Recovering The Christian Mind Meeting The Challenge Of Secularism:

Recovering the Christian Mind Harry Blamires, 1988 *Think Biblically (2nd edition)* John MacArthur, Abner Chou, 2025-03-24 23 Essays Demonstrate How God's Voice Guides Every Area of Life from Science and Economics to Marriage and the Arts What we think shapes who we are That's why the Bible tells us Do not be conformed to this world but be transformed by the renewal of your mind Romans 12:2a In a time of differing voices competing for our allegiance we must learn to think biblically so we can distinguish good from evil In this collection of essays John MacArthur and other teachers from the Master's College confront the false worldviews that dominate our postmodern world The authors provide models for cultivating a biblical mindset on worship psychology gender science education history government economics and literature This second edition includes new chapters on hermeneutics mental illness complementarianism and Christian liberal arts Written for students as well as teachers and pastors *Think Biblically* helps us navigate today's culture with our thoughts and lives centered on Christ Biblical and Practical Edited by John MacArthur and Abner Chou these theologically profound essays guide readers to discern God's will and obey his word Comprehensive Covers a wide range of issues including psychology gender science education and economics Accessible A great resource for high school and college students as well as laypeople pastors and counselors Replaces ISBN 978 1 4335 0398 6 **Discovering the Christian Mind** Douglas Vickers, 2011-06-24 The relation between Christianity and the claims of reason has been at times sharp and conflicting and at times symbiotic Noted scholars in the church and in the secular academy have asked what Christianity has to do with culture and what the Christian mind has to say or should be saying by way of critique in the marketplace of ideas In *Discovering the Christian Mind* Douglas Vickers argues insightfully that prior to the question of what the Christian mind should be doing or saying is that of what the Christian mind is Vickers shows that the true identity of the Christian mind derives from the Holy Spirit's conveyance to the soul of the grace of regeneration The conclusion that regeneration is prior to knowing and that those know truly who know God truly challenges thought and opinion **The Immediacy of God** Douglas Vickers, 2009-05-13 The confessing church in our time treats lightly the doctrinal deposit of its theological inheritance The clamor of competition for the reconstruction of belief systems has too often neglected older and more secure moorings In a postmodern age that countenances individual belief idiosyncrasies and accords them sanctity the answer to the ordinary man's question What is the gospel is often clouded and confused Against doctrinal uncertainties and insecurities *The Immediacy of God* brings back into prominence a number of foundational issues related to the doctrines of God and salvation of theology and soteriology In doing so it anchors its thought structure in the basic apologetic presupposition that God is and in the fundamental hermeneutical principle of divine covenantal purpose The originality of Vickers' argument lies in its proposal of new perspectives on its chosen subject range and as it becomes necessary for the elucidation of biblical belief its critical response to proposals for new theological paradigms The organizing core of the book's argument is its proposition regarding

the immediacy of God in his being his knowledge his will and his actions That core proposition spills its influence to aspects of human salvation On such levels questions are raised that strike to the heart of the meaning of the divinely instituted redemptive process Divine actions within that process are understood to be immediate rather than mediate Redemptive actions of God are immediate in the sense that no mediating causes exist between those actions and their effects and outcomes in the human condition

Worldviews and Christian Education W. Shipton, E. Coetzee & R. Takeuchi, 2013 Christ's instruction to his disciples was to witness to others about his plan of salvation This may be relatively easy when it involves our contemporaries and peers But when we are working with people from a different cultural background or belief system it can be difficult or seemingly impossible In Worldviews and Christian Education editors W A Shipton E Coetzee and R Takeuchi have brought together works by experts in cross cultural religious education The authors and editors have a wealth of personal experience in presenting the gospel to individuals with various worldviews that differ greatly from those held by Christians who take the Bible as authoritative They focus on the beliefs and issues associated with witnessing to seekers for truth coming from backgrounds as diverse as animism Buddhism Confucianism Hinduism Islam Marxism Taoism and postmodernism The emphasis is on educational settings but the sensitivities highlighted and lessons learned are applicable to situations outside this area Leaders pastors teachers and laypersons will find valuable conceptual models practical ideas and bibliographic references presented here Worldviews and Christian Education challenges all readers to be faithful to the biblical worldview and to approach everyone with sensitivity so that like the apostle Paul they may reach some

