Recovering Biblical Sensuousness:

Recovering Biblical Sensuousness William E. Phipps, 1975 *Embodiment* James B. Nelson, Few would doubt that this is a time of transition in our understanding of human sexuality The confusion about sexual morals and mores is the more obvious evidence of this But there is something else For too long the bulk of Christian reflection about sexuality has asked an essentially one directional question what does Christian faith have to say about our lives as sexual beings *The Living Church*, 1976

Conjugal Spirituality Mary Anne McPherson Oliver, 1994 Mary Anne Oliver develops an alternate to celibate religious practices drawing from the experience of couples and diverse sources in the Christian tradition This work explores the dynamics of conjugal love

Christian Marriage David Michael Thomas, 1992 This book represents a theology of marriage It is not intended as a manual for solving marital problems or as a self help guide on how to improve one s marriage Rather its basic goal is to bring forward into our time with all its uniqueness and peculiarities major insights of the Christian faith as they relate to married life Through the love of wife and husband woman and man through loving words pronounced in public in formal ceremony and unfolded in the time that ensues through the couple s collaboration with God s creative power in brining new life into the world through the spirituality lived in transforming creation the sacrament of marriage brings the Spirit of God into the world Each couple has the power to block this process but what is more important to affirm is their capacity to advance it And it happens From Chapter 1

Assertive Biblical Women William Phipps, 1992-08-24 Most of the women described in this study were atypical biblical women Israelite women like women in most cultures of the world had status principally within the home However exceptional women occasionally had prominent roles outside the home and dared to assert themselves The chapters contain biographical sketches with comparisons to contemporary women s roles of two dozen women Beginning with Sarah of Ur and ending with Priscilla of Rome their lives range over an era of nearly two millennia These women were at crucial times sagacious in decision making and skillful in executing their decisions They made such a distinctive mark on the events of their time to be remembered by subsequent generations as more than breeders of male heirs Each woman s story relates how a dynamic woman was able to swim against the strong currents of patriarchy To make explicit the relevancy of this study the brief biographies are related to such current feminist issues as surrogate parenting gender stereotyping and civil disobedience over unequal treatment by governments

True Sexual Morality Daniel R. Heimbach, 2004-11-09 Daniel Heimbach examines the biblical teachings on sexual morality as well as four counterfeit views that have crept into our sexually revolutionized society He gives us an in depth look at the moral relativism that has spread through our culture and opens our eyes to the effects that nonbiblical sexual choices have on individuals the family the church and the culture

Creating a Successful Christian Marriage Cleveland McDonald, Philip McDonald, 2008-04-01 This classic text written by a father and son team looks at the nuclear family as a social institution and provides guidance for interaction and adjustment during dating engagement and early

marriage The authors treat such practical matters as communicating working through interpersonal differences and growing in relationships within the family They also discuss the impact of cultural expectations on family patterns and define ideal family roles developed in Scripture Other topics covered include parenting extended family relationships finances and nontraditional families Now available in paperback **Desperate for Authenticity** Patricia Hawley, 2010-08-04 Virginia Ramey Mollenkott is a pioneer in the endeavors to integrate feminism with Christian theology specifically evangelical theology Desperate for Authenticity considers her personal development alongside her theological development to provide insight into her contributions in the scholarly arena Dr Mollenkott was one of the first evangelicals who demanded that concern for marginalized and vulnerable populations of people be nurtured A foreword by Dr Mollenkott is included as a response to some of the ideas within this book **Sensuous Spirituality** Virginia R. Mollenkott, 1992 A well known Evangelical feminist shares the story of her own journey to spiritual awareness Mollenkott shares her view of the self and the Divine that is sensuous and mystical that recognizes the beauty and goodness of the human core and that works for social change from a centered self **Clerical Celibacy** William E. Phipps, 2004-09-10 The recent sex abuse scandals in the Catholic Church raised new questions about the abilities of a celibate priesthood to deal realistically with matters of sexuality Critics and journalists who have examined these scandals have called for an end to mandatory celibacy for priests In this overview Phipps points out that mandatory celibacy is relatively new fangled having appeared during the last half of the church s existence The innovation was imposed in the feudal and crusading era a dark period for the Church In order to provide this survey Phipps probes ancient religious texts and church history and uses studies that provide factual assessments of the general individual and cultural consequences of celibacy He avoids anecdotal evidence about celibacy and offers a balanced exploration by allowing celibate advocates and church representatives to speak in their own voices about these matters BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved

Sexuality in America Robert T. Francoeur, Patricia Koch, David Weis, 1999-08-01 Now available in a new paperback edition this survey is different in both breadth and scope from all other reports on sexuality in the United States It covers every topic imaginable from a multicultural point of view in order to reflect fully the complex society in which we live the biological psychological social and spiritual aspects of our sexual lives **Mark Twain's Religion** William E. Phipps, 2003 Although there are many studies of America s most famous literary figure this thorough investigation provides not only new information on Twain s religion but also a different approach from anything published before Interpretations of Twain over the past century have been largely the province of literary critics By skillful textual analysis they have produced an abundance of nuanced studies but they tend to have little interest in and knowledge of the broad religious context of Victorian society which both angered and intrigued Twain Phipps provides perceptions often overlooked into the way Clemens s religion was related to such significant issues as racism imperialism and materialism This study takes a close look

at his growing up in the slave culture of Missouri Protestants and his subsequent involvement in the radically different abolition culture in which his wife was raised Like Twain who aimed at communicating with the common person Phipps has written in a style that will attract the educated public while providing fresh insights for Twain scholars His research has taken him to Hannibal Elmira Hartford and to the Twain archives in Berkeley Mostly chronological the book makes extensive use of Twain's works and often neglected in such studies on Twain the Bible his most important literary source *Sexual Ethics* Stanley James Grenz,1997-01-01 In this biblically grounded study Stanley Grenz synthesizes theology ethics and current medical research to offer an evangelical perspective on the profound role that sexuality does and should play in our lives today He calls for Christians to live a biblical sexual ethic in the contemporary world at the same calling on the church to recognize that its mandate includes being a reconciling community one that proclaims God's grace to all *Exploring the Spiritual* David R. Matteson,2011-03-17 Gain solid empirical findings to understand your own spiritual development To significantly impact clients spirituality and use the spiritual strengths the client possesses to facilitate their move toward health a counselor must be willing to explore his or her own spiritual development *Exploring the Spiritual Paths for Counselors and Psychotherapists* provides cognitive information grounded in the empirical findings of social science as well as experiential material which encourages the counselors own spiritual quest This invaluable source clarifies the interface between the counselor's spirituality and the client's and allows the spiritual dimension to emerge appropriately in the counseling process *Exploring the Spiritual Paths for Counselors and Psychotherapists* provides challenging questions and exercises that lead the counselor or psychotherapist through a personal exploration to attain the maturity of development needed to facilitate the client's spiritual growth The text written in an accessible narrative style features helpful case studies and personal anecdotes to illustrate the concepts and processes described Each chapter includes an overview of an issue develops an argument or position and presents a focused exploration of some relevant empirical research that is presented in a context that helps the reader see its personal implications The final section leads the reader through exercises and experiments helping them to focus on the counselor's own inner experience or encouraging the counselor to experiment with new behaviors This insightful resource encourages the counselor to work directly with the client's spiritual experiences and conceptualizations without imposing on the client the beliefs of the counselor Topics discussed in *Exploring the Spiritual Paths for Counselors and Psychotherapists* include models of spiritual development steps toward spiritual maturation the contribution of crises in belief and in values the physical emotional self and the contribution of passion and sexuality overcoming the divisiveness of age race gender sexual orientation and culture coping with suffering discovering one's own paths to the spiritual *Exploring the Spiritual Paths for Counselors and Psychotherapists* is a valuable resource for counselors psychotherapists counselor educators and graduate students in psychology counseling psychotherapy social work and psychiatry William Sheppard William E. Phipps,2002-01-01 This comprehensive biography of William Sheppard the first

African American Presbyterian missionary presents the remarkable story of how an African American born in the South during the era of slavery emerged as one of the most distinguished Presbyterian leaders in American history The book chronicles Sheppard s journey to the Congo details his efforts to challenge human rights violations and describes his impact on the areas of religion human rights education and art *Hall of Theological Courage* | 3 Eureka Circe,2025 [Catalog of Copyright Entries. Third Series](#) Library of Congress. Copyright Office,1977 *The Continuum Complete International Encyclopedia of Sexuality* Robert T. Francoeur,Raymond J. Noonan,2004-01-01 A completely updated one volume edition of the 4 volume International Encyclopedia of Sexuality Includes nearly 60 countries and places 12 not previously covered by more than 200 authorities It is the only reference work of its kind in any language **In Plain Sight** Dr. R. Curtis Royal,2013-02-15 IN PLAIN SIGHT SEARCHING FOR A MORE EXCELLENT WAY addresses the ongoing exodus from western churches Census records remind us there are two to three times more Christians than go to church Interestingly the increase of Christianity in third world countries is remarkable Western churches are suffering a massive dislocation from both society and from Christianity in general What is suggested in this book is exactly the sort of process God enables allows while preparing the next stage of a grand plan in the drama of human redemption We must search for a more excellent way Tolerant Spirit is paramount in hearing the voice of the Spirit along the spiritual journey IN PLAIN SIGHT extends the sacred conversation to all fellow travelers aspiring to discover or regain their spiritual compasses in being faithful to a true and living God who rules and reigns beyond our many fallible conceptions of divine governance in the world and the interaction of divine initiative and human responsibility The problem of forging a new paradigm in the churches for a new age is a sacred conversation about rethinking divine activity and personal and corporate faithfulness We must become much more intentional about developing a theology of grace which thoroughly encompasses serious crises and problems of all spiritual pilgrims travelers and persons of sincere faith
