoning maintains that the series of past events cannot be infinite but rather is finite Since the universe could not have come into being uncaused there must be a transcendent cause of the universe's beginning a conclusion supportive of theism This anthology on the philosophical arguments for the finitude of the past asks Is an infinite series of past events metaphysically possible Should actual infinities be restricted to theoretical mathematics or can an actual infinite exist in the concrete world These essays by kalam proponents and detractors engage in lively debate about the nature of infinity and its conundrums about frequently used kalam argument paradoxes of Tristram Shandy the Grim Reaper and Hilbert's Hotel and about the infinity of the future

Approaching the World's Religions, Volume 2 Robert Boyd, 2017-06-20 Evangelical theology strives to be evangelical conservative and contemporary In a world in which everyone is Christian evangelical theology provides a balanced position between fundamentalism and liberalism While theological debates within the family will occur to be evangelical is a breath of fresh air for many However we do not live in such a world We do find ourselves living in a secular global society It is secular because no religious organization dictates how we live our lives It is global for at least two reasons First our technology brings us immediately in contact with those faraway places Second and of more importance we can simply step outside our front doors and encounter our neighborhoods that reflect a global pluralism This raises the question how shall we then live The intent of An Evangelical Theology of Religions is to suggest a direction for evangelicals to think about the secular global society in which they live in a way that is not only conservative but also evangelical and contemporary The final essay strives to address the evangelical aspect of our tradition that places an emphasis on the Great Commission and the law of love

Faith Has Its Reasons Kenneth Boa, Robert M. Bowman Jr., 2012-01-05 A most accessible but thoroughly practical primer on apologetics Tracking the Maze Clark H. Pinnock, 1998-06-18 **The Kalam Cosmological Argument, Volume 2** Paul Copan, William Lane Craig, 2017-11-16 The ancient kalam cosmological argument maintains that the series of past events is finite and that therefore the universe began to exist Two recent scientific discoveries have yielded plausible prima facie physical evidence for the beginning of the universe The expansion of the universe points to its beginning to a Big Bang as one retraces the universe's expansion in time And the second law of thermodynamics which implies that the universe's energy is

progressively degrading suggests that the universe began with an initial low entropy condition The kalam cosmological argument perhaps the most discussed philosophical argument for God's existence in recent decades maintains that whatever begins to exist must have a cause And since the universe began to exist there must be a transcendent cause of its beginning a conclusion which is confirmatory of theism So this medieval argument for the finitude of the past has received fresh wind in its sails from recent scientific discoveries This collection reviews and assesses the merits of the latest scientific evidences for the universe's beginning It ends with the kalam argument's conclusion that the universe has a cause a personal cause with properties of theological significance

**Behold the Man** Peter S. Williams, 2024-06-18 After a substantial new essay examining the nature of a properly skeptical historical inquiry into Jesus of Nazareth in the context of contemporary worldviews from pre modernism to meta modernism Behold the Man presents revised essays on an eclectic range of issues from how the Epistle of James treats Jesus as Divine within decades of the crucifixion and an evaluation of recent arguments about the dating of the Fourth Gospel to debunking claims about Jesus and ancient aliens and furthering debate about the resurrection With a foreword by eminent New Testament scholar Craig L Blomberg and extensive recommended resources Behold the Man Essays on the Historical Jesus represents a wide ranging interdisciplinary engagement with historical Jesus studies

The Achievement of David Novak Matthew Levering, Tom Angier, 2021-02-18 This book is a Festschrift offered by twelve Catholic theologians and philosophers to the great Jewish theologian David Novak Each of the twelve essays is followed by a response by David Novak and it thereby represents a significant addition to his oeuvre The book includes an introduction by Matthew Levering surveying Novak's many contributions to Jewish Christian dialogue as well as a transcribed conversation between Robert George and David Novak that encapsulates Novak's sense of the present situation for Jews and Christians Among the topics treated by the authors are religious engagement in a pluralist and secular culture the question of whether Jews and Christians worship the same God the morality of suicide the role of divine commandments in Catholic moral theology the question of whether classical versions of natural law doctrine are susceptible to the critiques proffered by Novak the pedagogical impact of Dabru Emet religious freedom the recent debate about Pope Pius IX and Edgardo Mortara the nature of justice the relationship of reason and revelation the sanctity of human life and the death penalty and supersessionism

Rehabilitating Inerrancy in a Culture of Fear Carlos R. Bovell, 2012-02-20 The notion that the Bible is inerrant in everything it teaches is something those with conservative upbringings are conditioned to take for granted However after being exposed to scholarship in biblical studies and other disciplines some draw the unexpected conclusion that inerrancy as a doctrine is in dire need of serious revamping Unfortunately inerrantist politics and culture are making the constructive restorative process impossible to initiate In Rehabilitating Inerrancy in a Culture of Fear Carlos Bovell offers a synoptic overview of the issues to be addressed if inerrancy is to survive as a viable bibliological option

*The Dialogical Spirit* Amos Yong, 2015-04-30 Contemporary proposals for Christian theology from post liberalism to