The Master Teacher: Developing a Christ-based Philosophy of Education Brian C. Nixon, 2007 Written as a primer for Christian schools Sunday schools and church sponsored education groups The Master Teacher discusses the Biblical base for developing a philosophy of education Focusing on the foundation framework and fruit of a Christ based model The Master Teacher discusses such topics as The Biblical philosophy of education Jesus as student Jesus as teacher Heart soul and mind frameworks Paideia the training of a child The fruit of educational endeavors The role of the Holy Spirit in education The attributes of God in relation to education The Master Teacher is a wonderful introduction for teachers administrators and pastors interested in the primary role of developing a Christ based philosophy of education

The Christian's Highest Good Douglas Vickers, 2014-04-07 Competing worldviews cast their impact on the church and the Christian confession What does it mean to be a Christian in an age that threatens cultural dissolution Related questions press on a calm consideration of the meaning of the Christian life Who is Jesus Christ of whose salvific work the Christian confession depends Why did Jesus Christ come into the world What is to be said of the human condition following the Adamic fall which as John Milton says brought death into the world and all our woe What is the Christian's highest good the grounds on which it has life determining relevance and what are its existential implications In this closely reasoned and biblically informed examination of those questions Douglas Vickers concludes that the Christian's highest good exists in fellowship with the Father The

practical and everyday significance of that fellowship is addressed at length and the meaning and prospect of each Christian's eternal life is shown to be grounded in a vital and indissoluble union with Christ *Worldview* David K. Naugle, 2002-07-16

Conceiving of Christianity as a worldview has been one of the most significant events in the church in the last 150 years In this new book David Naugle provides the best discussion yet of the history and contemporary use of worldview as a totalizing approach to faith and life This informative volume first locates the origin of worldview in the writings of Immanuel Kant and surveys the rapid proliferation of its use throughout the English speaking world Naugle then provides the first study ever undertaken of the insights of major Western philosophers on the subject of worldview and offers an original examination of the role this concept has played in the natural and social sciences Finally Naugle gives the concept biblical and theological grounding exploring the unique ways that worldview has been used in the Evangelical Orthodox and Catholic traditions This clear presentation of the concept of worldview will be valuable to a wide range of readers Hebrews George H. Guthrie, 1998 The NIV Application Commentary helps readers with the vital task of bringing the ancient message of the Bible into a contemporary context It gives preachers and teachers the tools ideas and insights they need to communicate God's Word with the same powerful impact it had when it was first written **Biblical Counsel**, 1993 **Philosophy, Who Needs It?** Jason D. Crowder, 2016-03-02 Too often skeptics charge Christians with having a blind faith Unfortunately believers have added fuel to the charges of skeptics by speaking of their faith illogically But the Christian faith is not a blind faith In fact biblical faith is never a blind irrational faith Christianity rests firmly on the stone that was rejected by the builders which has become the cornerstone Jesus Christ Acts 4:11 Living biblically requires thinking biblically just as to think biblically entails to live biblically as Winfried Corduan notes in the Foreword As followers of Christ believers cannot separate biblical thinking and biblical living These two behaviors are eternally connected not only in the person of Jesus Christ but they stem from the eternal being of God the Father and his eternal truth Christ mandates that his followers love God with their entire being heart soul mind and strength Mark 12:30 How are believers to go about living out this biblical mandate Christian faith is a warranted belief This is why it is so essential that Christians recognize the value and importance of philosophy and its proper place in Christendom and in the Christian's walk Exploring a Christian Worldview Dr. Charles W. King, 2018-04-17 An ancient philosopher said The unexamined life is not worth living There is truth in this that's applicable to the life of any Christian Most Christians live with little thought of the reasons for their conduct and for their beliefs Opening this to examination can be a challenging and very rewarding experience It can also be the source of genuine peace and assurance This book represents the views of the author his graduate school class and a highly educated Sunday class one with a doctorate five with masters degrees as they wrestled with defining a biblical base for their life assumptions The discussion can also be a lot of fun as my students and I discovered Mad or God? Pablo Martinez, Andrew Sims, 2018-07-19 Imagine someone with a mind so healthy that he doesn't need to see a psychiatrist Ever Yet that person runs the gauntlet of

