Loss, Survive, Thrive Meryl Hershey Beck, 2019-11-22 No one is prepared for the loss of a child No one It feels completely unnatural for children to predecease their parents Although it is not widely known each year there are over 135 000 under 40 year old deaths in the U S alone And according to one study 19% of parents outlive their children often carrying the weight of horrendous grief to their own graves Isolated and alone is how parents often describe the grief process Well meaning friends and family members usually rush to their side in the beginning Once the floral arrangements have wilted and the dinners from caring friends diminish there isn't really much that can be said to bring comfort to a suffering parent especially if those friends haven't experienced it themselves Unfortunately when these caring friends do bring up the loss quite often they say the wrong things Loss Survive Thrive offers a lifeline of hope Each chapter is

an inspirational story written by a parent who also experienced the agony of losing a child reclaimed his her vitality and is now living a fulfilling life Every story is authentic and heartfelt designed to uplift and inspire The collective authors reach out through the pages to virtually hold hands with those who are suffering We the contributors have all been there We know their pain and we know about survival And now through our stories we offer comfort and support in helping them get through the toughest time of their lives Bereaved parents share an unspeakable bond And Loss Survive Thrive imparts insight from what s likely the only voices that grieving parents can hear others who have walked in their shoes This book is a giant step toward healing the grieving heart **10 Minutes to Boost Your Mood** Lee David,Debbie Brewin,2025-02-21

What can you really do in 10 minutes You could call a friend read the news eat a bowl of cereal or doomscroll on social media and now with this book you can improve your mental health No matter how busy or stressful your day with 10 minute steps and quick exercises you can better understand and manage your experiences with depression and low mood This book includes sections to read questions to reflect on and things to try out in your everyday life It covers everything from recognising low mood dealing with risky thoughts of harm or suicide working on healthy lifestyle factors like sleep and physical activity and how to get yourself into the zone where you feel focused and engaged with important and fun activities Using evidence based therapies such as CBT and ACT this book will help you take a problem solving approach to negative thoughts and feelings identify activities that bring you joy treat yourself kindly and get the best out of life and not get stuck in the Doom Swamp *Life After Trauma* Dena Rosenbloom,Mary Beth Williams,2015-04-07 Trauma can turn your world upside down afterward nothing may look safe or familiar This compassionate workbook has already helped tens of thousands of trauma survivors start rebuilding their lives Full of practical strategies for coping and self care the book guides you toward reclaiming a solid sense of safety self worth trust and control as well as the capacity to be close to others The focus is on finding the way forward in your life today no matter what has happened in the past The updated second edition has a new section on managing emotions through mindfulness and an appendix on easing the stress of health care visits Dozens of step by step questionnaires and exercises are included you can download and print additional copies of these tools for repeated use
