Recreation Sports Ministry:

Recreation and Sports Ministry John Garner, 2003 Recreation and Sports Ministry is one avenue by which your church can capture the imaginations of people get their attention gain access to their minds and reach the heart with the message of the love of God *Recreation and Sports Ministry: Impacting the Postmodern Culture* John Garner, 2016-12 How open is our culture to recreation and sports The popular culture today is saturated with recreation and sports The Olympics Super Bowl World Series X Games Iron Man events the Final Four in college basketball and the playoff series in professional basketball capture the imaginations of millions of people in America each time they are held The questions are according to general editor John Garner where is the church and how is the church using these tools to reach people and will the church see the opportunity to use recreation and sports as ministry tools The fact is most churches are not reaching the postmodern culture and are being ignored by an increasingly non Christian American culture because people see no relevance to their lives What they do see relevance in is re creative leisure they pursue it at break neck speed and often at great costs Somehow the church must learn to capture the imagination of a world that is passing it by If the church can capture the imaginations of people it can get their attention can gain access to their minds and can reach the heart with the message of the love of God

gold mine for researchers historians and anyone interested in studying youth politics and society in Africa The book presents and explores themes and content of Youth Day Messages how these messages tied in with or veered away from key events and issues of the time how they served as a platform for West Cameroon governments and the Ahidjo and Biya regimes to articulate their political vision justify their policies sell their respective ideologies to the youth and what lessons could be drawn from them on competing conflicting and complementary perspectives on youth agency in Cameroon and Africa Churchill links the Youth Day to ongoing discussions in Africa about the role and place of youths as agents of development in Africa Most significantly he finally puts Cameroon s controversial Youth Day in its appropriate historical context not as a political device created by the Francophone politicians to distort Cameroonian history and erase plebiscite day from the collective memory as Anglophone nationalists claim but as a British Cameroons colonial legacy successfully sold to the Ahidjo regime as a day to be commemorated throughout the federation by leaders of the federated state of West Cameroon