taunting mockery and false accusations People turn against him Friends disown and desert him He stands alone Amazingly two thousand years after his death the taunts still fly Films and books appear with fresh accusations and oh so convincing arguments How can this man be discredited and silenced for once and for all More to the point can he As psychiatrists we need to speak up Enough is enough Shadow us as we examine what we believe to be the most fascinating mind in all of history Dare you imagine a different reality And what will this mean in practice Jesus had greater influence than any other person who ever lived Yet atheistic detractors often portray him as insane or deranged Claims gather momentum Often they are left unchallenged Is there any basis for such claims The authors respected psychiatrists consider Jesus's words actions and teaching and use fascinating insights from psychiatry to make an assessment We need confidence to weigh up the evidence and reach robust conclusions The authors enable us to articulate a strong defence of Jesus's mental health They help us dispel doubts affirm our faith and present a captivating portrait of Jesus

Foreword by John Lennox Part 1 Showing that Jesus was not mentally ill 1 The mind of Christ through a psychiatrist's eye 2 Out of his mind was Jesus psychotic 3 A man of sorrows did Jesus suffer from any other mental disorder Part 2 Showing that Jesus had a healthy mind proved by the coherence of his words and deeds 4 The test of his character and the crowds were amazed 5 The test of a consistent life what evil has he done I find no crime in him 6 The test of meaningful relationships encounters that transformed lives 7 The test of adversity lessons without words in suffering 8 The test of influence his power to change people Epilogue The test of his claims who do you say I am

NIVAC Bundle 8: General Epistles, Revelation George H. Guthrie, David P. Nystrom, Scot McKnight, Gary M. Burge, Craig S. Keener, 2015-11-03 The NIV Application Commentary helps you communicate and apply biblical text effectively in today's context To bring the ancient messages of the Bible into today's world each passage is treated in three sections Original Meaning Concise exegesis to help readers understand the original meaning of the biblical text in its historical literary and cultural context Bridging Contexts A bridge between the world of the Bible and the world of today built by discerning what is timeless in the timely pages of the Bible Contemporary Significance This section identifies comparable situations to those faced in the Bible and explores relevant application of the biblical messages The author alerts the readers of problems they may encounter when seeking to apply the passage and helps them think through the issues involved This unique award winning commentary is the ideal resource for today's preachers teachers and serious students of the Bible giving them the tools ideas and insights they need to communicate God's Word with the same powerful impact it had when it was first written

Culture Shift David W. Henderson, 1998-11-01 A map of today's cultural landscape guiding Christians toward more effective communication with the postmodern world

Ancient World: Lesson Overviews, 5th ed., Covenant Theology Phillip D. R. Griffiths, 2016-06-10 God has always dealt with his people through the covenant yet covenant theology from a Baptist perspective is a teaching that is all too often neglected Many Baptists don't know why they are Baptist If questioned they are most likely to respond by alluding to the mode of baptism rather than its underlying

theology This book is easily accessible providing the reader with a clear understanding of the historical Baptist position The work points out the errors inherent in the Reformed paedobaptist paradigm and seeks to show that the only covenant of grace is the new covenant in Christ