Radical Orthodoxy and beyond have espoused their own methodological paradigms Those who have ventured into this domain of theological method however have usually had to stake their claims vis a vis trends in what may be called the contemporary post al age whether of the post modern post Christendom post Enlightenment post Western or post colonial varieties This volume is unique among offerings in this arena in suggesting a way forward that engages on each of these fronts and does so from a particularistic Christian perspective without giving up on Christian theology's traditional claims to universality This is accomplished through the articulation of a distinctive dialogical methodology informed by both Pentecostalism and Evangelicalism one rooted in the Christian salvation history narrative of Incarnation and Pentecost that is yet open to the world in its many and various cultural ethnic religious and disciplinary discourses Amos Yong here engages with twelve different interlocutors representing different ecumenical religious and disciplinary perspectives The Dialogical Spirit thus not only proffers a model for Christian theological method suitable for the twenty first century global context but also exemplifies this methodological approach through its interactions across the contemporary scholarly inter religious and theological landscape

*Systematic Philosophical Theology, Volume 1* William Lane Craig, 2025-03-03 Offers a transformative journey through Christian doctrine invites readers to engage with an intellectually enriching exploration of faith and reason Systematic Philosophical Theology is a multi volume explication of Christian doctrine in the classic Protestant tradition of the loci communes Blending the disciplines of biblical theology historical theology and analytic theology this landmark series provides readers with a biblically faithful philosophically coherent articulation of the full range of Christian doctrine In the first volume of the series Prolegomena On Scripture On Faith distinguished theologian and philosopher William Lane Craig begins by introducing his conception of systematic philosophical theology describing how it relates to biblical theology dogmatics fundamental theology apologetics and especially philosophy of religion The chapters that follow defend the divine authority of Scripture address the nature of faith and discuss the rational justification for Christian faith Throughout the text Craig tackles deep philosophical issues that arise naturally from Christian doctrine such as questions regarding the compatibility of biblical inspiration and human freedom Taking a synoptic integrative approach that lays the foundation for engaging with subsequent volumes in the series Prolegomena On Scripture On Faith Offers a deep integration of philosophy and theology Characterizes the main features of systematic theology including its nature goals subject matter and relations to adjacent disciplines Combines sacred and secular knowledge to build a synoptic worldview bridging the gap between theology and scientific disciplines Presents creative formulations of Christian doctrines such as a Molinist doctrine of biblical inspiration Systematic Philosophical Theology Volume I Prolegomena On Scripture On Faith is essential reading for philosophers of religion systematic theologians analytic theologians and Christian philosophers It is also a valuable resource for students and scholars of religion philosophy of religion and theology as well as laypeople and academics in other fields

*Five Views on Apologetics* Zondervan, 2010-06-01 Of the most common approaches to

apologetics which is most effective The goal of apologetics is to persuasively defend Christianity against charges of falsehood inconsistency or credulity It s an intellectual discipline that serves to bolster the faith of Christian believers and to aid the task of evangelism but are some methods more effective than others Five Views on Apologetics examines the how to of apologetics putting five prominent techniques under the microscope Classical represented by William Lane Craig Evidential represented by Gary Habermas Cumulative Case represented by Paul D Feinberg Presuppositional represented by John M Frame Reformed Epistemology represented by Kelly James Clark Offering a forum for presentation critique and defense this book allows the contributors for the different viewpoints to respond to the others Your own informed conclusions can then guide you as you meet the questions of a needy world with the claims of the gospel The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair minded and respectful of the biblical text Each volume is a one stop reference that allows readers to evaluate the different positions on a specific issue and form their own educated opinion     *Handbook of Biblical Evidences* John Ankerberg, John Weldon, 2008-03-01 Many Christians are afraid to talk about their faith for fear of not knowing what to say How can they prepare themselves That s the purpose of Handbook of Bible Evidences written by two bestselling apologetics experts John Ankerberg and John Weldon They provide clear and thoughtful responses to the tough questions seekers are most likely to ask questions such as Hasn t evolution proved that Genesis is wrong Isn t the Bible filled with historical and scientific errors What evidence is there that Jesus rose from the dead Focused on topics related to the Bible Jesus Christ and creation this powerful resource deals head on with false assumptions and frequent misconceptions people have And it s based on more than 30 years of apologetics research and ministry to unbelievers A superb tool for helping readers know how to share their faith with confidence Formerly titled Ready with an Answer

Getting the books **Reconstruction Of The Christian Revelation Claim A Philosophical And Critical Apologetic** now is not type of inspiring means. You could not lonesome going once ebook addition or library or borrowing from your links to entrance them. This is an extremely easy means to specifically acquire guide by on-line. This online publication **Reconstruction Of The Christian Revelation Claim A Philosophical And Critical Apologetic** can be one of the options to accompany you subsequent to having extra time.

## Reconstruction Of The Christian Revelation Claim A Philosophical And Critical Apologetic Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information.

No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Reconstruction Of The Christian Revelation Claim A Philosophical And Critical Apologetic PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Reconstruction Of The Christian Revelation Claim A Philosophical And Critical Apologetic PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Reconstruction Of The Christian Revelation Claim A Philosophical And Critical Apologetic free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of

free PDF books and manuals waiting to be discovered right at your fingertips.

### **FAQs About Reconstruction Of The Christian Revelation Claim A Philosophical And Critical Apologetic Books**

**What is a Reconstruction Of The Christian Revelation Claim A Philosophical And Critical Apologetic PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Reconstruction Of**

**The Christian Revelation Claim A Philosophical And Critical Apologetic PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF.

**How do I edit a Reconstruction Of The Christian Revelation Claim A Philosophical And Critical Apologetic PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a**

**Reconstruction Of The Christian Revelation Claim A Philosophical And Critical Apologetic PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a**

**Reconstruction Of The Christian Revelation Claim A Philosophical And Critical Apologetic PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
